GC8 Review

8.1 At the request of either the Co-ordinating Commissioner or the Provider they will as soon as practicable hold a Review Meeting to review and discuss any matters that either considers necessary in relation to this Contract.

GC9 Contract Management

9.1 If the Parties have agreed a consequence in relation to the Provider failing to meet a Quality Requirement and the Provider fails to meet the Quality Requirement, the Co-ordinating Commissioner will be entitled to exercise the agreed consequence immediately and without issuing a Contract Performance Notice, irrespective of any other rights the Co-ordinating Commissioner may have under this GC9.

9.2 The provisions of this GC9 do not affect any other rights and obligations the Parties may have under this Contract.

9.5 Unless the Contract Performance Notice has been withdrawn, the Co-ordinating Commissioner and the Provider must meet to discuss the Contract Performance Notice and any related issues within 10 Operational Days following the date of the Contract Performance Notice.

9.6 At the Contract Management Meeting the Co-ordinating Commissioner and the Provider must agree either:

Remedial Action

- 9.7 The Provider and each relevant Commissioner must implement the actions and achieve and maintain the improvements applicable to it within the timescales and otherwise as agreed in accordance with GC9.6.
- 9.8 If either the Provider or any Commissioner fails to complete an action required of it, or to deliver or maintain the improvement required of it within the timescales and otherwise as agreed in accordance with GC9.6 (except as a result of an act or omission or the unreasonableness of any Commissioner or the Provider, as appropriate), then the Co-ordinating Commissioner or the Provider (as appropriate) may, at its discretion, exercise whatever remedies under this Contract it considers appropriate in relation to that failure.
- 9.9 If the Provider has been granted access to the general element of ~~the Provider~~ Sustainability ~~and Transformation~~ Fund, and has, as a condition of access:

GC10 Co-ordinating Commissioner and Representatives

- 10.1 In relation to this Contract the Co-ordinating Commissioner will act for itself and as agent for the Commissioners (who are separate principals) but sums payable to the Provider are to be severally attributed to the relevant Commissioner as appropriate.
- 10.2 The Commissioner Representatives and the Provider Representative will be the relevant Party's respective key points of contact for day-to-day communications.

GC11 Liability and Indemnity

- 11.1 Without affecting its liability for breach of any of its obligations under this Contract, each Commissioner will be severally liable to the Provider for, and must indemnify and keep the Provider indemnified against:
- 11.1.1 any loss, damages, costs, expenses, liabilities, claims, actions and/or proceedings (including the cost of legal and/or professional services) whatsoever in respect of:

11.1.1.1 any loss of or damage to property (whether real or personal); and

11.1.1.2 any injury to any person, including injury resulting in death; and

11.1.2 any Losses of the Provider,

that result from or arise out of the Commissioner's negligence or breach of contract in connection with the performance of this Contract except insofar as that loss, damage or injury has been caused by any act or omission by or on the part of, or in accordance with the instructions of, the Provider, any Sub-Contractor, their Staff or agents.

11.2 Without affecting its liability for breach of any of its obligations under this Contract, the Provider will be liable to each Commissioner for, and must indemnify and keep each Commissioner indemnified against:

11.2.1 any loss, damages, costs, expenses, liabilities, claims, actions and/or proceedings (including the cost of legal and/or professional services) whatsoever in respect of:

11.2.1.1 any loss of or damage to property (whether real or personal); and

11.2.1.2 any injury to any person, including injury resulting in death; and

11.2.2 any Losses of the Commissioner,

that result from or arise out of the Provider's or any Sub-Contractor's negligence or breach of contract in connection with the performance of this Contract or the provision of the Services (including its use of Equipment or other materials or products, and the actions or omissions of Staff or any Sub-Contractor in the provision of the Services), except insofar as that loss, damage or injury has been caused by any act or omission by or on the part of, or in accordance with the instructions of, the Commissioner, its employees or agents.

[Drafting Note: See the amendments to 'Indirect Losses' in the definitions. This now expressly excludes cost connected with breaches of Data Protection Legislation' in order to avoid the situation whereby any clean-up operation following a breach would not be covered.]

