

## NWC Cheshire & Merseyside Cardiac Network Pharmacy Forum Terms of Reference

- 1. Purpose:** The purpose of the Pharmacy Forum is to provide pharmacological advice, expertise and leadership to providers (across all sectors), other interested improvement focussed stakeholders (e.g. Academic Health Sciences Networks), commissioners, strategic decision making bodies both local and regional (e.g. the ICS & its constituent Boards & groups) and patients to support improvements to cardiac services across Cheshire and Merseyside.
- 2. Chair:** Jo Bateman, Lead Cardiology Pharmacist/Deputy Clinical Services Manager  
Countess of Chester Hospital NHS Foundation Trust
- 3. Membership:** Cardiac Network Clinical Lead, Clinical Network Programme Manager, Clinical Network Manager, Medicine Management teams from primary and secondary care, cardiology and stroke pharmacists from secondary and tertiary care and commissioners.
- 4. Functions:**
  - To foster collaboration between practitioners in order to influence and inform the implementation of the Cardiac Pathways Improvement Programme and the NHS England Long Term Plan.
  - To ensure that appropriate pharmacological expert input is provided to the region's cardiac pathways improvement programme's service improvement and transformation plans.
  - To champion, promote and support the development, efficacy & efficiency of pharmacological services to support transformational change through sharing knowledge, expertise and learning.
  - To establish & deliver a work programme to implement a Cheshire & Merseyside wide cardiac improvement strategy in accordance with the Cardiac Pathways Improvement Programme.
  - Provide a forum for communication & collaboration between practitioners and stakeholder organisations.
  - Support stakeholders to provide appropriate services for patients and ensure that there is equitable access to them through the application of the principle of proportionate universalism.
  - Identify areas of best practice within the region and nationally, such that best practice can be extended into other clinical and geographical areas.
  - Develop relevant pathways, guidance and protocols to deliver high quality local services in accordance with national guidance directive.
  - Consider issues of race, deprivation and other forms of inequality in all aspects of work and outputs
- 5. Meeting Frequency:** 3 times per year
- 6. Reporting/Accountability:** To the ICS via the Clinical & Operational Advisory Group (see figure 1 below)

