## Enhanced Service Specifications 2022/23

Following the publication of the [Annual Flu Letter](#) on 22<sup>nd</sup> April 2022, the [Seasonal Flu Service Specification and collaboration agreement](#) and [Childhood influenza Service Specification](#) have now been released.

This year's General Practice Service Specification includes:

- Collaboration requirements for practices working in a PCN or a group of practices (Annex B)
- The removal of the complementary NHS influenza vaccination offer for primary care staff (except locum GPs)
- Details of the frontline health and social care staff without an occupational health offer who can be offered the NHS influenza vaccine
- Continued requirement to record patient's ethnicity

**Sign up to the Enhanced Services will be via CQRS as usual and you will receive a notification via CQRS that the services are available to accept on or shortly after 31<sup>st</sup> August.**

**The Enhanced Services state that practices need to sign up to these services by 23:59 on 31<sup>st</sup> August 2022, please note this is an error and we request that practices sign up to these Enhanced Service programmes by no later than COP 30<sup>th</sup> September 2022.**

The first extraction will take place on 9<sup>th</sup> October 2022. Sign up in CQRS enables you to claim against these services for payment. If you miss the cut-off date for the sign up, your practice may not be included in the automated extraction. Accordingly, if you are planning on delivering these services to your patients, then you must [login](#) to CQRS and sign up.