11.3 The Provider must put in place and maintain in force (and procure that its Sub-Contractors put in place and maintain in force) until its (or their) liability may reasonably be considered to have ceased, at its (or their) own cost (and not that of any employee), appropriate Indemnity Arrangements in respect of:

11.3.1 employers' liability;

11.3.2 clinical negligence, where the provision or non-provision of any part of the Services (or any other services under this Contract) may result in a clinical negligence claim;

11.3.3 public liability; ~~and~~

11.3.4 professional negligence; ~~and~~

11.3.5 breach of Data Protection Legislation.

[Drafting note: Breach of Data Protection Legislation has been added due to the increased risks of incurring liability under the GDPR.]

11.4 Within 5 Operational Days following written request from the Co-ordinating Commissioner, the Provider must provide documentary evidence that Indemnity Arrangements required under GC11.3 are fully maintained and that any premiums on them and/or contributions in respect of them (if any) are fully paid.

- 11.5 No later than 3 months prior to the expiry of this Contract, or within 10 Operational Days following the date of service of notice to terminate or of agreement to terminate this Contract (as appropriate), the Provider must provide to the Co-ordinating Commissioner satisfactory evidence in writing of its (and its Sub-Contractors') arrangements to satisfy the requirements of GC11.3 in respect of any ongoing liability it has or may have in negligence to any Service User or Commissioner arising out of a Service User's care and treatment under this Contract. If the Provider fails to do so the Commissioners may themselves procure appropriate Indemnity Arrangements in respect of such ongoing liabilities and the Provider must indemnify and keep the Commissioners indemnified against the costs incurred by them in doing so.
- 11.6 If the proceeds of any Indemnity Arrangements are insufficient to cover the settlement of any claim relating to this Contract the Provider must make good any deficiency.
- 11.7 Nothing in this Contract will exclude or limit the liability of either Party for death or personal injury caused by negligence or for fraud or fraudulent misrepresentation.
- 11.8 Except where expressly stated to the contrary, an indemnity under this Contract will not apply and there will be no right to claim damages for breach of this Contract, in tort or on any other basis whatsoever, to the extent that any loss claimed by any Party under that indemnity or on that basis is for Indirect Losses.
- [Drafting Note: See the amendments to 'Indirect Losses' in the definitions. This now expressly excludes cost connected with breaches of Data Protection Legislation' in order to avoid the situation whereby any clean-up operation following a breach would not be covered.]*
- 11.9 Each Party will at all times take all reasonable steps to minimise and mitigate any Losses or other matters for which one Party is entitled to be indemnified by or to bring a claim against the other under this Contract.

GC12 Assignment and Sub-contracting

- 12.1 The Provider must not assign, delegate, sub-contract, transfer, charge or otherwise dispose of all or any of its rights or obligations or duties under this Contract without the prior written approval of the Co-ordinating Commissioner. The approval of any sub-contracting arrangement may include approval of the terms of the proposed Sub-Contract.
- 12.2 Sub-contracting any part of this Contract will not relieve the Provider of any of its obligations or duties under this Contract. The Provider will be responsible for the performance of and will be liable to the Commissioners for the acts and/or omissions of all Sub-Contractors as though they were its own.
- 12.3 Any positive obligation or duty on the part of the Provider under this Contract includes an obligation or duty to ensure that all Sub-Contractors comply with that positive obligation or duty. Any negative duty or obligation on the part of the Provider under this Contract includes an obligation or duty to ensure that all Sub-Contractors comply with that negative obligation or duty.
- 12.4 This Contract will be binding on and will be to the benefit of the Provider and each Commissioner and their respective successors and permitted transferees and assigns.

GC13 Variations

- 13.1 This Contract may not be amended or varied except in accordance with this GC13.
- 13.2 The Parties:
- 13.2.1 may agree to vary any of the Variable Elements; and
 - 13.2.2 may not vary any provision of this Contract that is not a Variable Element except in order to implement a National Variation.

