

The following statistics were released today by NHS England:

NHS cancelled elective operations, quarter ending 30th September 2018

The key points from the latest release are:

- During the quarter ending 30th September 2018, 18,460 operations were cancelled at the last minute for non-clinical reasons by NHS providers. In the same period in 2017/18, there were 18,587 cancelled operations.
- Cancelled operations during the quarter represented 0.9% of all elective activity, which is equal to the corresponding percentage in the same period in 2017/18 (0.9%).
- Of these cancellations 1,529 (8.3%) of patients were not treated within 28 days of a cancellation. In the same period in 2017/18, 1,255 (6.8%) of patients were not treated within 28 days.
- Gloucestershire Hospitals NHS Foundation Trust did not submit any data for Q1 2018-19.
