

Public Health GP Bulletin

Section 7a: Screening & Immunisations

NHS England and NHS Improvement - South West

Date: 25th June 2021 / Issue 43

About this bulletin

The NHS England and NHS Improvement (NHSE/I) South West Integrated Public Health Team has taken over responsibility from the NHSE/I South West Primary Care Team for collating and issuing a rebranded, weekly Public Health GP Bulletin. This weekly bulletin is the main method of communicating with practice managers covering the 579 practices in Bristol, North Somerset, South Gloucestershire, Bath & North East Somerset, Swindon, Wiltshire, Gloucestershire, Somerset, Devon, Dorset, Cornwall and the Isles of Scilly.

The bulletins contain important public health information for practice managers on Section 7a screening and immunisation programmes, which are commissioned by NHSE/I. Content may include requests for information and deadlines affecting payments, as well as updates on issues relating to GP contracts.

Current issues and back copies of the bulletins and attachments are available on the NHSE/I website [here](#).

If you have any questions or wish to provide feedback, please contact the Integrated Public Health Team on england.swscreeningandimms@nhs.net

We are pleased to share up to date COVID-19 vaccination advice. Please find attached.

LEARNING FROM INCIDENTS – RECORDING AVAILABLE

Amanda Oates, an executive director of workforce at Mersey Care NHS Foundation Trust, recently gave a talk on just culture and learning from incidents. The recording is available on YouTube. It lasts approximately 45 minutes and can be watched in instalments. In her talk Amanda refers to some free training modules and 'Just Culture – The Movie'. We hope you find this useful.

South West resumes school aged HPV vaccination programme

This week NHSE/I have launched a press release, video and social media content announcing young people will continue to be protected against HPV infection and disease as school-age immunisation resumes for students in the South West.

The programme is now starting up again, and urges all Parents of girls and boys aged 12 and 13 to look out for information from their children's school about the vaccine and timings for the first and second dose vaccination.