- 13.3 Subject to GC13.2, the provisions of this Contract may be varied at any time by a Variation Agreement signed by the Co-ordinating Commissioner on behalf of the Commissioners and by the authorised signatory of the Provider.
- 13.4 The Parties acknowledge that any National Variation may be mandated by NHS England. If the Provider refuses to accept a National Variation, the Co-ordinating Commissioner may terminate this Contract by giving the Provider not less than 3 months' written notice following the issue of a notice that that National Variation is refused.

GC14 Dispute Resolution

- 14.1 If any dispute arises out of or in connection with this Contract, the Parties in dispute must, within 10 Operational Days of a written request from one Party to the other, meet and attempt in good faith to resolve it. If the dispute is not resolved within 20 Operational Days of that written request, a member of the Governing Body of each relevant Party, with authority to settle the dispute, shall meet and attempt wholly to resolve the dispute.
- 14.2 If the Parties are unable to resolve the dispute within 20 Operational Days of the meeting of Governing Body members under GC14.1, they must, within a further 5 Operational Days of that meeting, submit the dispute to mediation. The mediation will be arranged jointly by NHS Improvement and NHS England (where the Provider is an NHS Trust), or by CEDR (or such other independent body as the Parties may agree in writing before the initiation of the mediation), and the mediation will follow the process specified by the relevant mediating body.
- 14.3 If the Parties are unable to settle the dispute through mediation, the dispute must be referred to expert determination for final resolution. The expert must be appointed by agreement in writing between the Parties. If the Parties cannot agree on an expert within 10 Operational Days, or if the relevant person is unable or unwilling to act, the expert will be appointed by CEDR. The expert must act as an expert and not as an arbitrator, and must act fairly and impartially, and the expert's determination will (in the absence of manifest error, fraud, collusion, bias or material breach of instructions on the part of the expert) be final and binding on the Parties.
- 14.4 The expert will decide the procedure to be followed in the determination and must make the determination within 30 Operational Days of his appointment (or to such other timescale as the Parties agree) and the Parties must assist and provide the documentation that the expert requires for the purpose of the determination.
- 14.5 Each Party will bear its own costs in relation to the expert determination. The expert's fees and properly incurred costs will be borne by the Parties equally or in such other proportions as the expert may direct.
- 14.6 All information, whether oral, in writing or otherwise, arising out of or in connection with the expert determination will be inadmissible as evidence in any current or subsequent litigation or other proceedings whatsoever, with the exception of any information which would in any event have been admissible or disclosable in any such proceedings.
- 14.7 Nothing in this GC14 prevents any Party seeking an injunction relating to any matter arising under GC20 (*Confidential Information of the Parties*).

GC15 Governance, Transaction Records and Audit

- 15.1 The Provider must comply with regulation 17 of the 2014 Regulations.
- 15.2 The Provider must comply with all reasonable written requests made by any relevant Regulatory or Supervisory Body (or its authorised representatives), a Local Auditor, or any Authorised Person for access to the Provider's Premises and/or the Services Environment and/or the premises of any Sub-Contractor, and/or to Staff, and/or information relating to the provision of the Services:
- 15.2.1 to audit or inspect those premises and/or the provision of the Services; or

 - 15.3.4 that are otherwise agreed by the Provider and the Co-ordinating Commissioner to be implemented.
- 15.4 The Parties must maintain complete and accurate Transaction Records.
- 15.5 The Provider must, at its own expense, in line with applicable Law and Guidance implement an ongoing, proportionate programme of clinical audit of the Services in accordance with Good Practice and provide to the Co-ordinating Commissioner on request the findings of any such audits.
- 15.6 The Co-ordinating Commissioner may at any time appoint an Auditor to conduct an objective and impartial audit of any aspect of the Services, the Provider's invoices and/or the performance of any of the Provider's obligations under this Contract. Subject to any applicable Service User consent requirements, the Provider must allow the Auditor reasonable access to (and the right to take copies of) the Transaction Records, books of account and other sources of relevant information, and any Confidential Information so disclosed will be treated in accordance with GC20 (*Confidential Information of the Parties*). The cost of any audit carried out under this GC15.6 will be borne by the Commissioners.

