

# Are you signed up?

Sign up to Safety is harnessing the commitment of staff across the NHS in England to make care safer. Those signed up are united by a common goal; to make the care we give our patients as safe as possible. We all have a role to play and Sign up to Safety helps everyone take action to improve the care they deliver.

**Get involved & pledge your own personal actions to:**

- 1 PUT SAFETY FIRST**
- 2 CONTINUALLY LEARN**
- 3 BE HONEST**
- 4 COLLABORATE**
- 5 BE SUPPORTIVE**

Your involvement is so important. By putting your pledges into action, you'll be helping to create the right culture; where staff, patients and carers feel listened to, we learn from what they say when things go wrong, and take action to improve patients' safety.
