

**NATIONAL QUALITY BOARD**

---

**Health and Wellbeing of NHS Staff**

***A note from the Secretariat***

**Purpose**

1. Dame Carol Black will be joining the meeting to discuss the work she is undertaking on the links between the health and wellbeing of NHS staff and the quality of care received.
2. The aim of this item is to understand how the NQB could support the health and wellbeing of NHS staff, as a lever for staff engagement, productivity and quality of care.
3. Dame Carol will refer to the *Healthier staff, high quality care* pledge to improve health and wellbeing of staff working in healthcare signed by a number of statutory organisations on 23 April 2013 (attached separately).
