

Have you been part of a Care and Treatment Review (CTR)?

Please tell us what you think

We are asking everyone who has been part of a Care and Treatment Review (CTR) to tell us how it went.

- Was it good?
- What would make it better?
- What difference did it make for you and others?

Your feedback is important – it will help to make reviews better for everyone who has one or takes part in one.

Please take a few moments to fill in this form and give or send it by post to:

Your name.....
(It's OK if you don't want to say)

(Please tick (✓) one of the boxes)

Q1: The review was about my care

Or, I was taking part in the review as a:

Family carer for the person being reviewed

Expert by Experience (e.g. a person with a learning disability or family carer)

Staff member

Commissioner

Member of a community learning disability team

To help us make Care and Treatment Reviews better or keep doing a good job, please think about what happened in the review and then answer the questions.

To help you to answer these questions you might want to think about...

- The help or information you got before the review
- What it was like to be part of a review
- The information you needed to take part
- If you feel like you had your say or could share what you thought about a review
- The help or support you got during the review
- What happened after the review

Q4. Is there anything we should change about Care and Treatment Reviews to make them work better?
