62. The restorations referred to in clause 61 are any filling, root filling, inlay, porcelain veneer or crown provided by the Contractor to a patient in the course of providing services under the Contract, which within the relevant period has to be repaired or replaced to secure oral health and is a *banded course of treatment* for the purposes of calculating the number of *units of dental activity*.

82. Where a *banded course of treatment* is commenced but not *completed* for whatever reason, the appropriate number of *units of dental activity* provided shall be calculated on the basis of the components of the *course of the treatment* which has been-

September of that *financial year* based on the data provided to it by virtue of clauses 221 and 222.

90. Where the Board determines under clause 89 that the Contractor has, between 1st April and 30th September, provided less than 30 per cent of the total number of *units of dental activity* that it is required to provide in that *financial year*, clause 91 shall apply.

91. Where this clause applies, the Board may—

91.1. notify the Contractor that it is concerned about the level of activity provided under the Contract in the first half of the *financial year*, setting out—

91.1.1. the number of *units of dental activity* that it has determined that the Contractor has provided, and

91.1.2. the percentage of the total number of *units of dental activity* required to be provided during the *financial year* that the number in clause 91.1.1 represents; and

91.2. require in that notification that the Contractor participate in a mid-year review of its performance in relation to the Contract with the Board.

92. Where a mid-year review is required by the Board pursuant to clause 91, the Board and the Contractor shall discuss at that review—

92.2. any reasons that the Contractor puts forward for the level of activity in the first half of the *financial year*.

93. The Board shall prepare a draft record of the mid-year review for comment by the Contractor and, having regard to such comments, shall produce a final written record of the review.

94. A copy of the final record of the mid-year review shall be sent to the Contractor.

Where, following the mid-year review and the provision of the final record of that review to the Contractor, the Board, having taken account of any evidence or reasons put forward by the Contractor at that review, nevertheless has serious concerns that the Contractor is unlikely to provide the number of *units of dental activity* that it is required to provide by the end of the *financial year*, the Board shall be entitled to take either or both of the steps specified in clause 97.

97. The Board may—

97.1. require the Contractor to comply with a written plan drawn up by the Board to ensure that the level of activity during the remainder of the *financial year* is such that the Contractor will provide the number of *units of dental activity* it is required to provide; or

99. Nothing in clauses 96 to 98 shall prevent the Board and the Contractor agreeing to vary the Contract in accordance with clause 287 to adjust—
- 99.1. the level of activity to be provided under the Contract; or
- 99.2. the monies to be paid by the Board to the Contractor under the Contract.
100. Where the Board withholds monies pursuant to clause 97.2, it shall ensure that it pays the withheld monies to the Contractor as soon as possible following the end of the *financial year* where the Contractor has—
- 100.1. provided the number of *units of dental activity* required to be provided; or
- 100.2. failed to provide that number of *units of dental activity*, but that failure amounts to 4 per cent or less of the total number of *units of dental activity* that ought to have been provided during that *financial year* (and therefore clauses 83 to 85 apply).

unless the Contractor is of the opinion, and has reasonable grounds for its opinion, that *orthodontic treatment* should be provided to a person who does not have such a treatment need by virtue of the exceptional circumstances of the dental and oral condition of the person concerned.

Orthodontic course of treatment

145. Subject to clause 146, the Contractor shall provide *orthodontic services* to a patient by providing to that patient an *orthodontic course of treatment*.

Orthodontic treatment plans

151. Where the Contractor has, following a *case assessment*, determined that *orthodontic treatment* should be provided to a patient, it shall, at the time of that *case assessment*, ensure that the patient is provided with an *orthodontic treatment* plan on a form supplied for that purpose by the Board which shall specify—

151.1. the name of the patient;

151.2. the name of the Contractor;

151.3. particulars of the places where the patient will receive *orthodontic treatment*;

151.4. the telephone number at which the Contractor may be contacted during *normal surgery hours*;

