

## Lancashire Local Dental Network (LDN) Work Plan Summary 2013/15

The LDN aims to inform and support the implementation of national strategy and policy at a local level, work with key stakeholders on the development and delivery of local priorities and provide local clinical leadership.

Lancashire LDN will deliver its aims through clinical leadership and working in alignment with CCGs, LAs, HWBs, neighbouring LPNs, the LPN assembly and LDC for Lancashire AT. Priorities will be based on analysis of local need and national priorities and will feed into the Area Team primary care strategy, overarching Lancashire and national strategy

## Contact Details

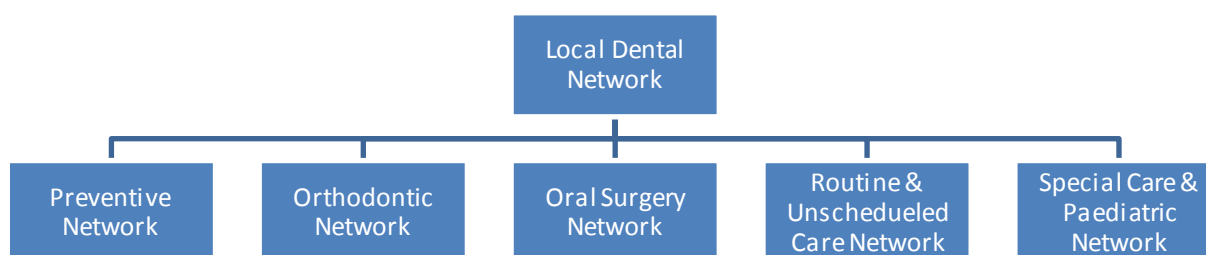

### Local Dental Network Chair

Eric Rooney is the Chair of the Local Dental Network. Eric is a consultant in dental public health. Under Eric's leadership, the LDN members and other stakeholders as appropriate has the responsibility to lead the development, implementation and management of interventions and services to address the priorities listed in the plan on a page signed off by NHS England and the Health and Wellbeing Boards across Lancashire. Contact Eric on [Eric.Rooney@phe.gov.uk](mailto:Eric.Rooney@phe.gov.uk)

### Local Professional Network Manager

Stephen Gough is employed by NHS England, Lancashire to provide support and oversight to the three local professional networks for Pharmacy, Dentistry and Eye Health. Contact Stephen on [Stephen.gough@nhs.net](mailto:Stephen.gough@nhs.net)

To facilitate the implementation of the plan on the page, various subgroups of the Local Dental Network have been established, or are being established.

### The Preventive Network

This sub group of the LDN will lead the implementation of priority 2 and contribute to the implementation of priority 1.
