

**WHAT HAS CHANGED IN THE TRANSITION TO  
COMMUNITY SERVICES?**

**Sue White, Head of Rehabilitation BHFT**

## **SUPPORTING TRANSFER TO A COMMUNITY SERVICE**

- ❑ A revision to the BHFT sitrep data enabling greater visibility of beds coming on stream**
- ❑ The development of a new Community Health Trusted Assessor handover process**
- ❑ Modifying community hospital criteria to maximise the utilisation of community beds**

## **CHANGES TO COMMUNITY HOSPITAL PROCESSES**

- ❑ Implementation of daily board rounds**
- ❑ Rationalisation of traditional MDT meetings**
- ❑ 72 hour checklist**
- ❑ Social care link worker support**
- ❑ Timely CHS referrals for self funders**

## **COLLABORATIVE WORKING TO IMPROVE SYSTEMS FLOW**

- ❑ Weekly systems call to agree delays**
- ❑ Development of a draft integrated discharge pathway**
- ❑ Increased awareness of community based services**

**A collective  
passion and  
commitment to  
improve our  
patient journey**