OFFICIAL

- 151.5. details of the *orthodontic treatment* which is, at the date of the examination, considered necessary to secure the oral health of the patient;
- 151.6. the *NHS charge*, if any, in respect of those services if provided pursuant to the Contract; and
- 151.7. subject to clauses 58 to 60, any proposals the Contractor may have for *private services* as an alternative to the services proposed under the Contract, including particulars of the cost to the patient if he were to accept the provision of *private services*.
152. If the patient, having considered the treatment plan provided pursuant to clause 151, decides to accept the provision of *private services* in place of *orthodontic services* under the Contract, the Contractor shall ensure that the patient signs the treatment plan in the appropriate place to indicate that he has understood the nature of *private services* to be provided, and his acceptance of those *private services*.
153. Where, for clinical reasons, the services included in the *orthodontic treatment* plan under clause 151 need to be varied, the Contractor shall provide the patient with a revised *orthodontic treatment* plan in accordance with that clause.
154. Subject to clauses 148 and 149, the Contractor shall provide the *orthodontic services* which are detailed in the *orthodontic treatment* plan provided pursuant to clause 151 or, where the *orthodontic treatment* plan is revised, pursuant to the revised *orthodontic treatment* plan.

Monitoring outcomes

155. The Contractor shall monitor, in accordance with clauses 156 to 160, the outcome of the *orthodontic treatment* it provides.

OFFICIAL

156. The Contractor shall, in respect of *orthodontic courses of treatment* it provides in which *orthodontic treatment* is provided following the *case assessment*, monitor the outcome of that *orthodontic treatment* in accordance with clause 157.

157. The Contractor shall, in respect of—

157.1. where the total number of *orthodontic courses of treatment* provided is 20 or fewer, all the cases of *orthodontic courses of treatment* it provides; or

157.2. where the total number of *orthodontic courses of treatment* provided is greater than 20 –

(i) 20 of the cases and

(ii) in addition, 10 per cent of the number of cases over 20,

monitor the outcome of that *orthodontic treatment* in accordance with “Methods to determine outcome of *orthodontic treatment* in terms of improvement and standards” (see the European Journal of Orthodontics 14, p125-139, 1992 Richmond S., Shaw W.C., Anderson M. and Roberts C.T. - the article is also available at www.dh.gov.uk).

158. The following time period is specified as the relevant time period for calculating the number of *orthodontic courses of treatment* that need to be monitored in accordance with clause 157: [*the parties need to specify here the time period during which the outcomes need to be monitored which may, if the parties so agree, link to the financial year to match the time period during which the obligation to provide units of orthodontic activity relates*].

159. As part of its monitoring of the outcome of *orthodontic treatment*, the Contractor shall, in respect of the patients whose courses of treatment are monitored for the purposes of clause 158, calculate a Peer Assessment Rating of the patient’s study casts—

159.1. taken at or after the *case assessment* but prior to the commencement of *orthodontic treatment*; and

159.2. taken at the completion of the *orthodontic course of treatment*,

using either the Clinical Outcome Monitoring Program software (See Clinical Outcome Monitoring Program – Version 3.1 for Windows 98, XP and 2000. See also Weerakone S and Dhopatkar “A: Clinical Outcome Monitoring Program (COMP): a new application for use in orthodontic audits and research”, American Journal of Orthodontics and Dentofacial Orthopaedics 2003;123:503-511) or by applying the methodology set out in “*An introduction to Occlusal Indices*” (see Richmond, O’Brien, Buchanan and Burden, 1992, Victoria, University of Manchester, ISBN 1-898922-00-4).

160. In clause 159, “Peer Assessment Rating” means an index of treatment standards in which individual scores for the components of alignment and occlusion are summed to calculate an overall score comparing pre- and post-treatment. A description of this methodology can be found in the European Journal of Orthodontics 14, p180-187, 1992, Richmond S, Shaw WC, Roberts CT and Andrews M: “Methods to determine the outcome of orthodontic treatment in terms of improvement and standards”.

Completion of orthodontic courses of treatment

161. The Contractor shall indicate on the form supplied to the Board pursuant to clauses 221 and 222 whether or not the *orthodontic course of treatment* was *completed*.

162. If the Board requests in writing that the Contractor provides reasons for the failure to *complete* one or more *orthodontic courses of treatment*, the Contractor shall, within such time period as the Board may specify, provide the reason or reasons for the failure to *complete* that *course of treatment* or those *courses of treatment*.

