

HOW YOU CAN HELP

HOPE: promote the campaign principals that while it is important to understand when things go wrong, we all must hope it can get better

ENERGY: channel your energy to support the campaign

LOVE: love what you do – you will want to do it well

PLEDGE: your own personal actions to improve patient safety

- Complete the online pledge form at signuptosafety.nhs.uk

You will be emailed a personalised Sign up to Safety pledge certificate within 14 days.

THE FIVE SIGN UP TO SAFETY PLEDGES

1

Put safety first. Commit to reduce avoidable harm in the NHS by half and make public your locally developed goals and plans

2

Continually learn. Make your organisation more resilient to risks, by acting on the feedback from patients and staff and by constantly measuring and monitoring how safe our services are

3

Be honest. Be transparent with people about your progress to tackle patient safety issues and support staff to be candid with patients and their families if something goes wrong

4

Collaborate. Take a lead role in supporting local collaborative learning, so that improvements are made across all of the local services that patients use

5

Be supportive. Help people understand why things go wrong and how to put them right. Give colleagues the time and support to improve and celebrate progress.

DO YOUR BIT FOR PATIENT SAFETY

How you can play an active part in improving the safety of care

WHY SIGN UP?

Because you understand that each and every one of us has a role to play in creating a safer NHS.

Sign up to Safety is for everyone in the NHS in England. Local ownership of change and improvement is key to a safer NHS, with the delivery of safe, high quality care the responsibility of those engaged directly with patients, carers and their families.

Only safe healthcare services are truly efficient, effective and able to offer the best experience - patient safety is the organising principle of the high quality healthcare we all want to provide.

By joining, you will become an important part of a movement that is helping to create safer care in all settings.

SIGN UP TO SAFETY IS FOR YOU IF

- You want to help create the right culture where staff can feel supported and listened to when things go wrong and are able to speak out when they are concerned about safety, so that we can learn about what we can do differently to make care safer.
- You want to help the NHS deliver the best care possible everywhere, every day for the benefit of you, your friends and your family

BY SIGNING UP YOU'LL BENEFIT FROM

OUR WEBINAR PROGRAMME

Regular free webinars for members to learn from expert hosts on safety projects, guest webinars dedicated to specific care settings and organisations hosted by campaign members, and joint webinars with other campaigns and safety programmes. Content is designed to support you with leadership for safety, team working, human factors, safety culture and learning about safer practices.

FREE CAMPAIGN RESOURCES

Posters, banners, leaflets, key messages, media materials, campaign toolkits and staff engagement ideas are available to members and free to use. Each has been created to help you launch your own local Sign up to Safety campaign to engage your staff and community, to get them actively involved in your activity.

ACCESS TO A NATIONWIDE NETWORK

Share learning and experience through a network connecting people from across the NHS in England. Learning from real people and real stories, we are committed to sharing what works for you all to use to improve safety where you are.

OUR REGULAR E-NEWSLETTER

Our e-newsletter - SignUPdate - carries details of webinars, events, and communications campaigns designed to celebrate the work you are carrying out locally.

Sign up to Safety is harnessing the commitment of staff across the NHS in England to make care safer. Those signed up to the campaign are united by a common goal; to make the care we give our patients as safe as possible. We all have a role to play and the campaign helps everyone take action to improve the care they deliver.
