South West Perinatal & Infant Mental Health Clinical Network

invites you to attend the launch of the

South West GP Spotlight Champion Project

Improving Quality and Consistency for Perinatal and Infant Mental Health in Primary Care (free event)

On: Wednesday, 22nd May 2019

Where: Clevedon Hall, Elton Rd, Clevedon BS21 7RH

At: 10:00 – 16:00

Audience: GPs, Practice Nurses, GP Practice staff, Health Visitors and Midwives.

The RCGP GP Spotlight Project has launched in the South West and is now available to better support GPs, their practice staff as well as Health Visitors and Midwives to be competent and confident in recognition, treatment and support for women with perinatal mental health problems.

This networking and training event is being made available to support the spread of understanding and identification of Perinatal Mental Health conditions.

The **programme for the day** will include the following speakers and training:

Chair: Dr Laurie Windsor, Consultant Perinatal Psychiatrist, Devon Partnership NHS Trust

Keynote Speaker: Dr Jo Black, Associate National Clinical Director for Perinatal Mental Health and Consultant Perinatal Psychiatrist, Devon Partnership Trust

Keynote Speaker: Dr David Soodeen, Primary Care and Clinical Lead for South West Mental Health Network

Theatre Group: Documental – Perinatal Lived Experience

GP/Primary Care Training session: South West GP Perinatal Mental Health Champions
