

TEENAGE AND YOUNG ADULT STUDY DAY

Wednesday 9th December 2026, 09:00 - 16:00
Hope Street Hotel, Liverpool L1 9DA

Join the Teenage and Young Adult Team to explore how we hear and advocate for the voices of teenagers and young adults living with incurable cancer.

Aimed at nurses and allied health professionals, the day will combine lived experience, clinical insight and reflection to explore communication, decision-making and supporting choice when cure is no longer possible, enabling compassionate, person-centred palliative care.

Sessions include:

- Understanding teenagers and young adults with incurable cancer
- Hearing the young person's voice in everyday practice
- Psychological support in TYA Care
- Supporting young people through decision-making

...and more

Cost £75 (CCC staff can apply for a free place through study leave application)
