

Care and Treatment Review Webinars

We are running free training webinars for commissioners and other agencies to help implement Care and Treatment Reviews (CTRs) in your area. Information will be presented by NHS England's Best Care Now team, plus guest speakers, and there will be opportunities for sharing information and open discussion.

You can join the webinars using your laptop or computer, and phone. To book on a webinar simply choose the date and topic you prefer, and follow the joining instructions beside it, as detailed below. If you have any difficulties accessing these sessions please contact: sarah.jackson23@nhs.net