163. If the Board—

163.1. determines that the number of *orthodontic courses of treatment* provided by the Contractor which have not being *completed* is excessive; and

163.2. does not consider that the reasons given by the Contractor for the failure to *complete* the *orthodontic courses of treatment* are satisfactory,

it shall be entitled to exercise its powers under clauses 329 to 336 on the grounds that the Contractor is not, pursuant to clause 147, using its best endeavours to ensure *orthodontic courses of treatment* are *completed*.

Referral services⁵⁶

164. If the Contractor provides *advanced mandatory services, domiciliary services* or *sedation services* as a *referral service*, it shall, at the time of the first examination of the patient, ensure that the patient is provided with a *referral treatment plan* on a form supplied for that purpose by the Board which shall specify—

164.1. the name of the patient;

164.2. the name of the Contractor;

164.3. the particulars of the places where the patient will receive the *referral service* to be provided to him by the Contractor;

164.4. the telephone number at which the Contractor may be contacted during its *normal surgery hours*;

⁵⁶ Clauses 164 to 167 need to be included if the Contractor is providing any one or more of *advanced mandatory services, domiciliary services* or *advanced mandatory services*.

OFFICIAL

164.5. details of the services which are at the date of that examination considered to be necessary for the Contractor to provide having regard to the reason for the referral; and

164.6. any proposals the Contractor may have for *private* services as an alternative to the services proposed under the Contract, including particulars of the cost to the patient if he were to accept the provision of *private* services.

164A. If the patient, having considered the *referral treatment plan* provided in accordance with clause 164, decides to accept the provision of *private* services in place of all or part of services under the Contract, the Contractor shall ensure that the patient signs that plan in the appropriate place to indicate that he has understood the nature of the *private* services to be provided and his acceptance of those *private* services.

165. Where the services included in the *referral treatment plan* need to be varied for clinical reasons, the Contractor shall provide the patient with a revised *referral treatment plan* in accordance with clause 164.

166. The Contractor shall, subject to the termination of the Contract or being unable to *complete a course of treatment* in accordance with clause 45, provide the services which are detailed in the *referral treatment plan*, or where a revised treatment plan is provided pursuant to clause 165, pursuant to that revised treatment plan.

167. Clauses 164 to 166 shall not apply where a patient has been referred to the Contractor for *advanced mandatory services* limited only to examination and advice, and the Contractor only provides examination and advice in respect of that patient.

- 326.1. until a period of at least three months has elapsed since the date of the dismissal of the person concerned; or

OFFICIAL

326.2. if, during the period of time specified in clause 326.1, the person concerned brings proceedings in any competent tribunal or court in respect of his dismissal, until proceedings before that tribunal or court are concluded,

and the Board may only terminate the Contract at the end of the period specified in clause 326.2 if there is no finding of unfair dismissal at the end of those proceedings.

327. The Board shall not terminate the Contract pursuant to clause 324.6 where the Board is satisfied that the conviction does not make the person unsuitable to be—

327.1. a contractor;

327.2. a partner, if the Contract is with two or more individuals practising in partnership;

327.3. if the Contract is with a *dental corporation*, a director, chief executive or secretary of the corporation; or

327.4. if the Contract is with a limited liability partnership, a member of that limited liability partnership.

Termination by the Board: patient safety and material financial loss

328. The Board may serve notice in writing on the Contractor terminating the Contract forthwith or with effect from such date as may be specified in the notice if—

328.1. the Contractor has breached the Contract and as a result of that breach, the safety of the Contractor's patients is at serious risk if the Contract is not terminated; or

OFFICIAL

328.2. the Contractor's financial situation is such that the Board considers that the Board is at risk of material financial loss.

Termination by the Board: remedial notices and breach notices

329. Where the Contractor has breached the Contract other than as specified in clauses 322 to 328 and the breach is capable of remedy, the Board shall, before taking any action it is otherwise entitled to take by virtue of the Contract, serve a notice on the Contractor requiring it to remedy the breach ("remedial notice").

