

"A course like this, that encourages people to be open about health issues & points the way to reliable resources, can save lives" - Barbara, participant

TALKING ABOUT CANCER

Join our **FREE ONLINE COURSE** now

Want to have more effective conversations about cancer and prevention? Our free interactive course will give you the confidence and "know-how" to separate myths from facts and encourage healthy lifestyle changes.

- ➔ Sign up at cruk.org/talkingaboutcancer
- ➔ Runs from Monday 27 February 2017
- ➔ Takes 3 hours, at your own pace
