NHS England and NHS Improvement - South West

Date: 1st April 2021 / Issue 31

About this bulletin

The NHS England and NHS Improvement (NHSE/I) South West Integrated Public Health Team has taken over responsibility from the NHSE/I South West Primary Care Team for collating and issuing a rebranded, weekly Public Health GP Bulletin. This weekly bulletin is the main method of communicating with practice managers covering the 579 practices in Bristol, North Somerset, South Gloucestershire, Bath & North East Somerset, Swindon, Wiltshire, Gloucestershire, Somerset, Devon, Dorset, Cornwall and the Isles of Scilly.

The bulletins contain important public health information for practice managers on Section 7a screening and immunisation programmes, which are commissioned by NHSE/I. Content may include requests for information and deadlines affecting payments, as well as updates on issues relating to GP contracts.

Current issues and back copies of the bulletins and attachments are available on the NHSE/I website [here](#).

If you have any questions or wish to provide feedback, please contact the Integrated Public Health Team on england.swscreeningandimms@nhs.net
