Dear Sirs

Re: Kent and Medway Vascular Clinical Network Programme

On behalf of East Kent Hospitals University Foundation Trust (EKHUFT), I am writing to support the submission of the Public Consultation Business Case (PCBC) for the changes to the pathway for the delivery of inpatient vascular services. The business case has been approved by the Board of Directors.

The development of the Kent and Medway Vascular Network drives the transformation of the service and this case makes progress towards the creation of a single Arterial Centre for Kent and Medway supported by a Non-Arterial Centre.

Yours sincerely

Susan Acott
Chief Executive
