Document updated 7 October 2020:

Due to the coronavirus illness (COVID-19) and the need to release capacity across the NHS to support the response (www.england.nhs.uk/statistics/covid-19-and-the-production-of-statistics):

AmbSYS revisions postponed, provisionally to early 2021.

Publication of AmbCO data for April and May 2020 delayed until the dates in the above table.

** AmbCO revisions will now cover different months:

Publication date	Months due for revision
12 November 2020	July 2019 to February 2020
10 June 2021	June 2020 to December 2020

The months due for revision may be extended to include earlier months, if the improvement in data quality is worthwhile.