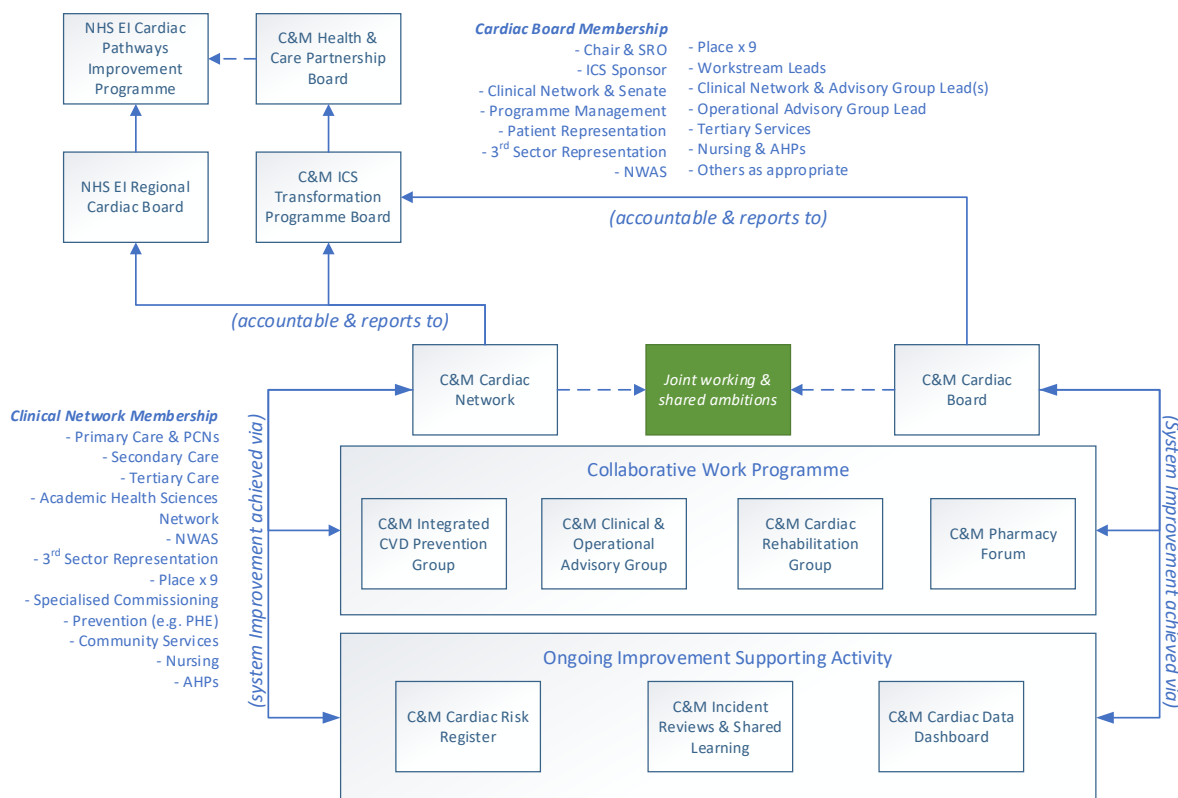

Figure 1 – Governance and Reporting Arrangements

**7 GOVERNANCE**

7.1 The Cardiac Network will appoint a Clinical Lead and a Chair of the Pharmacy Forum. The group will be comprised of senior clinicians (primarily but not exclusively pharmacists) from the region’s provider organisations, their nominated deputies and those other stakeholders supporting their ongoing transformation efforts.

7.2 The Pharmacy Forum will be provided with on-going support from the Cardiac Network Programme Office Team.

7.3 Recommendations, new guidelines and actions plans etc will be approved by the Cardiac Network Clinical Lead and Pharmacy Forum Chair before they are circulated. They will be ratified via the Clinical & Operational Advisory Group unless the Cardiac Network Clinical Lead determines that such ratification is not necessary. In such circumstances, the output will be shared with the Clinical & Operational Advisory Group at the first opportunity.

7.4 Forum guidance, guidelines, advice etc will align with, and support relevant national and regional guidance.

7.4 Where products are developed by and issued on behalf of the Pharmacy Forum, members should be consulted before publication. Where a consensus cannot be reached, or no opinion/input is provided by a Forum member the Forum Chair and Cardiac Network Clinical Lead will have final say on the product. Where the Forum publishes products/outputs in support of an already published national or regional document (for example), this will done on behalf of the Forum Chair and Cardiac Network Clinical Lead (i.e. further discussion/consultation with the Forum will not be sought).

7.5 Where Forum members contribute to a product or output, they should ensure that their contribution takes due account of the views of the organisation that they represent within the Forum.

## **8 Meeting & Organisation**

8.1 The Forum will meet 3 times per year and will be supported by the Cardiac Network Programme Management Office.

8.2 Forum members have an obligation to;

- attend at least 80% of meetings, having read all papers beforehand;
- contribute to the development of Forum outputs as a member of a task & finish group or project team; this approach recognises that the Forum Chair is not solely responsible for the delivery of the Forum's outputs and products, Forum members are required to contribute outside of Forum meetings;
- act as 'champions', disseminating information and good practice as appropriate;
- identify agenda items, for consideration by the Chair, to the Cardiac Network Programme Manager at least 14 days before the meeting;
- prepare and submit papers for the meeting, at least 10 clear working days before the meeting;
- if unable to attend, send their apologies to the Chair prior to the meeting;
- when matters are discussed in confidence at the meeting, to maintain such confidences;
- declare any conflicts of interest / potential conflicts of interest in accordance with their respective organisation's policies and procedures;
- at the start of the meeting, declare any conflicts of interest / potential conflicts of interest in respect of specific agenda items

8.3 A quorum shall exist if the meeting is attended by the Chair (or their nominated deputy), one member of the Cardiac Network Programme Management Office and at one representative from 4 of the region's providers.
