- (a) the board of directors and the council of governors of the corporation have approved:
 - (i) the use of such software for the purpose of counting votes in the relevant election, and
 - (ii) a policy governing the use of such software, and
- (b) the corporation and the returning officer are satisfied that the use of such software will produce an accurate result.

43. The count

43.1 The returning officer is to:

- (a) count and record the number of:
 - (i) ballot papers that have been returned; and
 - (ii) the number of internet voting records, telephone voting records and/or text voting records that have been created, and
- (b) count the votes according to the provisions in this Part of the rules and/or the provisions of any policy approved pursuant to rule 42.2(ii) where vote counting software is being used.

43.2 The returning officer, while counting and recording the number of ballot papers, internet voting records, telephone voting records and/or text voting records and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper or the voter ID number on an internet voting record, telephone voting record or text voting record.

43.3 The returning officer is to proceed continuously with counting the votes as far as is practicable.

STV44. Rejected ballot papers and rejected text voting records

STV44.1 Any ballot paper:

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the ballot paper shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

STV44.2 The returning officer is to endorse the word “rejected” on any ballot paper which under this rule is not to be counted.

STV44.3 Any text voting record:

- (a) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,
- (b) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (c) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the text voting record shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

STV44.4 The returning officer is to endorse the word “rejected” on any text voting record which under this rule is not to be counted.

STV44.5 The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of rule STV44.1 and the number of text voting records rejected by him or her under each of the subparagraphs

(a) to (c) of rule STV44.3.

FPP44. Rejected ballot papers and rejected text voting records

FPP44.1 Any ballot paper:

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which votes are given for more candidates than the voter is entitled to vote,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall, subject to rules FPP44.2 and FPP44.3, be rejected and not counted.

FPP44.2 Where the voter is entitled to vote for more than one candidate, a ballot paper is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

FPP44.3 A ballot paper on which a vote is marked:

- (a) elsewhere than in the proper place,
- (b) otherwise than by means of a clear mark,
- (c) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the paper is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

FPP44.4 The returning officer is to:

- (a) endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and
- (b) in the case of a ballot paper on which any vote is counted under rules FPP44.2 and

FPP 44.3 endorse the words “rejected in part” on the ballot paper and indicate which vote or votes have been counted.

FPP44.5 The returning officer is to draw up a statement showing the number of rejected ballot papers under the following headings:

- (a) does not bear proper features that have been incorporated into the ballot paper,
- (b) voting for more candidates than the voter is entitled to,
- (c) writing or mark by which voter could be identified, and
- (d) unmarked or rejected because of uncertainty,

and, where applicable, each heading must record the number of ballot papers rejected in *part*.

FPP44.6 Any text voting record:

- (a) on which votes are given for more candidates than the voter is entitled to vote,
- (b) on which anything is written or marked by which the voter can be identified except the voter ID number, or
- (c) which is unmarked or rejected because of uncertainty,

shall, subject to rules FPP44.7 and FPP44.8, be rejected and not counted.

FPP44.7 Where the voter is entitled to vote for more than one candidate, a text voting record is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

FPP44.8 A text voting record on which a vote is marked:

- (a) otherwise than by means of a clear mark,
- (b) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the text voting record is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

FPP44.9 The returning officer is to:

- (a) endorse the word “rejected” on any text voting record which under this rule is not to be counted, and
- (b) in the case of a text voting record on which any vote is counted under rules FPP44.7 and FPP 44.8, endorse the words “rejected in part” on the text voting record and indicate which vote or votes have been counted.

FPP44.10 The returning officer is to draw up a statement showing the number of rejected text voting records under the following headings:

- (a) voting for more candidates than the voter is entitled to,
- (b) writing or mark by which voter could be identified, and

and, where applicable, each heading must record the number of text voting records rejected in part.

STV45. First stage

STV45.1 The returning officer is to sort the ballot documents into parcels according to the candidates for whom the first preference votes are given.

STV45.2 The returning officer is to then count the number of first preference votes given on ballot documents for each candidate, and is to record those numbers.

STV45.3 The returning officer is to also ascertain and record the number of valid ballot documents.

STV46. The quota

STV46.1 The returning officer is to divide the number of valid ballot documents by a number exceeding by one the number of members to be elected.