GC16 Suspension

- 16.1 If a Suspension Event occurs the Co-ordinating Commissioner may by written notice to the Provider require the Provider with immediate effect to suspend all or part of the Services.
- 16.2 If and when the Co-ordinating Commissioner is reasonably satisfied that the Provider is able to and will provide the suspended Service to the required standard, it must by written notice require the Provider to restore the provision of the suspended Service.
- 16.3 The Provider will not be entitled to any payment for the suspended Services in respect of the period of suspension.
- 16.4 Unless suspension occurs as a result of an Event of Force Majeure, the Provider will indemnify the Commissioners in respect of any Losses reasonably incurred by them in respect of a suspension (including for the avoidance of doubt Losses incurred in commissioning the suspended Service from an alternative provider).
- 16.5 The Parties must use all reasonable endeavours to minimise any inconvenience caused or likely to be caused to Service Users as a result of the suspension of the Service.

GC17 Termination

Termination: No Fault

- 17.1 The Co-ordinating Commissioner and the Provider may terminate this Contract or any Service at any time by mutual agreement.
- 17.2 Either the Co-ordinating Commissioner or the Provider may terminate this Contract by giving to the other written notice of not less than the Notice Period.

- 17.3 The Co-ordinating Commissioner may by not less than 3 months' written notice to the Provider terminate this Contract if it reasonably believes that any of the circumstances set out in regulation 73(1)(a) or 73(1)(c) of the Public Contract Regulations 2015 applies.

Termination: Commissioner Default

- 17.4 The Provider may terminate this Contract, in whole or in respect of the relevant Commissioners, with immediate effect, by written notice to the Co-ordinating Commissioner:
- 17.4.1 if at any time the aggregate undisputed amount properly due to the Provider from any Commissioner exceeds the lower of 25% of the Expected Annual Contract Value or £25,000 and full payment is not made within 20 Operational Days of receipt of written notice from the Provider referring to this GC17.4 and requiring payment to be made; or
 - 17.4.2 if any Commissioner is in persistent material breach of any of its obligations under this Contract so as to have a material and adverse effect on the ability of the Provider to provide the Services, and the Commissioner fails to remedy that breach within 20 Operational Days of the Co-ordinating Commissioner's receipt of the Provider's written notice identifying the breach.

Termination: Provider Default

- 17.5 The Co-ordinating Commissioner may terminate this Contract or any affected Service, with immediate effect, by written notice to the Provider if:
- 17.5.1 any Condition Precedent is not met by the relevant Longstop Date; or
 - 17.5.2 the Provider ceases to carry on its business or substantially all of its business; or
 - 17.5.3 a Provider Insolvency Event occurs; or
 - 17.5.4 the Provider is in breach of any material obligation, or has persistently breached any obligation, on its part under this Contract and, if capable of remedy, the Provider fails to remedy the breach or breaches within 20 Operational Days following receipt of notice from the Co-ordinating Commissioner requiring it to do so; or
 - 17.5.5 termination is required by any Regulatory or Supervisory Body; or
 - 17.5.6 the Provider commits a Personal Data Breach which under Data Protection Legislation must be notified to the Information Commission Officer or to a Service User; or
- [Drafting note: The GDPR does not require this term to be included in contracts. However, we have taken the view that it is an appropriate addition to the standard contract for the future. It makes clear that a serious breach of data protection legislation that has a significant impact on individuals can be grounds for termination. Views on this insertion are welcome.]*
- 17.5.7 the NHS Business Services Authority has notified the Commissioners that the Provider or any Sub-Contractor has, in the opinion of the NHS Business Services Authority, failed in any material respect to comply with its obligations in relation to the NHS Pension Scheme (including those under any Direction Letter); or
 - 17.5.8 the Co-ordinating Commissioner reasonably believes that the circumstances set out in regulation 73(1)(b) of the Public Contracts Regulations 2015 apply.

