Investigation into Southern Health NHS Foundation Trust

Joining the public hearings

March 2021

Thank you for asking to join the Stage 2 Southern Health NHS Foundation Trust investigation public hearings.

To join the public hearings, click the link in the document attached to the email from the Panel Secretary.

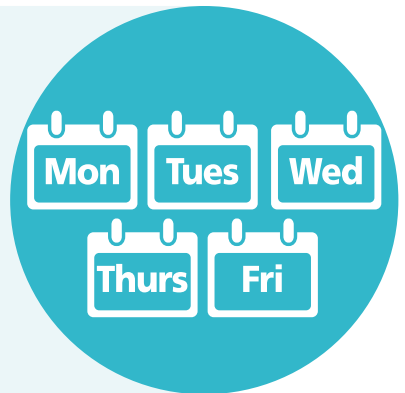

The link is only for the day you have chosen.

If you want to join another day, please email the Panel Secretary Alice Scott at **a.scott@pumpcourchambers.com** to ask for the new link.

If you want to join every day, please email the Panel Secretary and she will send you an email and document with the links each day.

When you click the link to join the public hearings, you will go into a waiting room.

The Panel Secretary will let you into the hearing when it starts.

If you want to join by telephone, the details will also be in the document.

Your email address or telephone number may be seen by everyone in the hearing. You may wish to set up an email address to use just for joining the hearings.

If you are joining by phone, you can make your phone number private by pressing 141 before you dial the number.

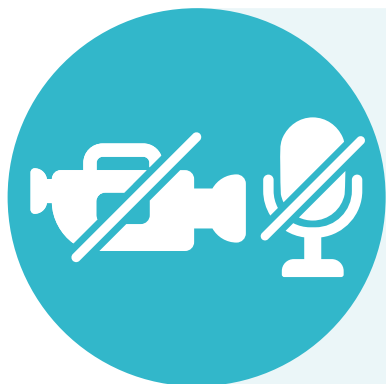

The public hearings will be recorded by the Panel Secretary.

Nobody else may record the hearings.

Please do not interrupt during the public hearings.

The Chair will ask anyone who disturbs the meeting to leave.

You must switch off your video and microphone, so that you cannot be seen or heard.

Data Privacy Notice

Our **data privacy notice** and the **Terms of Reference** for the hearings explain how we will use and store your data, in accordance with data protection law. You can also ask for this information from the Panel Secretary.