330. A remedial notice shall specify—

330.1. details of the breach;

330.2. the steps the Contractor must take to the satisfaction of the Board in order to remedy the breach; and

330.3. the period during which the steps must be taken ("the notice period").

331.2. protect itself from material financial loss,

be no less than 28 days from the date that notice is given.

332. Where the Board is satisfied that the Contractor has not taken the required steps to remedy the breach by the end of the notice period, the Board may terminate the Contract with effect from such date as the Board may specify in a further notice to the Contractor.

OFFICIAL

333. Where the Contractor has breached the Contract other than as specified in clauses 322 to 328 and the breach is not capable of remedy, the Board may serve notice on the Contractor requiring the Contractor not to repeat the breach ("breach notice").

334.1. repeats the breach that was the subject of the breach notice or the remedial notice; or

334.2. otherwise breaches the Contract resulting in either a remedial notice or a further breach notice,

the Board may serve notice on the Contractor terminating the Contract with effect from such date as may be specified in that notice.

335. The Board shall not exercise its right to terminate the Contract under clause 334 unless it is satisfied that the cumulative effect of the breaches is such that the Board considers that to allow the Contract to continue would be prejudicial to the efficiency of the services to be provided under the Contract.

336. If the Contractor is in breach of any obligation and a breach notice or a remedial notice in respect of that breach has been given to the Contractor, the Board may withhold or deduct monies which would otherwise be payable under the Contract in respect of that obligation which is the subject of the breach.

Termination by the Board: additional provisions specific to contracts with [two or more individuals practising in partnership] [dental corporations] [limited liability partnerships]⁸³

⁸³ The heading to the clauses should be adjusted according to whether the Contract is with a *dental corporation*, two or more individuals practising in partnership or a limited liability partnership. 337.1. the Board shall be entitled to give notice to the Contractor requiring that it ceases carrying on that business before the end of a period of not less than 28 days beginning on the day on which the notice is given ("the notice period"); and

337.2. if the Contractor has not satisfied the Board that it has ceased carrying on that business by the end of the notice period, the Board may, by a further written notice, terminate the Contract forthwith or from such date as may be specified in the notice.

338. Where the Contractor is a *dental corporation* and on or after the coming into force for all purposes of article 39 of the *Dentists Act Order* during the existence of the Contract—

the Board may, by written notice, terminate the Contract if it considers that as a consequence the *dental corporation* is no longer suitable to be a contractor.

OFFICIAL

339. Where the Contractor is two or more persons practising in partnership, the Board shall be entitled to terminate the Contract by notice in writing on such date as may be specified in that notice where one or more partners have left the *practice* during the existence of the Contract if in its reasonable opinion, the Board considers that the change in membership of the partnership is likely to have a serious adverse impact on the ability of the Contractor or the Board to perform its obligations under the Contract.

340. A notice given to the Contractor pursuant to clause 339 shall specify—

340.1. the date upon which the Contract is to be terminated; and

340.2. the Board's reasons for considering that the change in the membership of the partnership is likely to have a serious adverse impact on the ability of the Contractor or the Board to perform its obligations under the Contract.

340A. Where the Contractor is a limited liability partnership, the Board shall be entitled to terminate the Contract by notice in writing on such date as may be specified in that notice where one or more members have left the *practice* during the existence of the Contract if, in its reasonable opinion, the Board considers that the change in membership of the limited liability partnership is likely to have a serious adverse impact on the ability of the Contractor or the Board to perform its obligations under the Contract.

340B. A notice is given to the Contractor pursuant to clause 340A shall specify-

340B.1. the date upon which the Contract is to be terminated; and

340B.2. the Board's reasons for considering that the change in the membership of the limited liability partnership is likely to have a serious adverse impact on the ability of the Contractor or the Board to perform its obligations under the Contract.

Contract sanctions

341. In clauses 342 to 350, "contract sanction" means—

341.1. termination of specified reciprocal obligations under the Contract;

341.2. suspension of specified reciprocal obligations under the Contract for a period of up to six months; or

341.3. withholding or deducting monies otherwise payable under the Contract.