STV46.2 The result, increased by one, of the division under rule STV46.1 (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).

STV46.3 At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in rules STV47.1 to STV47.3 has been complied with.

STV47. Transfer of votes

STV47.1 Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot documents on which first preference votes are given for that candidate into sub- parcels so that they are grouped:

- (a) according to next available preference given on those ballot documents for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

STV47.2 The returning officer is to count the number of ballot documents in each parcel referred to in rule STV47.1.

STV47.3 The returning officer is, in accordance with this rule and rule STV48, to transfer each sub-parcel of ballot documents referred to in rule STV47.1(a) to the candidate for whom the next available preference is given on those ballot documents.

STV47.4 The vote on each ballot document transferred under rule STV47.3 shall be at a value (“the transfer value”) which:

- (a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
- (b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot documents on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).

STV47.5 Where at the end of any stage of the count involving the transfer of ballot documents, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot documents in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped:

- (a) according to the next available preference given on those ballot documents for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

STV47.6 The returning officer is, in accordance with this rule and rule STV48, to transfer each sub- parcel of ballot documents referred to in rule STV47.5(a) to the candidate for whom the next available preference is given on those ballot documents.

STV47.7 The vote on each ballot document transferred under rule STV47.6 shall be at:

- (a) a transfer value calculated as set out in rule STV47.4(b), or
- (b) at the value at which that vote was received by the candidate from whom it is now being transferred, whichever is the less.

- STV47.8 Each transfer of a surplus constitutes a stage in the count.
- STV47.9 Subject to rule STV47.10, the returning officer shall proceed to transfer transferable ballot documents until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.
- STV47.10 Transferable ballot documents shall not be liable to be transferred where any surplus or surpluses which, at a particular stage of the count, have not already been transferred, are:
- (a) less than the difference between the total vote the credited to the continuing candidate, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.
 - (b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.
- STV47.11 This rule does not apply at an election where there is only one vacancy.

STV48. Supplementary provisions on transfer

- STV48.1 If, at any stage of the count, two or more candidates have surpluses, the transferable ballot documents of the candidate with the highest surplus shall be transferred first, and if:
- (a) The surpluses determined in respect of two or more candidates are equal, the transferable ballot documents of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and
 - (b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable ballot documents of the candidate on whom the lot falls shall be transferred first.
- STV48.2 The returning officer shall, on each transfer of transferable ballot documents under rule STV47:
- (a) record the total value of the votes transferred to each candidate,
 - (b) add that value to the previous total of votes recorded for each candidate and record the new total,
 - (c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
 - (d) compare:
 - (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.
- STV48.3 All ballot documents transferred under rule STV47 or STV49 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that ballot document or, as the case may be, all the ballot documents in that sub-parcel.
- STV48.4 Where a ballot document is so marked that it is unclear to the returning officer at any stage of the count under rule STV47 or STV49 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot document as a non-transferable vote; and votes on a ballot document shall be so treated where, for

example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

STV49. Exclusion of candidates

STV49.1 If:

- (a) all transferable ballot documents which under the provisions of rule STV47 (including that rule as applied by rule STV49.11) and this rule are required to be transferred, have been transferred, and
- (b) subject to rule STV50, one or more vacancies remain to be filled,

the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where rule STV49.12 applies, the candidates with the then lowest votes).

STV49.2 The returning officer shall sort all the ballot documents on which first preference votes are given for the candidate or candidates excluded under rule STV49.1 into two sub-parcels so that they are grouped as:

- (a) ballot documents on which a next available preference is given, and
- (b) ballot documents on which no such preference is given (thereby including ballot documents on which preferences are given only for candidates who are deemed to be elected or are excluded).

STV49.3 The returning officer shall, in accordance with this rule and rule STV48, transfer each sub- parcel of ballot documents referred to in rule STV49.2 to the candidate for whom the next available preference is given on those ballot documents.

STV49.4 The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

STV49.5 If, subject to rule STV50, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable ballot documents, if any, which had been transferred to any candidate excluded under rule STV49.1 into sub- parcels according to their transfer value.

STV49.6 The returning officer shall transfer those ballot documents in the sub-parcel of transferable ballot documents with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those ballot excluded).