GC18 Consequence of Expiry or Termination

- 18.1 Expiry or termination of this Contract, or termination of any Service, will not affect any rights or liabilities of the Parties that have accrued before the date of that expiry or termination or which later accrue.
- 18.2 Before and after termination or expiry of this Contract or of any Service the Provider must co-operate fully with the Co-ordinating Commissioner and any successor provider of the terminated Services in order to ensure continuity and a smooth transfer of the expired or terminated Services.

GC19 Provisions Surviving Termination

- 19.1 Any rights, duties or obligations of any of the Parties which are expressed to survive, or which otherwise by necessary implication survive the expiry or termination for any reason of this Contract, together with all indemnities, will continue after expiry or termination, subject to any limitations of time expressed in this Contract.

GC20 Confidential Information of the Parties

- 20.1 Without prejudice to the obligations of the Parties under SC28 (*Information Requirements*) in relation to personal information that is confidential, each Party must, except as permitted by this GC20, keep confidential all information disclosed to it by any other Party in connection with this Contract, and must use all reasonable endeavours to prevent their Staff from making any disclosure to any person of that information.
- 20.2 GC20.1 will not apply to disclosure of information that:
- 20.2.1 is in or comes into the public domain other than by breach of this Contract;
 - 20.2.2 the receiving Party can show by its records was in its possession before it received it from the disclosing Party; or
 - 20.2.3 the receiving Party can prove it obtained or was able to obtain from a source other than the disclosing Party without breaching any obligation of confidence.
- 20.3 A Party may disclose the other Party's Confidential Information:
- 20.3.1 to comply with applicable Law;
 - 20.3.2 to any appropriate Regulatory or Supervisory Body;
 - 20.3.3 in connection with any dispute resolution or litigation between the Parties;
 - 20.3.4 as permitted under any other express arrangement or other provision of this Contract; and
 - 20.3.5 where the disclosing Party is a Commissioner, to NHS Bodies for the purposes of carrying out their duties.

GC21 Patient Confidentiality, Data Protection, Freedom of Information and Transparency

Information Governance – General Responsibilities

- 21.1 The Parties ~~acknowledge their respective obligations arising under~~ must comply with Data Protection Legislation Guidance, the FOIA, DPA, EIR and HRA, and under the common law duty of confidentiality ~~the EIR~~, and must assist each other as necessary to enable each other to comply with these obligations.

[Drafting Note: The reference to the new defined term Data Protection Legislation ensures that this clause captures compliance with the GDPR and the anticipated new data protection act. The reference to the new

defined term Data Guidance ensures that this clause captures compliance with guidance issued by relevant bodies.]

21.2 The Provider must complete and publish an annual information governance assessment and must demonstrate satisfactory compliance as defined in the NHS Information Governance Toolkit (or any successor framework), as applicable to the Services and the Provider's ~~organisational~~organisation type.

21.3 The Provider must:

21.3.1 nominate an Information Governance Lead;

21.3.2 nominate a Caldicott Guardian and Senior Information Risk Owner, each of whom must be a member of the Provider's Governing Body;

21.3.3 nominate a Data Protection Officer;

21.3.4 ensure that the Co-ordinating Commissioner is kept informed at all times of the identities and contact details of the Information Governance Lead, Data Protection Officer, Caldicott Guardian and the Senior Information Risk Owner; and

21.3.45 ensure that NHS England and NHS Digital are kept informed at all times of the identities and contact details of the Information Governance Lead, Data Protection Officer, Caldicott Guardian and the Senior Information Risk Owner via the NHS Information Governance Toolkit (or any successor framework).

[Drafting Note: Under the GDPR data controllers are required to appoint a data protection officer (DPO) in some circumstances. This includes where a data controller's core activities involve processing personal data about health on a large scale (see Article 37). It is therefore very likely that Providers will have to appoint a DPO. This clause is included to remove any doubt. Guidance on DPOs has been issued by the Information Governance Alliance (IGA) [click here](#) and the Article 29 Working Party [click here](#). (The Working Party is a committee of the UK ICO and her equivalents across the EU.) Care needs to be taken regarding possible conflicts that the DPO might have with their other (non-DPO) duties.]