342. Where the Board is entitled to terminate the Contract pursuant to clauses 322 to 328, 332, 334 or 337 to 340, it may instead impose any of the contract sanctions if the Board is reasonably satisfied that the contract sanction to be imposed is appropriate and proportionate to the circumstances giving rise to the Board's entitlement to terminate the Contract.

343. The Board shall not, under clause 342, be entitled to impose any contract sanction that has the effect of terminating or suspending any obligation to provide, or any obligation that relates to, *mandatory services*.

344. If the Board decides to impose a contract sanction, it must notify the Contractor of the contract sanction that it proposes to impose, the date upon which that sanction will be imposed and provide in that notice an explanation of the effect of the imposition of that sanction.

345. Subject to clauses 347 to 350, the Board shall not impose the contract sanction until at least 28 days after it has served notice on the Contractor pursuant to clause 344 unless the Board is satisfied that it is necessary to do so in order to—

345.1. protect the safety of the Contractor's patients; or

345.2. protect itself from material financial loss.

346. Where the Board imposes a contract sanction, the Board shall be entitled to charge the Contractor the reasonable costs of additional administration that the Board has incurred in order to impose, or as a result of imposing, the contract sanction.

Contract sanctions and the NHS dispute resolution procedure

347. If there is a dispute between the Board and the Contractor in relation to a contract sanction that the Board is proposing to impose, the Board shall not, subject to clause 350, impose the proposed contract sanction except in the circumstances specified in clause 348.1 or 348.2.

348. If the Contractor refers the dispute relating to the contract sanction to the *NHS dispute resolution procedure* within 28 days beginning on the date on which the Board served notice on the Contractor in accordance with clause 344 (or such longer period as may be agreed in writing with the Board), and notifies the Board in writing that it has done so, the Board shall not impose the contract sanction unless—

348.1. there has been a determination of the dispute pursuant to paragraph 56 of Schedule 3 to *the Regulations* and that determination permits the Board to impose the contract sanction; or

348.2. the Contractor ceases to pursue the *NHS dispute resolution procedure*,

whichever is the sooner.

349. If the Contractor does not invoke the *NHS dispute resolution procedure* within the time specified in clause 348, the Board shall be entitled to impose the contract sanction forthwith.

350. If the Board is satisfied that it is necessary to impose the contract sanction before the *NHS dispute resolution procedure* is concluded in order to—

OFFICIAL

350.1.1. protect the safety of the Contractor's patients; or

350.1.2. protect itself from material financial loss,

the Board shall be entitled to impose the contract sanction forthwith, pending the outcome of that procedure.

Termination and the NHS dispute resolution procedure

351. Where the Board is entitled to serve written notice on the Contractor terminating the Contract pursuant to clauses 322 to 328, 332, 334 or 337 to 340, the Board shall, in the notice served on the Contractor pursuant to those provisions, specify a date on which the Contract terminates that is not less than 28 days after the date on which the Board has served that notice on the Contractor unless clause 352 applies.

352. This clause applies if the Board is satisfied that a period less than 28 days is necessary in order to—

352.1. protect the safety of the Contractor's patients; or

352.2. protect itself from material financial loss.

353. In a case falling within clause 351, where the exceptions in clause 352 do not apply, where the Contractor invokes the *NHS dispute resolution procedure* before the end of the period of notice referred to in clause 351, and it notifies the Board in writing that it has done so, the Contract shall not terminate at the end of the notice period but instead shall only terminate in the circumstances specified in clause 354.

354. The Contract shall only terminate if and when—

OFFICIAL

354.1. there has been a determination of the dispute pursuant to paragraph 56 of Schedule 3 to *the Regulations* and that determination permits the Board to terminate the Contract; or

354.2. the Contractor ceases to pursue the *NHS dispute resolution procedure*,

whichever is the sooner.

355. If the Board is satisfied that it is necessary to terminate the Contract before the *NHS dispute resolution procedure* is concluded in order to—

355.1. protect the safety of the Contractor's patients; or

355.2. protect itself from material financial loss,

clauses 353 and 354 shall not apply and the Board shall be entitled to confirm, by written notice to be served on the Contractor, that the Contract will nevertheless terminate at the end of the period of the notice it served pursuant to clause clauses 322 to 328, 332, 334 or 337 to 340.