STV49.7 The vote on each transferable ballot document transferred under rule STV49.6 shall be at the value at which that vote was received by the candidate excluded under rule STV49.1.

STV49.8 Any ballot documents on which no next available preferences have been expressed shall be set aside as non-transferable votes.

STV49.9 After the returning officer has completed the transfer of the ballot documents in the sub- parcel of ballot documents with the highest transfer value he or she shall proceed to transfer in the same way the sub-parcel of ballot documents with the next highest value and so on until they have dealt with each sub-parcel of a candidate excluded under rule STV49.1.

STV49.10 The returning officer shall after each stage of the count completed under this rule:

- (a) record:
 - (i) the total value of votes, or
 - (ii) the total transfer value of votes transferred to each candidate,
- (b) add that total to the previous total of votes recorded for each candidate and record the new total,
- (c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and
- (d) compare:
 - (i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.

STV49.11 If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with rules STV47.5 to STV47.10 and rule STV48.

STV49.12 Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.

STV49.13 If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest:

- (a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and
- (b) where the number of votes credited to those candidates was equal at all stages, the officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

STV50. Filling of last vacancies

STV50.1 Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

STV50.2 Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

STV50.3 Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

STV51. Order of election of candidates

STV51.1 The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule STV47.10.

- STV51.2 A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which they obtained the quota.
- STV51.3 Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.
- STV51.4 Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

FPP51. Equality of votes

- FPP51.1 Where, after the counting of votes is completed, an equality of votes is found to exist between any candidates and the addition of a vote would entitle any of those candidates to be declared elected, the returning officer is to decide between those candidates by a lot, and proceed as if the candidate on whom the lot falls had received an additional vote.

PART 7: FINAL PROCEEDINGS IN CONTESTED AND UNCONTESTED ELECTIONS

FPP52. Declaration of result for contested elections

- FPP52.1 In a contested election, when the result of the poll has been ascertained, the returning officer is to:

STV59.2 The ballot documents which have preferences recorded for the candidate who has died are to be sealed with the other counted ballot documents pursuant to rule 54.1(a).

1. INTRODUCTION

These Standing Orders form part of the Constitution of Sheffield Teaching Hospitals NHS Foundation Trust.

2. STATUTORY AND REGULATORY FRAMEWORK

2.1 Sheffield Teaching Hospitals NHS Foundation Trust is a statutory body that became a public benefit corporation on 1 July 2004 following authorisation as an NHS Foundation Trust by Monitor pursuant to the 2006 Act.

2.2 The principal places of business of the Trust are:

- a) Northern General Hospital, Herries Road, Sheffield, S5 7AU

- c) Charles Clifford Dental Hospital, Wellesley Road, Sheffield, S10 2SZ
- d) Weston Park Hospital, Whitham Road, Sheffield, S10 2SJ
- e) Jessop Wing, Tree Root Walk, Sheffield, S10 2SZ Hospital.

2.3 For administrative purposes, 8 Beech Hill Road, Sheffield, S10 2SB is recognised as the Trust Headquarters.

2.4 NHS Foundation Trusts are governed by Act of Parliament, (mainly the 2006 Act and the 2012 Act), by their constitutions and by the Licence granted by NHS Improvement (NHSI), (the Regulatory Framework).

2.5 The Regulatory Framework and specifically Paragraph 32 of the Trust's Constitution, requires the Board of Directors of the Trust to adopt Standing Orders for the regulation of its proceedings and business.

2.6 As a public benefit corporation the Trust has specific powers to contract in its own name and to act as a corporate trustee. In the latter role it is accountable to the Charity Commission for those funds deemed to be charitable. The Trust also has a common law duty as a bailee for patients' property held by the Trust on behalf of its patients.

3. INTERPRETATION

3.1 Save as otherwise permitted by law, at any meeting of the Board of Directors, the Chair of the Board of Directors shall be the final authority on the interpretation of these Standing Orders (on which he or she should be advised by the Assistant Chief Executive).

3.2 Unless a contrary intention is evident or the context requires otherwise, words or expressions contained in these Standing Orders shall bear the same meaning as in the Constitution.

