

CERVICAL CYTOLOGY SERVICES

Royal Cornwall Hospitals Trust

******CERVICAL SCREENING KITS******

Ordering VIALS and SAMPLERS

Important notice

From 1st April please place your orders with Royal Cornwall Hospital cytology lab via email: rch-tr.cytologyenq@nhs.net

Please put **ORDER in the subject line.**

And please note -

- Only equal numbers of samplers and vials in trays of 25 are issued
- We only deliver to the main surgery
- Tell us your location code, where you are and how many trays you require

e.g. L82000 Best Surgery, Hill Top Lane DT1 4XX. 1 Tray.

Devon surgeries: Also use this email for ordering blue transport bags.

The lab will receive Vials & Brushes on a monthly basis. To divide them amongst all Practices appropriately a regular (monthly) order from your Practice will work best and remember vials have an expiry date.

Many thanks
Cathy Wilson