21.4 The Provider must adopt and implement the National Data Guardian's Data Security Standards and must comply with further Guidance issued by the Department of Health, NHS England and/or NHS Digital pursuant to or in connection with Standards. The Provider must be able to demonstrate its compliance with those Standards in accordance with the requirements and timescales set out in such Guidance, including requirements for enabling patient choice.

21.5 The Provider must, at least once in each Contract Year, audit its practices against quality statements regarding data sharing set out in NICE Clinical Guideline 138.

21.6 The Provider must ensure that its NHS Information Governance Toolkit (or any successor framework) submission is audited in accordance with Information Governance Audit Guidance where applicable. The Provider must inform the Co-ordinating ~~commissioner~~Commissioner of the results of each audit and publish the audit report both within the NHS Information Governance Toolkit (or any successor framework) and on its website.

21.7 The Provider must report and publish any Data Breach and any Information Governance Breach in accordance with IG Guidance for Serious Incidents. If the Provider is required under Data Protection Legislation to notify the Information Commissioner or a Data Subject of a Personal Data Breach then as soon as reasonably practical and in any event on or before the first such notification is made the Provider must inform the Co-ordinating Commissioner of the Personal Data Breach.

[Drafting Note: Under the GDPR there is a new requirement to inform the Information Commissioner of data security breaches in some circumstances (article 33). In some cases individuals will also need to be informed

(article 34). We have taken the view that in these circumstances the Co-ordinating Commissioner should be told of the notification, as they are likely to need to respond to queries.]

Data Protection

21.8 The Provider must have in place a communications strategy and implementation plan to ensure that Service Users are provided with, or have made readily available to them, ~~the information specified in paragraph 2(3) of Part II of Schedule 1 DPA (“fair processing information” or “privacy notices”)~~ Privacy Notices, and ~~for the dissemination of to disseminate~~ nationally-produced patient information materials. Any failure by the Provider to inform Service Users as required by Data Protection Legislation or Data Guidance about the uses of Personal Data that may take place under this Contract cannot be relied on by the Provider as evidence that such use is unlawful and therefore not contractually required.

~~21.9 The Parties acknowledge that:~~

~~21.9.1 in relation to Personal Data processed by the Provider for the purpose of delivering the Services the Provider will be sole Data Controller; and~~

~~21.9.2 in relation to Personal Data, the processing of which is required by a Commissioner for the purposes of quality assurance, performance management and contract management, that Commissioner and the Provider will be joint Data Controllers.~~

[Drafting Note: This clause has been updated to (i) reflect the updated legislation and (ii) make clear that a provider cannot maintain that data sharing is unlawful because the provider has not informed the data subjects about it as set out in articles 12, 13 and 14.]

~~21.9 Whether or not a Party or Sub-Contractor is a Data Controller or Data Processor will be determined in accordance with Data Protection Legislation and the ICO Guidance on Data Controllers and Data Processors and any further Data Guidance from a Regulatory or Supervisory Body. The Parties acknowledge that a Party or Sub-Contractor may act as both a Data Controller and a Data Processor. The Parties have indicated in the Particulars whether they consider the Provider to be a Data Processor.~~

21.10 The Provider must ensure that all Personal Data processed by or on behalf of the Provider in the course of delivering the Services is processed in accordance with the relevant Parties' obligations under the DPA, Data Protection Legislation and the Data Guidance.

21.11 In relation to Personal Data processed by the Provider in the course of delivering the Services, the Provider must publish, maintain and operate:

21.11.1 policies relating to confidentiality, data protection and information disclosures that comply with the Law, the Caldicott Principles and Good Practice;

21.11.2 policies that describe the personal responsibilities of Staff for handling Personal Data;

21.11.3 a policy that supports the Provider's obligations under the NHS Care Records Guarantee;

21.11.4 agreed protocols to govern the sharing of Personal Data with partner organisations; and

21.11.5 where appropriate, a system and a policy in relation to the recording of any telephone calls or other telehealth consultations in relation to the Services, including the retention and disposal of those recordings,

and apply those policies and protocols conscientiously.