4. THE BOARD OF DIRECTORS

4.1 All business shall be conducted in the name of the Trust.

4.2 In accordance with Monitor's *Code of Governance for NHS Foundation Trusts*, the Board of Directors has resolved that certain powers and decisions may only be exercised or made by the Board in formal session. These powers and decisions are set out in Scheme of Reservation of Powers to the Board and Delegation of Powers (including the Scheme of Delegation) and have effect as if incorporated into the Standing Orders but for the avoidance of doubt, the Scheme of Reservation of Powers to the Board and Delegation of Powers does not form part of these Standing Orders or the Constitution.

4.3.1 The composition of the Board of Directors, as set out in Paragraph 24 of the Constitution, shall comprise:

- a) a Non-Executive Chair
- b) 7 or more Non-Executive Directors
- c) Up to 7 Executive Directors including the Chief Executive (Accountable Officer); the Finance Director; a registered medical practitioner or registered dentist; and, a registered nurse or registered midwife.

4.3.2 In the event that the number of Non-Executive Directors (including the Chair) in attendance at a meeting of the Board of Directors is equal to the number of Executive Directors, the Chair (and in their absence the Vice-Chair) shall have a casting vote.

4.3.3 The validity of any act of the Trust is not affected by any vacancy among the Directors or any defect in the appointment of a Director.

4.4 Register of members of the Board of Directors

In accordance with Paragraph 35.4 of the Constitution the Trust shall keep and maintain a register of members of the Board of Directors which shall list the names of the Directors, their capacity on the Board of Directors and an address through which they can be contacted, which may be the Assistant Chief Executive.

4.5 Appointment of the Chair and Directors

4.5.1 The Chair and Non-Executive Directors are appointed, re-appointed and removed by the Council of Governors at a general meeting of the Council of Governors. The Council of Governors' Nominations and Remuneration Committee is responsible for recommending suitable candidates for Chair and Non-Executive Directors to the Council of Governors.

4.5.2 The Chief Executive is appointed and removed by the Board of Directors' Nomination and Remuneration Committee, (excluding the Chief Executive), subject to approval by the Council of Governors at a general meeting.

5.1.2 The public and representatives of the press shall be afforded facilities to attend the all public meetings of the Board of Directors but shall be required to withdraw upon the Board of Directors resolving as follows:

“That members of the public and representatives of the press be excluded from the remainder of this meeting having regard to the confidential nature of the business to be transacted, publicity on which would be prejudicial to the public interest.”

5.1.3 The exclusion of matters should comply with the Trust’s Freedom of Information Policy.

5.1.4 In the event that the public and representatives of the press are admitted to all or part of a Board of Directors meeting the Chair shall give such directions as they think fit in regard to the arrangements for meetings and accommodation of the public and representatives of the press such as to ensure that the Board of Directors’ business shall be conducted without interruption and disruption and the public will be required to withdraw upon the Board of Directors resolving as follows:

- 5.3.4** Lack of service of the notice on any Director shall not affect the validity of the meeting.

5.3.5 Failure to serve such a notice on more than 3 Directors will invalidate the meeting. A notice shall be presumed to have been served at the time at which the notice would be delivered in the ordinary course of the post.

5.4 Setting the Agenda

5.4.1 The Board of Directors may determine that certain matters shall appear on every agenda for a meeting of the Board of Directors and shall be addressed prior to any other business being conducted.

5.9.1 Notice of motion to amend or rescind any resolution (or general substance of any resolution) which has been passed within the preceding 6 calendar months shall bear the signature of the Director who gives it and also the signature of 4 other Directors. Before considering any such motion, the Board of Directors may refer the matter to any

appropriate Committee or to the Chief Executive for recommendation.

5.9.2 When any such motion has been disposed of by the Board of Directors, it shall not be competent for any Director other than the Chair to propose a motion to the same effect within 6 calendar months, however the Chair may do so if they consider it appropriate.

5.9.3 Paragraph 5.9 of these Standing Orders shall not apply to motions moved in pursuance of a report or recommendations of a Committee or the Chief Executive.

5.10 Motions

5.10.1 A motion may be proposed by the Chair of the meeting or any Director present. Such motion must be seconded by another Director.

