

AHPs into Action

#AHPsintoAction

Our collective commitments and priorities will deliver significant impacts for patients, their carers, communities and populations.

Impact

The Impact

of the effective and efficient use of AHPs for people and populations

- 1 Improve the health and well-being of individuals and populations.
- 2 Support and provide solutions to general practice and urgent and emergency services to address demand.
- 3 Support integration, addressing historical service boundaries to reduce duplication and fragmentation.
- 4 Deliver evidence based/informed practice to address unexplained variances in service quality and efficiency.

How?

Commitment

Our Commitments

to the way services are delivered

- 1 Commitment to the individual.
- 2 Commitment to keep care closer to home.
- 3 Commitment to the health and well being of populations.
- 4 Commitment to care for those who care.

Plus

Priorities

Our Priorities

to meet the challenges of changing care needs

- 1 AHPs can lead change.
- 2 AHPs skills can be further developed.
- 3 AHPs evaluate, improve and evidence the impact of their contribution.
- 4 AHPs can utilise information & technology.

A blueprint to support system leaders make decisions about AHPs, the services they offer, and how they can be most efficiently and effectively utilised.