21.12 Where a Commissioner requires information for the purposes of quality management of care processes, the Provider must consider whether the Commissioner's request can be met by providing anonymised or

aggregated data which does not contain Personal Data. Where Personal Data must be shared in order to meet the requirements of the Commissioner, the Provider must:

21.12.1 provide such information in pseudonymised form where possible; and in any event

21.12.2 ensure that there is a ~~lawful~~legal basis for the sharing of Personal Data.

[Drafting Note: In the GDPR reference is made to the "legal basis" for processing personal data rather than the "lawful basis" see e.g. article 13(1)(c).]

21.13 Notwithstanding GC21.12, the Provider must (unless it can lawfully justify non-disclosure) disclose defined or specified confidential patient information to or at the request of the Co-ordinating Commissioner where support has been provided under the Section 251 Regulations, respecting any individual Service User's objections and complying with other conditions of the relevant approval.

Responsibilities when engaging Sub-Contractors

21.14 Subject always to GC12 (*Assignment and Sub-Contracting*), if the Provider is to engage any Sub-Contractor to deliver any part of the Services (other than as a Data Processor) and the Sub-contractor is to access personal or confidential information or interact with Service Users, the Provider must impose on its Sub-Contractor obligations that are no less onerous than the obligations imposed on the Provider by this GC21.

21.15 Without prejudice to GC12 (*Assignment and Sub-Contracting*), if the Provider is to require any Sub-Contractor to ~~process Personal~~act as a Data Processor on its behalf, the Provider must:

[Drafting note: This amendment has been made to make clear that these requirements apply to data processors (the GDPR requires that the clauses listed below are included in data processing agreements – see article 28).]

21.15.1 require that Sub-Contractor to provide sufficient guarantees in respect of its technical and organisational security measures governing the data processing to be carried out, and take reasonable steps to ensure compliance with those measures;

21.15.2 ~~as far as practicable include in the terms of the sub-contract terms equivalent to those set out in Schedule 6F (Provider Data Processor Agreement) and in any event~~ ensure that the Sub-Contractor is engaged under the terms of a binding written agreement requiring the Sub-Contractor to:

~~21.15.2.1 process such personal data only in accordance with the Provider's instructions;~~

21.15.2.1 process Personal Data only in accordance with the Provider's instructions set out in the written agreement, including instructions regarding transfers of Personal Data outside the EU or to an international organisation unless such transfer is required by Law, in which case the Data Processor shall inform the Provider of that requirement before processing takes place, unless this is prohibited by law on the grounds of public interest;

21.15.2.2 ensure that persons authorised to process the personal data on behalf of the Sub-Contractor have committed themselves to confidentiality or are under appropriate statutory obligations of confidentiality;

21.15.2.3 comply at all times with obligations equivalent to those imposed on the Provider by virtue of the Seventh Data Protection Principle; ~~or for so long as the DPA 1998 remains in force~~ and after that time with those obligations set out at Article 32 of the GDPR and equivalent provisions implemented into Law by DPA 2018;

21.15.2.4 impose obligations the same as set out in this clause GC21.15.2 on any Sub-processor appointed by the Sub-Contractor;

21.15.2.5 taking into account the nature of the processing, assist the Provider by taking appropriate technical and organisational measures, insofar as this is possible, for the fulfilment of the Provider's obligation to respond to requests for exercising rights granted to individuals by Data Protection Legislation;

21.15.2.6 assist the Provider in ensuring compliance with the obligations set out at Article 32 to 36 of the GDPR and equivalent provisions implemented into Law, taking into account the nature of processing and the information available to the Sub-Contractor;

21.15.2.7 at the choice of the Provider, delete or return all Personal Data to the Provider after the end of the provision of services relating to processing, and delete existing copies unless the Law requires storage of the Personal Data;

21.15.2.8 create and maintain a record of all categories of data processing activities carried out under this Contract, containing:

21.15.2.8.1 the name and contact details of Data Protection Officer;

21.15.2.8.2 the categories of processing carried out on behalf of the Provider;

21.15.2.8.3 where applicable, transfers of Personal Data to a third country or an international organisation, including the identification of that third country or international organisation and, where relevant, the documentation of suitable safeguards;

21.15.2.8.4 a general description of the technical and organisation security measures taken to ensure the security and integrity of the Personal Data processed under this Contract.

