

A female nurse is standing in a hospital corridor, wearing a white short-sleeved uniform, a clear face shield, a light blue surgical mask, and blue nitrile gloves. She is also wearing a clear plastic apron over her uniform. A lanyard with a badge is around her neck. She is holding the handle of a black wheelchair. The background wall is decorated with colorful cartoon illustrations of flowers, butterflies, and a rooster. A metal handrail is visible behind her.

The background of the entire image is a photograph of a male healthcare worker. He is wearing a light blue surgical mask, glasses, blue scrubs, blue nitrile gloves, and a yellow plastic apron. He is standing next to a piece of medical equipment, possibly a microscope or a specialized imaging device, and is holding a white cloth to clean it. The setting appears to be a clinical or laboratory environment.

A healthcare worker, likely a cleaner, is standing in a hospital corridor. She is wearing a blue disposable gown over a blue shirt, a white surgical mask, and blue gloves. She is holding a tablet in her left hand and resting her right hand on the top of a white, humanoid robot. The robot has a circular head with two glowing purple eyes and a QR code on its chest. A large, semi-transparent purple circle is overlaid on the lower half of the image, containing the main text and two virus icons.
