

GP Bulletin

Date 4 May 2018 / Issue 262

About this bulletin

To minimise the number of emails sent to practices, the Local Regional Team is using this weekly bulletin as its main method of communicating with practice managers covering the 371 practices in Bristol, Somerset, North Somerset, South Gloucestershire, Devon, Cornwall and the Isles of Scilly. The bulletins contain important information for practice managers, which might include requests for information and deadlines, as well as updates on issues relating to GP contracts.

Copies of the bulletins and attachments are available on our website:
