Introduction

NHS England leads the NHS in England to deliver high quality services for all. It sets the strategic direction through the NHS Long Term Plan and funds key priorities for improvement. NHS England with the Secretary of State for Health and Social Care has the legal duty to promote a comprehensive health service in England. NHS England is governed by a Board which provides strategic leadership and accountability to government, Parliament and the public. The Board is supported by committees which undertake detailed scrutiny in their respective areas of responsibility and provide it with regular reporting and formal assurance.

SO1 Purpose

1.1 These Standing Orders form a central part of NHS England's Governance Manual. Together with documents such as the Standing Financial Instructions and the Scheme of Delegation, they fulfil the dual role of protecting NHS England's interests and protecting Officers from possible accusation that they have acted less than properly (provided that Officers have followed the correct procedures outlined in the relevant document). All Executive and Non-Executive Members and all Officers should be aware of the existence of these documents, and be familiar with their detailed provisions.

1.2 Interpretation

- 1.2.1** Should any difficulties arise regarding the interpretation or application of any of these Standing Orders, the advice of the Secretary must be sought before acting.
- 1.2.2** Where there is a conflict between the Standing Orders and/or Scheme of Delegation in relation to the currently published Standing Financial Instructions, the Standing Orders and Scheme Delegation will take precedence in all matters of interpretation.

1.3 Statutory Framework

- 1.3.1** NHS England is a statutory body established under section 1H of the National Health Service Act 2006 (as amended). It was originally named as the NHS Commissioning Board but subsequently renamed under Part 1 of the Health and Care Act 2022. The functions of the bodies known as NHS Digital and Health Education England were transferred to it by regulations made under section 103 of the Health and Care Act 2022.
- 1.3.2** The principal place of business of NHS England is Quarry House, Quarry Hill, Leeds LS2 7UE.
- 1.3.3** NHS England is governed by the National Health Service Act 2006, the Health & Social Care Act 2012, the Care Act 2014 (each as amended), and by secondary legislation made under these Acts. In addition, as a non-departmental public body, NHS England is party to a Framework Agreement with the Department of Health and Social Care and the objectives and requirements of NHS England are set out in the Secretary of State for Health and Social Care's Mandate to NHS England, in accordance with section 13A of the National Health Service Act 2006 (as amended).

- 1.3.4 The functions of NHS England are conferred by the Acts and secondary legislation referred to above. They are primarily set out in:
- section 1H and Chapter A1 of Part 2 of, and Schedule A1 to, the National Health Service Act 2006 (as amended);
 - Chapters 3 and 4 of Part 3, and Chapters 2 and 3 of Part 9, of the Health and Social Care Act 2012; and
 - Chapter 1 of Part 3 of the Care Act 2014.

When exercising its functions, NHS England shall act in accordance with the duties imposed on it under the National Health Service Act 2006, the Health & Social Care Act 2012, and the Care Act 2014 (each as amended) and other relevant legislation.

1.4 NHS Framework

- 1.4.1 In addition to the statutory requirements, the Secretary of State for Health and Social Care through the Department of Health and Social Care issues further requirements and guidance, primarily in the form of the Mandate.

1.5 Delegation of Powers

- 1.5.1 SO7 summarises the Board's powers under the National Health Service Act 2006 (as amended) to "arrange for the exercise of any of its functions by: a Committee or Sub-committee appointed by virtue of SO6; a Non-Executive Member or Employee (including any Executive Member) of NHS England; or, another body as defined in SO6.2.1".
- 1.5.2 The Board also has the power to arrange for its functions to be exercised by or jointly with certain specified bodies. This is set out in SO6.2.1.
- 1.5.3 The Scheme of Delegation has effect as if incorporated into these Standing Orders. Together with the Standing Financial Instructions, they are referred to as the Governance Manual.
- 1.5.4 Employees only have the authority to exercise powers specifically delegated to them, as summarised in the Scheme of Delegation or as detailed in an Operating Framework, approved in accordance with SO7.5 or in an emergency by variation in accordance with SO7.3.1.
- 1.5.5 Wherever the title Chief Executive, Chief Financial Officer, or other Officer position is used in these Standing Orders, it will be deemed to include such other Employees as have been duly authorised to deputise, in accordance with the principles of SO7.4.5.

1.6 Failure to comply with Standing Orders, Standing Financial Instructions and the Scheme of Delegation

- 1.6.1 Failure to comply with these Standing Orders, the Standing Financial Instructions and the Scheme of Delegation may result in disciplinary action in accordance with the NHS England disciplinary procedure. Such disciplinary action may include termination of employment. Any financial or other irregularities or impropriety in relation to these

instructions, which involve evidence or suspicion of fraud, bribery or corruption will be reported to NHS Counter Fraud Authority in accordance with SFI 4.1.10, with a view to a criminal investigation being conducted and potential prosecution being sought.

- 1.6.2 If for any reason these Standing Orders, Standing Financial Instructions or the Scheme of Delegation are not complied with, including the exercise of powers without proper authority, full details of the non-compliance, any justification for non-compliance and the circumstances around the non-compliance must be reported to the next formal meeting of the Audit and Risk Assurance Committee for action or ratification.
