Notice of Removal of Section 111 Additional Licence Condition

Trust:

Northern Lincolnshire and Goole NHS Foundation Trust ("the Trust")
Diana, Princess of Wales Hospital
Scartho Road
Grimsby
DN33 2BA

The following additional licence condition was imposed by NHS Improvement on Northern Lincolnshire and Goole NHS Foundation Trust ('the Trust') on 6 August 2013 in accordance with NHS Improvement's power under section 111 of the Health and Social Care Act 2012:

"Additional licence condition 1 – Additional governance requirements:

1. The licensee must ensure that it has in place –
 - (a) An effectively functioning board and board committees; and
 - (b) sufficient and effective board, management and clinical leadership capacity and capability to enable it to address successfully the issues specified in paragraph 4.
2. The issues referred to in paragraph 1 are the governance issues that have caused or contributed to, or are causing or contributing to, or will cause or contribute to, the breaches, or the risk of a breach, of the conditions of the Licensee's licence."

NHS England has decided it is appropriate to remove this additional licence condition, as from the date of this notice, for the following reasons:

The risk that the Licensee will fail to comply with its licence conditions has been satisfactorily reduced. There have been significant changes to the Board executives at the Trust and a new governance structure implemented.

Yours sincerely
