I refer to your email of 18 July 2017 in which you requested information under the FOI Act from NHS Improvement.

Your request

You made the following request:

Please could you tell me whether NHS Improvement, or any organisation funded by it, has any links with any of the following organisations:

*The Healthcare Leadership Academy

Foster Lyle Limited*

Or any organisation of which Dr Johann Malawanna is either a Director or Person with Significant Control.

If so, please could you provide information on the nature of the services received and any financial considerations made to the providers.

Decision

NHS Improvement does not hold the information that you have requested.

Review rights

If you consider that your request for information has not been properly handled or if you are otherwise dissatisfied with the outcome of your request, you can try to resolve this informally with the person who dealt with your request. If you remain dissatisfied, you may seek an internal review within NHS Improvement of the issue or the decision. A senior member of

NHS Improvement's staff, who has not previously been involved with your request, will undertake that review.

If you are dissatisfied with the outcome of any internal review, you may complain to the Information Commissioner for a decision on whether your request for information has been dealt with in accordance with the FOI Act.

A request for an internal review should be submitted in writing to FOI Request Reviews, NHS Improvement, Wellington House, 133-155 Waterloo Road, London SE1 8UG or by email to nhsi.foi@nhs.net.