[Drafting note: Clause 21.15.2.8 is not included in the draft data processing clauses in the PPN. However, at paragraph 20(ii) the PPN does require contracts with data processors to include a clause requiring the processor to maintain records of processing. This requirement is imposed directly on data processors by article 30(5). There is a carve out for companies with fewer than 250 staff but this does not apply if the processing includes personal data about health.]

21.15.2.9 guarantee that it has technical and organisational measures in place that are sufficient to ensure that the processing complies with Data Protection Legislation and ensures that the rights of Data Subject are protected.

[Drafting note: Clause 21.15.1.9 is not included in the draft data processing clauses in the PPN. However, at paragraph 20(iii) the PPN does require that only processors who provide sufficient guarantees about the measures they have in place for security and the protection of data subject rights are appointed.]

21.15.2.10 allow rights of audit and inspection in respect of relevant data handling systems to the Provider or to the Co-ordinating Commissioner or to any person authorised by the Provider or by the Co-ordinating Commissioner to act on its behalf; ~~and~~

21.15.2.11 impose on its own Sub-Contractors (in the event the Sub-Contractor further sub-contracts any of its obligations under the Sub-Contract) obligations that are substantially equivalent to the obligations imposed on the Sub-Contractor by this GC21.15.; ~~and~~

21.15.2.12 carry out and record appropriate due diligence before the Sub-Contractor processes any Personal Data in order to demonstrate compliance with Data Protection Legislation.

[Drafting note: The PPN contains guidance on due diligence/ procurement (see Annex B).]

21.16 The agreement required by GC21.15 must also set out:

21.16.1 the subject matter of the processing;

21.16.2 the duration of the processing;

21.16.3 the nature and purposes of the processing;

21.16.4 the type of personal data processed;

21.16.5 the categories of data subjects; and

21.16.6 the plan for return and destruction of the data once processing is complete unless the Law requires that the data is preserved

The Provider as a Data Processor

~~21.17~~ Notwithstanding GC21.9, where Where the Provider, in the course of delivering the Services, acts as a Data Processor on behalf of a Commissioner, ~~the provisions of Schedule 6F (Provider must: Data Processing Agreement) will apply.~~

~~21.15.3 process relevant Personal Data only to the extent necessary to perform its obligations under this Contract, and only in accordance with instructions given by the Commissioner;~~

~~21.15.4 take appropriate technical and organisational measures against any unauthorised or unlawful processing of that Personal Data, and against the accidental loss or destruction of or damage to such Personal Data having regard to the state of technological development, the nature of the data to be protected and the harm that might result from such unauthorised or unlawful processing or accidental loss, destruction or damage;~~

~~21.15.5 take reasonable steps to ensure the reliability of Staff who will have access to Personal Data, and ensure that those Staff are aware of and trained in the policies and procedures identified in GC21.11; and~~

~~21.15.6~~ 21.15.3 ~~not cause or allow Personal Data to be transferred outside the European Economic Area without the prior consent of the Commissioner.~~

[Drafting note: If the Provider is acting as a data processor (either under an existing contract or a new one) then under the proposed changes the terms of the new Schedule 6F must be incorporated into that data processing agreement. We have adopted a more flexible approach for sub-contractors, as these may be large IT suppliers who will not adapt their standard terms.]

DEFINITIONS AND INTERPRETATION

[Drafting Note: We have taken the view that any terms that refer to the DPA 1998 should be updated to refer to the new legislation. In some cases we have amended those definitions to ensure a better fit with this contract. In particular, in the PPN many terms are defined by reference to the GDPR.
