

Young Commissioners

Participation

and

Involvement of

Young

People

Chilypep STAMP and OASIS young people's groups are young people trained to be Young Commissioners for Mental Health Services in **Sheffield and Barnsley** under the Local Area Transformation Plan.

Chilypep model of involvement has seen young people involved in peer research around mental health, commission, service design and development and service evaluation.

For more information about STAMP and OASIS please visit www.chilypep.org.uk and keep an eye out for what we are up to on our social media!

Understanding: Assessing needs, identifying resource and setting priorities **Planning and Procuring** Doing

Existing service providers consult with young people to identify young people's priorities that in turn inform the needs analysis. Activity includes collating recent consultation findings and learning from current work with Young People. On-going consultation and feedback to young people through existing groups and structures, web based fora (e.g. Facebook groups, survey monkey

Young people involved in co design events to plan services based, on needs analysis.

YP trained as Young Commissioners and involved in procurement processes, including developing service specification, marking tenders, shortlisting, interviews and awarding contracts.

Commitment to involvement is part of contract for providers including adoption of Involvement Standards Frameworks. YP assess commitment as part of involvement in procurement. Young people involved in recruitment, selection of staff in delivery organisations.

Young People involved in service inspections and evaluations, including mystery shopping, project advisory groups, surveys and blogs. Young people assess involvement against Involvement Standards frameworks. Case studies collected for evaluation and learning.
