Dementia Template – EMIS Library

The screenshot displays the EMIS Web Health Care System interface for a patient named DUCK, Donald (Mr). The system title bar indicates the location as DAPDUNE HOUSE SURGERY - 3239. The patient's details include: Born 24-Mar-1970 (46y), Gender Male, NHS No. Unknown, and Usual GP WILLIAMS, Anna (Dr). The patient is currently active.

The main content area is titled "GP Contract - Dementia" and features a "Pages" sidebar on the left with options: "Dementia", "Exam and Investigations" (selected), and "Smoking status". The main area contains a list of test recording sections, each with a dropdown menu for the test type and a field for the result:

Test Recording Section	Test Type	Result
Full Blood Count Test Recording	*Full Blood Count Tests	No previous entry
Glucose Test Recording	*Glucose Tests	20-Feb-2011 Glucose toler...
Calcium Test Recording	*Calcium Tests	No previous entry
Renal Test Recording	*Renal Tests	20-Feb-2011 93 umol/L
Thyroid Function Test Recording	*Thyroid Function Tests	20-Feb-2011 1.4 mU/L
Liver Test Recording	*Liver Test Recording	No previous entry
Vitamin B12 Level Test Recording	*Vitamin B12 Level Tests	No previous entry
Folate Level Test Recording	*Folate Level Tests	No previous entry

The interface also includes a "Latest Contacts" section at the bottom left and a "Summary" button on the right side.
