CQRS NOTIFICATION-

2021/22 NHSEI PUBLIC HEALTH COMMISSIONED SERVICES

TPP Issue with April and May extracts for the MMR Service

This is a notification regarding Public Health Section 7a services that NHS England and NHS Improvement (NHSEI) commission from you via Calculating Quality Reporting Service (CQRS) regarding an issue with April and May 2021 extraction for the MMR service.

We can confirm that the issue with the April and May extracts for the MMR service has now been resolved, following the resubmission of data and the subsequent recalculation within CQRS. Payments that were not financially approved have been updated and are available for declaration.

Impact

A small number of payments that were previously financially approved for **TPP** practices will require additional action; further guidance will follow shortly.

Calculations

There is no impact to EMIS or Cegedim practices. Declarations and approvals for EMIS & Cegedim practices may continue as per the usual process.

Action required

The following actions are required by practices:

- Declarations for MMR may be conducted within CQRS for practices using TPP
- Declarations with respect to the MMR service for EMIS and Cegedim practices may continue

Thank you
