# WHY JOIN A STAFF NETWORK?

**Our people are our greatest asset. When we feel supported and happy in work this positivity reaches those very people we are here for, the patients.**

Our staff networks will support a fairer and more diverse NHS for everyone. They will:

- tackle issues for underrepresented and disadvantaged groups and individuals
- offer a place to come together, share experiences and facilitate learning and development
- help shape and deliver our organisational strategy and policy
- improve the staff experience on specific issues relating to each network.
