To make sure your claims are processed as quickly as possible please remember to:

- Allow at least 48 hours for claims to be received and processed
- Claims must be received within two months of the course of treatment completing
- Rejected claims must still be corrected and received within two months of the course of treatment completing. Please allow enough time for resubmissions
- Send claims regularly rather than waiting until the end of the week

**You can use Compass to check on the progress of your claims**

**Forms are processed more quickly if sent electronically**