- 5.13.1** Save as provided in Paragraphs 5.16 and 5.17 of these Standing Orders, every question put to a vote at a meeting of the Board of Directors shall be determined by a majority of the votes of the Directors present and voting on the question. In the case of an equal vote for and against a motion, the Chair of the meeting shall have a casting vote.
- 5.13.2** At the discretion of the Chair, all questions put to the vote shall be determined by oral expression or by a show of hands. A paper ballot may also be used if a majority of the Directors present so request.

5.15.2 Where an Executive Director post is shared jointly by more than one person:

- a) any or all of those persons may attend or take part in meetings of the Board of Directors;
- b) if more than one of those persons are present at a meeting they should cast one vote if they agree; and
- c) if more than one of those persons are present at a meeting and in the case of disagreements where no majority exists no vote shall be cast but where a majority view is held this should be the vote cast.

5.15.3 The presence of any or all of those persons shall count as one person for the purposes of quorum as set out in Paragraph 5.19 of these Standing Orders.

5.16 Suspension of Standing Orders

5.16.1 Except where this would contravene any statutory provision or any provision of the Constitution or its Licence or any direction by NHSI, any one or more of the Standing Orders may be suspended at any meeting, provided that at least two-thirds of the membership of the Board are present, (including one Executive Director and one Non-Executive Director), and that at least two-thirds of those present signify their agreement to such suspension.

5.19 Quorum

5.19.1 No business shall be transacted at a meeting of the Board of Directors unless at least one half of the membership of the Board is present including at least two Non-Executive Directors and two Executive Directors.

5.19.2 In accordance with Paragraph 5.13.7 of these Standing Orders, an employee in attendance for an Executive Director but without formal acting up status shall not count towards the quorum.

5.19.3 If a Director (including the Chair) has been disqualified from participating in the discussion on any matter and/or from voting on any resolution by reason of the declaration of conflict of interest they shall no longer count towards the quorum. If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business.

5.19.4 The requirement set out in Paragraph 5.19.1 of these Standing Orders for at least two Executive Directors to form part of the quorum shall not apply where the Executive Directors are excluded from the meeting (for example when the Board of Directors considers the recommendations of the Remuneration Committee).

6.2 Emergency Powers

The powers which the Board of Directors has retained to itself in accordance with Paragraph 4.2 of these Standing Orders may in emergency or for an urgent reason be exercised by the Chief Executive and the Chair after having consulted at least 2 Non-Executive Directors. The exercise of such powers by the Chief Executive and the Chair shall be reported to the next formal meeting of the Board of Directors in public session or private session, as appropriate, for ratification.

6.3 Delegation to Committees

The Board of Directors shall agree from time to time to the delegation of executive powers to be exercised by committees, sub-committees or joint committees, which it has formally constituted. The constitution and terms of reference of these committees, sub-committees

and joint committees and their specific executive powers shall be approved by the Board of Directors.

6.4 Delegation to Employees

- 6.4.1** Those functions of the Trust which have not been retained as reserved by the Board of Directors or delegated to a committee, sub-committee or joint committee shall be exercised on behalf of the Board of Directors by the Chief Executive. The Chief Executive shall determine which functions he or she will perform personally and shall nominate employees to undertake the remaining functions for which he or she will still retain accountability to the Board of Directors.
- 6.4.2** The Chief Executive shall prepare a Scheme of Delegation identifying their proposals which shall be considered and approved by the Board of Directors, subject to any amendment agreed during the discussion. The Chief Executive may periodically propose amendment to the Scheme of Delegation shall be considered and approved by the Board of Directors as indicated in Paragraph 6.4.1 of these Standing Orders.
- 6.4.3** Nothing in the Scheme of Delegation shall impair the discharge of direct accountability to the Board of Directors of the Executive Directors to provide information and advise the Board of Directors in accordance with the Regulatory Framework, any statutory provision and such direction as may be issued by NHSI.

