

### **Cancer Waiting Times, June 2020 - Provider Based - Final**

The latest monthly Official Statistics on waiting times for suspected and diagnosed cancer patients accessing NHS services, produced by NHS England and NHS Improvement, were released on 14/01/2021 according to the arrangements approved by the UK Statistics Authority. The June statistics are reported using an updated methodology reflecting updates to the cancer waiting times guidance and dataset. These changes are detailed in the published Information standard (DCB0147). The effect nationally is less than 0.1% for volume, and 0.02 percentage points or less for performance.

### **Waiting Times for Cancer Services - June 2020**

The key results for outpatient services and first definitive treatments show that, in England, during the period June 2020:

#### **Two week Wait:**

- 92.5% of people were seen by a specialist within two weeks of an urgent referral for suspected cancer (94.2% in May 2020)
- 90.6% of people urgently referred for breast symptoms (where cancer was not initially suspected) were seen within two weeks of referral (93.8% in May 2020)

#### **One month (31-day) wait from diagnosis to first definitive treatment:**

- 93.8% of people treated began first definitive treatment within 31 days of receiving their diagnosis, all cancers (94.0% in May 2020)
- 91.1% of people treated for breast cancer began first definitive treatment within 31 days of receiving their diagnosis (90.6% in May 2020)
- 97.6% of people treated for lung cancers began first definitive treatment within 31 days of receiving their diagnosis (97.0% in May 2020)

## **Annex: Missing and partial returns**

There have been issues processing Mid & South Essex Hospital cancer wait time data post-ODS organisation code update and as a result have partial data for Two Week Wait From GP Urgent Referral to First Consultant Appointment and Two Week Wait Breast Symptomatic (where cancer not initially suspected) From GP Urgent Referral to First Consultant Appointment. Mid & South Essex Hospital are working closely with NHS Digital to resolve the issues with the cancer wait time data held within the national portal, however note that a resolution was not ready for this publication.
