

Be supportive & celebrate! – Suggested tweets

In a nutshell:

- The campaign Twitter handle is @SignuptoSafety.
 - You can make sure we're aware of any of your tweets by including this
- The hashtag to use when letting twitter know that you are sharing your pledges, Safety Improvement Plans, progress updates, birthday celebration news or pictures and competition entries is #signuptosafety or #Su2S
 - This will allow us to see this news and how far it has travelled
- You can read [general guidance on using Twitter in the healthcare system](#) on the Department of Health website.