7. COMMITTEES

7.1 Appointment of Committees

- 7.1.1** Subject to the Regulatory Framework and such guidance and best practice advice issued by NHSI, the Board of Directors may, and if directed by NHSI, shall appoint committees of the Board of Directors consisting wholly or partly of Directors of the Board of Directors.
- 7.1.2** A committee appointed under Paragraph 7.1.1 of these Standing Orders may, subject to the Regulatory Framework and such direction as may be issued by NHSI or by the Board of Directors, appoint sub-committees consisting wholly or partly of members of the committee (whether or not they include Directors) or wholly of persons who are not members of the committee (whether or not they include Directors).
- 7.2** These Standing Orders, as far as they are applicable, shall apply with appropriate alteration to meetings of any committees or sub-committee established by the Board of Directors. The term "Chair" is to be read as a reference to the Chair of the committee as the context permits and the term "member" is to be read as a reference to the member of the committee as the context permits. For the avoidance of doubt, there is no requirement to hold meetings of committees established by the Board of Directors in public.
- 7.3** Each such committee or sub-committee shall have such terms of reference and powers and be subject to such conditions (including reporting back to the Board of Directors), as the Board of Directors shall decide and shall be in accordance with the Regulatory Framework or such guidance and best practice advice issued by the NHSI. Such terms of reference shall have effect as if incorporated into the Standing Orders but for the avoidance of doubt, the terms of reference shall not form part of these Standing Orders or the Constitution.
- 7.4** Where committees are authorised to establish sub-committees or working groups, they may not delegate powers to the sub-committee or working group unless expressly authorised by the Board of Directors.

7.5 The Board of Directors shall approve the appointments to each of the committees which it has formally constituted. Where the Board of Directors determines, and regulations permit, that persons who are neither Directors nor employees shall be appointed to a committee, the terms of such an appointment shall be within the powers of the Board of Directors. The Board of Directors shall define the powers of such appointees and shall agree allowances, including reimbursement for loss of earnings, and/or expenses in accordance, where appropriate, with national guidance.

7.6 Where the Board of Directors is required to appoint persons to a committee and/or to undertake statutory functions, and where such appointments are to operate independently of the Board of Directors such appointment shall be made in accordance with the Regulatory Framework and such guidance and best practice or direction issued by NHSI.

7.7 The committees established by the Board of Directors are:

- a) Audit Committee
- b) Healthcare Governance Committee
- c) Finance and Performance Committee
- d) Human Resources and Organisational Development Committee
- e) Nominations and Remuneration Committee of the Board of Directors

7.8 Notwithstanding the provisions of Paragraph 7.7 of these Standing Orders, the Board of Directors may establish other committees from time to time at its discretion.

7.9 Confidentiality

7.9.1 A member of a committee established by the Board of Directors shall not disclose a matter dealt with, by, or brought before, the committee without its permission until the committee shall have reported to the Board of Directors or otherwise have concluded on that matter.

7.9.2 A Director of the Trust or a member of a committee shall not disclose any matter reported to the Board of Directors or otherwise dealt with the committee, notwithstanding that the matter has been reported or action has been concluded, if the Board of Directors or committee shall resolve that it is confidential.

8. DECLARATION OF INTEREST

8.1 The Regulatory Framework, including the Constitution, requires all Directors to declare any interests which are relevant and material to the business of the Board of Directors. All existing Directors should declare such interests and any Director appointed subsequently should do so on appointment.

8.2 Interests which should be regarded as “relevant and material” are as follows and are to be interpreted in accordance with the guidance or best practice advice issued by NHSI:

- a) directorships, including Non-Executive directorships held in private companies or public limited companies (with the exception of those of dormant companies);
- b) ownership or part-ownership or directorships of private companies, businesses or consultancies likely or possibly seeking to do business with the NHS or the Trust;

- c) majority or controlling share holdings in organisations likely or possibly seeking to do business with the NHS or the Trust;
- d) a position of authority or trust in a charity or voluntary organisation in the field of health and social care;
- e) any connection with a voluntary organisation or other organisation contracting or commissioning for NHS or Trust services;
- f) any connection with an organisation, entity or company considering entering into or having entered into a financial arrangement with the Trust, including but not limited to, lenders or banks;
- g) research / funding grants that may be received by an individual or their department;
- h) interests in pooled funds that are under separate management (any relevant company included in this fund that has a potential relationship with the Trust must be declared); and
- i) any other commercial interest in the decision before the meeting.

8.3 The declaration referred to in Paragraph 8.1 of these Standing Orders shall be made by completing a form, as prescribed by the Assistant Chief Executive from time to time, setting out any interests required to be declared outside a meeting in accordance with Paragraph 8.2 of these Standing Orders and delivered to the Assistant Chief Executive on appointment as a Director or as soon thereafter as the interest arises, but within 7 clear days of becoming aware of the existence of an interest.

