About this bulletin
To minimise the number of emails sent to practices, NHS England and NHS Improvement – South West is using this weekly bulletin as its main method of communicating with practice managers covering the 350 practices in Bristol, Somerset, North Somerset, South Gloucestershire, Devon, Cornwall and the Isles of Scilly. The bulletins contain important information for practice managers, which might include requests for information and deadlines affecting payments, as well as updates on issues relating to GP contracts. We recognise that CCGs with delegated authority may also issue information to practices regarding their areas of specific responsibility, however, the bulletin remains relevant to the practices in those areas in terms of the public health areas for which NHS England and Improvement remain responsible.

Copies of the bulletins and attachments are available on our website: https://www.england.nhs.uk/south/info-professional/medical/dcis/gp-bulletin/

If you have any questions or wish to provide feedback, please contact the Primary Care Team: england.primarycaremedical@nhs.net

School immunisations restart and catch up
Please see the below from the school aged immunisation provider, Virgin Care:

“At present we are in discussion with NHS England to ensure we are able to catch up with all children missed from this year's Y8 & Y9 cohort HPV & TDip/Men ACWY vaccinations. The details of which are currently being finalised, but we will be happy to share these with you once they are confirmed.

We have started to gain consents for this years childhood flu programme going out through schools. Community venues for home educated or those requiring early vaccination due to vulnerability are being finalised currently and again once we have these agreed we will share information about booking with you. In the meantime if parents need direction on where to consent they can complete this at https://schoolimms.virgincare.co.uk/flu/2020/devon and for any other queries don’t hesitate to contact the team on 0300 247 0082.

• Items for Cornwall and Isles of Scilly Practices only
Met52 Immunisation study – Cornwall only
Please could all practices involved in the current Met52 study contact CHIS to discuss how details of immunisations you give will be notified to CHIS and for scheduling to be suspended. The email address is hil.dci.os.swchis@nhs.net
Many thanks.
