About this bulletin
To minimise the number of emails sent to practices, NHS England and NHS Improvement – South West is using this weekly bulletin as its main method of communicating with practice managers covering the 350 practices in Bristol, Somerset, North Somerset, South Gloucestershire, Devon, Cornwall and the Isles of Scilly. The bulletins contain important information for practice managers, which might include requests for information and deadlines affecting payments, as well as updates on issues relating to GP contracts. We recognise that CCGs with delegated authority may also issue information to practices regarding their areas of specific responsibility, however, the bulletin remains relevant to the practices in those areas in terms of the public health areas for which NHS England and Improvement remain responsible.

Copies of the bulletins and attachments are available on our website: https://www.england.nhs.uk/south/info-professional/medical/dcis/gp-bulletin/

If you have any questions or wish to provide feedback, please contact the Primary Care Team: england.primarycaremedical@nhs.net

**IMPORTANT: Maternal Pertussis programme – Change to dTaP/IPV vaccine**

The maternal pertussis immunisation programme commenced in October 2012, initially using Repevax® vaccine (dTaP/IPV). From July 2014, Boostrix®-IPV (dTaP/IPV) has been supplied. Repevax® is now available to order through ImmForm for use in the maternal pertussis immunisation programme instead of Boostrix®-IPV.

This is a **temporary** change and it is anticipated that supplies will revert back to Boostrix®-IPV in autumn 2020. This change is necessary as PHE is running down all stock of Repevax® before the introduction of Boostrix®-IPV across both the maternal pertussis and the pre-school booster programmes.

There is no other change to the maternal pertussis immunisation programme, further details about this programme can be found in chapter 24 of the Green Book.

Thank you for your continued support with these important Public Health vaccination programmes and please do not hesitate to contact us if you have any queries at: phcontractssouthwest@nhs.net

**REMINDER - ACTION REQUIRED: CQRS – 2020/21 Service Offers**

This is a reminder that the following services are now available for you to accept on CQRS, please log in to CQRS and accept these services as soon as possible and by **Wednesday 17 June 2020**, to ensure that you are included in the automated extractions:

**Automated services**

- Shingles (routine) vaccination programme 2020/21
- Shingles (catch-up) vaccination programme 2020/21
- Pertussis (pregnant women) vaccination programme 2020/21
- Pneumococcal polysaccharide vaccination programme 2020/21
- Meningococcal B vaccination programme 2020/21
- Rotavirus (routine childhood vaccination) 2020/2021
- Meningococcal ACWY vaccination 2020/21
- MMR vaccination programme 2020/2021

**Manual services**

- Hepatitis B at risk (newborn) babies vaccination programme 2020/21
- Pneumococcal, Haemophilus influenzae type B and Meningitis C 2020/2021
- HPV completing dose (Booster) vaccination 2020/21

In order to limit the actions required around the enhanced service sign-up process this year, whilst you are responding to Covid-19, the service offers have been made in line with your sign-up in 2019-20. If you wish to amend your sign-up intentions please email...
To confirm the changes, and the appropriate adjustments will be made.

Please also note that, for the automated services, there will be a delay to the data extractions of the April data, and both April and May’s data will be collected in June 2020. There is the option to manually submit data for these services, please note that this will need to be completed and declared by 9 June 2020 to ensure the data is not overwritten by the automated extraction. If you wish to wait for the automated extraction to take place, then no further action is required.

Further information can be found at the links below:

Information and guidance documents for each of the available services can be found on the NHS Digital website.