Consequences of termination⁸⁴

356. The termination of the Contract, for whatever reason, is without prejudice to the accrued rights of either party under the Contract.

357. On the termination of the Contract for any reason, the Contractor shall-

357.1. subject to the requirements of this clause, cease performing any work or carrying out any obligations under the Contract;

⁸⁴ The parties are required to make suitable provision for arrangements on the termination of the Contract, including the consequences (whether financially or otherwise) of the Contract ending, subject to any specific requirements of *the Regulations*: regulation 23. Subject to this requirement, the parties could draft their own provisions dealing with the consequences of termination.

The Board shall serve the Contractor with written details of the reconciliation as soon as reasonably practicable, and in any event no later than four months after the termination of the Contract, in respect of all outstanding payments due to the contractor from the Board and any patient charges due to be paid by the contractor to the Board (pursuant to paragraph 11.19 of the General Dental Services Statement of Financial Entitlement).
360. If the Contractor disputes the accuracy of the reconciliation, the Contractor may refer the dispute to the *NHS dispute resolution procedure* in accordance with the terms of the Contract within 28 days beginning on the date on which the Board served the Contractor with written details of the reconciliation. The parties shall be bound by the determination of the dispute.

OFFICIAL

- 360A. Pursuant to paragraph 11.21 of the General Dental Services Statement of Financial Entitlement, if after 2 months of the reconciliation statement being produced by the Board the Contractor has not disputed the reconciliation statement, that reconciliation statement will be the amount either payable to the Contractor or recoverable from the Contractor, whether or not, if the reconciliation statement had been disputed, that would have led to an amended reconciliation.
361. Each party shall pay the other any monies due within three months of the date on which the Board served the Contractor with written details of the reconciliation, or the conclusion of the *NHS dispute resolution procedure*, as the case may be.
362. The obligations contained in clauses 357 to 361 shall continue to apply notwithstanding the termination of the Contract.

365.2. Part 20 (complaints);

365.3. Part 21 (dispute resolution procedures);

365.4. clauses 356 to 362 (consequences of termination); and

ENTIRE AGREEMENT⁸⁶

366. Subject to clause 200 and any variations made in accordance with Part 22, this Contract constitutes the entire agreement between the parties with respect to its subject matter.
367. The Contract supersedes any prior agreements, negotiations, promises, conditions or representations, whether written or oral, and the parties confirm that they did not enter into the Contract on the basis of any representations that are not expressly incorporated into the Contract. However, nothing in this Contract purports to exclude liability on the part of either party for fraudulent misrepresentation.

372.1. inform the other party in writing of such circumstances or events and of what obligation or duty they have delayed or prevented being performed; and

372.2. take all action within its power to comply with the terms of this Contract as fully and promptly as possible.

373. Unless the affected party takes such steps, clause 372 shall not have the effect of absolving it from its obligations under this Contract. For the avoidance of doubt, any actions or omissions of either party's personnel or any failures of either party's systems, procedures, premises or equipment shall not be deemed to be circumstances or events beyond the reasonable control of the relevant party for the purposes of this clause, unless the cause of failure was beyond reasonable control.

SEVERANCE⁹⁰

376. Subject to clauses 377 and 378, if any term of this Contract, other than a *mandatory term*, is held to be invalid, illegal or unenforceable by any court, tribunal or other competent authority, such term shall, to the extent required, be deemed to be deleted from this Contract and shall not affect the validity, lawfulness or enforceability of any other terms of the Contract.
377. If, in the reasonable opinion of either party, the effect of such a deletion is to undermine the purpose of the Contract or materially prejudice the position of either party, the parties shall negotiate in good faith in order to agree a suitable alternative term to replace the deleted term or a suitable amendment to the Contract.
378. If the parties are unable to reach agreement as to the suitable alternative term or amendment within a reasonable period of commencement of the negotiations, then the parties may refer the dispute for determination in accordance with the *NHS dispute resolution procedure* set out in clauses 279 to 285.
