e-ELCA: Supporting Training in End of Life Care

What's new in e-ELCA?

- e-ELCA can now be accessed via OpenAthens
- Sessions mapped to the five *Priorities for Care of the Dying Person*
- Sessions mapped to the nine high level learning objectives in *'One Chance to Get It Right'* with linked training needs analysis to help people access learning that they need
- New sessions for palliative care specialists including management of patients with advanced heart failure and non-invasive ventilation in motor neurone disease
- All sessions regularly updated
- Updated learning platform designed to work on a range of smartphones and tablets and is much easier to navigate
- Additional guidance and defined learning paths to increase accessibility and help staff and educators find and use sessions to meet learning needs
- Coming soon:
  - Supporting people who are lesbian, gay, bisexual or transgender
  - AMBER care bundle

e-ELCA features over 160 highly interactive sessions arranged in nine modules:

- Advance Care Planning
- Assessment
- Communication Skills
- Symptom Management
- Integrated Learning
- Social Care
- Bereavement
- Spirituality
- Specialist content

Multi-professional use
e-ELCA is relevant to all professionals involved in delivering end of life care. It covers a range of pertinent themes, from clinical topics to communication skills and spiritual care.

Peer-reviewed content
The high-quality content has been written and peer-reviewed by leading experts in the UK, and endorsed by the Association for Palliative Medicine of Great Britain and Ireland.

Multimedia features
e-ELCA includes highly interactive and engaging content, with images, videos, real-life case studies and questions.

Real-life scenarios
Practitioners can explore sensitive issues and test out how they would react in certain scenarios with interactive exercises.

Flexible learning
e-ELCA is available anywhere, at any time – via the Internet.

e-ELCA can be accessed at www.e-lfh.org.uk/programmes/end-of-life-care/

Obtaining a registration code for the care home/ hospice

1. Registration codes are issued by e-LfH for each care home/hospice (not for each organisation). To obtain this registration code the manager should go to: https://portal.e-lfh.org.uk/support/

2. Select 'Registration' then 'Next'

3. Complete the 'General Information' section with their name and email address

Note: Do not amend the fields that are marked 'Registration Query' or 'Additional Information'

4. In the next section, under 'Subject Heading' enter Request for care home/hospice registration code

5. In the Message section enter the full name and address (including postcode) of the care home/hospice, and press 'Submit'

Registration by members of staff who wish to use the e-LfH resources

1. You need to obtain the registration code for your care home/hospice from your manager before you can register

2. Once you have received the registration code you can register for access to the e-LfH Hub at: https://portal.e-lfh.org.uk/Register

3. Enter your e-mail address

4. Select 'I am a care home or hospice worker' (other options are available)

5. Enter the postcode of the care home or hospice you work in and select the correct option from the drop down list presented to you

6. Enter the registration code provided to you by your employer

7. Select 'Register'

8. Follow the instructions on the screen to complete your registration

9. You will receive an email with your username and password

10. Log in

Instructions for non- NHS Staff
