

South West's Cancer Alliances' Patient and Public Engagement Event

Friday 28th July 2017

10:30am – 3:30pm

Hyde Park Conference Centre, Taunton Rugby FC

Have your say in the transformation of cancer care and support: your opportunity to help shape how the new South West Cancer Alliances will involve people in improving cancer care locally

Purpose of the event:

- To review the local approach to patient and public engagement and involvement, in light of the Cancer Taskforce Strategy and development of Cancer Alliances
- To agree a way of working together for the future delivery of the Cancer Taskforce Strategy and local delivery plans
