The out of hours helpline will operate on all of the above dates from 7.30am until 10.30pm every day.
Tel: 03330 063300.

Who can use the service?

Patients who are in need of relief from acute dental pain, acute infection, bleeding or trauma, who:

- May or may not have a regular dentist
- May be a visitor to Devon

Denplan patients (or those in other dental insurance schemes) can call the emergency phone number provided by their dental insurance company. This will not exclude patients from accessing NHS services.

Dental problems we cannot treat:

The emergency out-of-hours service is not suitable for:

- Attention to missing fillings
- Loose crowns
- Dentures or other minor matters.

Regular patients presenting with these conditions should contact their dental practice on the next available working day.
