Dear

## Request under the Freedom of Information Act 2000 (the "FOI Act")

I refer to your email of **11 August 2017** in which you requested an internal review of NHS Improvement's decision of 10 August 2017 in relation to your FOI request dated 18 July 2017 which was as follows:

"Please could you tell me whether NHS Improvement, or any organisation funded by it, has any links with any of the following organisations:

The Healthcare Leadership Academy Vopulus Limited Foster Lyle Limited

Or any organisation of which Dr Johann Malawanna is either a Director or Person with Significant Control.

If so, please could you provide information on the nature of the services received and any financial considerations made to the providers."

Specifically, you would like to know whether our response means that NHS Improvement has no record of any links with the Healthcare Leadership Academy or whether it means something else.

## Decision

To our knowledge, NHS Improvement has no record of links with the Healthcare Leadership Academy, or any other organisations mentioned in your request. Please note we have based our search on the assumption that you do not mean the NHS Leadership Academy.

## **Review rights**

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely,
