

The following statistics were released today by NHS England:

NHS cancelled elective operations, quarter ending 31st December 2017

The key points from the latest release are:

- During the quarter ending 31st December 2017, 22,013 operations were cancelled at the last minute for non-clinical reasons by NHS providers. In the same period in 2016/17, there were 21,247 cancelled operations.
- Cancelled operations during the quarter represented 1.1% of all elective activity, which is the same as the corresponding percentage in the same period in 2016/17 (1.1%).
- Of these cancellations 1,596 (7.3%) of patients were not treated within 28 days of a cancellation. In the same period in 2016/17, 1,550 (7.3%) of patients were not treated within 28 days.
- Gloucestershire Hospitals NHS Foundation Trust did not submit any data for Q3 2017-18.
