## Actions Required

 <p><b>NHS Mail Accounts</b></p>	<p><b><u>NHS Mail Accounts</u></b></p> <p>There are a number of practices who have still not set up an NHS mail account. We therefore ask that if you do not already have an account set up, that you do so as soon as possible (See below leaflet for set up instructions). We will be contacting practices in the new year if they haven't already provided us with an NHS email address.</p> <p>All practices must have an active NHS net account as in the future we will only communicate to NHS net accounts. Please ensure that you are logging in and checking the account regularly so that any communications sent by NHS England Dental Team and the BSA are picked up and actioned as appropriate. Also, please be aware that if these accounts are not accessed regularly they can become locked.</p> <p>Please contact us if you have any issues or require further advice.</p> <div style="text-align: center;">  <p>2018-NHS Mail Account Leaflet.pdf</p> </div>
 <p><b>GDC Registration</b></p>	<p><b><u>GDC Registration</u></b></p> <p>For most of you your GDC registration will soon be due for renewal. If any of your personal details have changed, please let the GDC know to ensure your registration renewal goes as smoothly as possible. As you will be aware, if your GDC registration is revoked, this also results in mandatory removal from the Dental Performers List, as set out in the National Performers List regulations.</p>
