

FIFTEEN STEPS FOR MATERNITY

A relative of a service user in a workshop once said:

“

I can tell what kind of care my daughter is going to get within **15 steps** of walking on to the ward.

”

We are keen to know whether our maternity settings and the care we provide feels...

Welcoming & Informative?
Friendly & Personal?

Safe & Clean?
Organised & Calm?

YOU MAY SEE A SMALL TEAM IN OUR MATERNITY SETTINGS WHO ARE REVIEWING THE SPACE AND CARE WE PROVIDE USING THE 15 STEPS FOR MATERNITY TOOLKIT.