8.4 At the time members of the Board of Directors interests are declared, they should be recorded in the minutes of the meeting of the Board of Directors. Any changes in interests should be declared at the next meeting of the Board of Directors following the change occurring and recorded in the minutes of that meeting.

8.5 In accordance with direction as may be issued by NHSI from time to time, the interests of Directors shall be published in the Trust's Annual Report and Accounts. The information should be kept up to date for inclusion in succeeding annual reports.

8.6 If a Director is present at a meeting of the Board of Directors and has an interest of any sort in any matter under consideration, they shall at the meeting and as soon as practicable after its commencement disclose the fact and withdraw from the meeting and play no part in the relevant discussion or decision. For the avoidance of doubt, this includes not voting on such an issue where a conflict is established. If there is a dispute as to whether a conflict of interest does exist, a majority vote will resolve the issue with the Chair having the casting vote.

8.7 There is no requirement for the interests of Directors' spouses or partners to be declared. However Paragraph 11.2 of these Standing Orders requires that the interests of Directors' spouses, if living together, in contracts should be declared. Therefore the interests of Directors' spouses and cohabiting partners should also be regarded as relevant.

8.8 If Directors have any doubt about the relevance of an interest, this should be discussed with the Chair or with the Assistant Chief Executive. Influence rather than the immediacy of the relationship is more important in assessing the relevance of an interest. The interests of partners in professional partnerships including general practitioners should also be considered.

9. BOARD OF DIRECTORS REGISTER OF INTERESTS

9.1 The Chief Executive shall ensure that a Register of Interests of the members of the Board of Directors is established and maintained by the Assistant Chief Executive to record formally declarations of interests of Directors. In particular the Register will include details of directorships and other relevant and material interests which have been declared by Directors as defined in Paragraph 8.2 of these Standing Orders.

9.2 The details will be kept up to date by means of an annual review of the Register of Interests, in which any changes to interests declared during the preceding twelve months will be incorporated.

9.3 The Register of Interests will be available to the public in accordance with the Paragraph 35.5 of the Constitution, and the Assistant Chief Executive will take reasonable steps to bring to local public attention the existence of the Register and arrangements for viewing it.

10. DISABILITY OF CHAIR AND DIRECTORS IN PROCEEDINGS ON ACCOUNT OF PECUNIARY INTEREST

10.5.1 of their membership of a company or other body, if he/she has no beneficial interest in any securities of that company or other body; or

- 10.5.2** of an interest in any company, body or person with which he/she is connected as mentioned in Paragraph 10.4 of these Standing Orders which is so remote or insignificant that it cannot reasonably be regarded as likely to influence a Director in the consideration or discussion of or in voting on, any question with respect to that contract or matter.
- 10.6** Where the Chair or a Director has:
- 10.6.1** an indirect pecuniary interest in a contract, proposed contract or other matter by reason only of a beneficial interest in securities of a company or other body; and
- 10.6.2** the total nominal value of those securities does not exceed £5,000 or one-hundredth of the total nominal value of the issued share capital of the company or body, whichever is the less; and
- 10.6.3** if the share capital is of more than one class, the total nominal value of shares of any one class in which he/she has a beneficial interest does not exceed one-hundredth of the total issued share capital of that class, this Standing Order shall not prohibit him or her from taking part in the consideration or discussion of the contract or other matter or from voting on any question with respect to it without prejudice however to their duty to disclose their interest.
- 10.7** Paragraph 10 of these Standing Orders applies to a committee or sub-committee and to a joint committee as it applies to the Board of Directors and applies to any member of such committee or sub-committee (whether or not they are also a Director) as it applies to a Director.

In the case of married persons, civil partners or persons living together as partners, the interest of one partner shall, if known to the other, be deemed to be also the interest of that partner.
- 11.2.2** A Director or employee shall also declare to the Chief Executive or Assistant Chief Executive any other employment or business or other relationship of their, or of a spouse, civil partner or cohabiting partner, that conflicts, or might reasonably be predicted could conflict with the interests of the Trust.
