The Chair shall be authorised to make such arrangements as they consider appropriate for an investigation. No investigation shall be undertaken by the Trust that might reasonably foreseeably jeopardise or interfere with any investigation carried out by a third party who has primary responsibility for the investigation of the conduct, or alleged conduct, giving rise to the concern unless or until their investigation is complete.
- 4.4 Where an investigation (whether carried out by or on behalf of the Trust or a third party) identifies that a Governor has conducted themselves in such a way as to have failed to

The Chair and the Governor concerned shall seek to agree on a mutually acceptable independent assessor. If no agreement can be reached within 14 days of an individual being proposed, the Chair shall decide. The independent assessor shall be provided with terms of reference for the review, to be approved by the Chair, requiring the review principally to determine whether or not the proposal is reasonable.
- 4.9 Where it is proposed to remove a Governor from office (including following any review by an independent assessor) under paragraph 4.2, the Chair (or in their absence, the Vice Chair) shall put forward a proposal to be considered in a meeting of the Council of Governors convened for that purpose. If that candidate does not

accept that invitation it shall be offered to the candidate who secured the next highest number of votes in the last said election until the vacancy is filled.

- 5.3 If no reserve Candidate is available or willing to fill the vacancy, an election will then be held in accordance with the Election Scheme save that if an election is due to be held within 6 months of the vacancy having arisen the office will stand vacant until the next scheduled election unless by so doing this causes the aggregate number of Governors who are Public Governors and Service Users and Carers' Governors to be less than half the total membership of the Council of Governors. In that event an election will be held in accordance with the Election Scheme as soon as reasonably practicable.
- 5.4 The Returning Officer under the Election Scheme shall maintain a record of votes cast at each election under the Election Scheme for the above purposes and the Returning Officer shall conduct or shall oversee the conduction of the process set out in paragraphs 5.2 and 5.3 above.

7. MEETINGS

- 7.1 The Council of Governors shall hold not less than three general meetings each Financial Year.
- 7.2 All such meetings shall be open to the public unless the Council of Governors resolves that the public be excluded from the meeting, whether for the whole or part of the proceedings on the grounds that publicity would be prejudicial to the public interest or the interests of the Trust by reason of the confidential nature of the business to be transacted or for other special reasons stated in the resolution and arising from the nature of the business to be transacted or the proceedings. The Chair may also exclude any member of the public from a meeting of the Council of Governors if they are interfering with or preventing the proper conduct of the meeting.

Standing Orders

Board of Directors

Statutory Framework

The Sheffield Health and Social Care NHS Foundation Trust (“**the Trust**”) is a public benefit corporation which was established under the 2006 Act on [insert date], subject to its Constitution and Terms of Authorisation.

The place of business of the Trust is Fulwood House, Old Fulwood Road, Sheffield S10 3TH.

NHS Foundation Trusts are governed by a regulatory framework that confers the functions of the Trust and comprises the 2006 Act, the Constitution and the Terms of Authorisation. The powers of the Trust are set out in the 2006 Act subject to any restrictions in the Terms of Authorisation.

The Trust will be bound by such other statute and legal provisions or guidance which governs the conduct of its affairs.

As a statutory body the Trust has specified powers to contract in its own name and to act as a corporate trustee. In the later role it is accountable to the Charity Commission for those funds deemed to be charitable. In addition, the Trust has a common law duty as a bailee for patients’ property held by the Trust on behalf of the patients

The Trust also has statutory powers under section 256 of the 2006 Act to fund projects jointly planned with local authorities, voluntary organisations and other bodies.

In accordance with paragraph 27 of the Constitution, the Standing Orders of the Board of Directors are to be set out in this Annex 8. The Trust adopts Standing Orders for the regulation of proceedings and business. The Trust has adopted Standing Financial Instructions as an integral part of the Standing Orders setting out the responsibilities of individuals.

NHS Framework

The Trust Board will draw up a schedule of decisions reserved to the Board, and will ensure that management arrangements are in place to ensure responsibility to be clearly delegated to the Executive Committee and to senior executives (a scheme of delegation). The Trust will also have regard to the NHS Foundation Trust Code of Governance and the Constitution, which make various requirements concerning possible conflicts of interest of Board Directors.

The Code of Practice on Openness in the NHS (which is subject to the Freedom of Information Act 2000) sets out the requirements for public access to information on the NHS.

Delegation of Powers

The Trust has powers to delegate and make arrangements for delegation. The Standing Orders set out the detail of these arrangements. Under the Standing Order relating to the Arrangements for the Exercise of Functions (SO 4) the Trust is given powers to "make arrangements for the exercise, on behalf of the Trust of any of their functions by a committee, sub-committee or joint committee appointed by virtue of Standing Order 5 or by an Officer of the Trust, in each case subject to such restrictions and conditions as the Trust thinks fit ". Delegated Powers are covered in a separate document (Reservation of Powers to the Board and Delegation of Powers).

- 5.4 Each such committee shall have such terms of reference and powers and be subject to such conditions (as to reporting back to the Board), as the Board shall decide and shall be in accordance with any applicable legislation and regulation or direction. Such terms of reference shall have effect as if incorporated into the Standing Orders. 6. DECLARATIONS OF INTERESTS AND REGISTER OF INTERESTS

- 6.1 **Declaration of Interests** - The Constitution, 2006 Act, the NHS Foundation Trust Code of Governance and "Managing Conflicts of Interest in the NHS: Guidance for staff and organisations" (Gateway Ref. 06419, published February 2017) requires Board Directors to declare interests which are relevant and material to the NHS board of which they are a director. All existing Board Directors should declare such interests. Any Board Directors appointed subsequently should do so on appointment.
- 6.2 Interests which should be regarded as "relevant and material" are:
- 6.2.1 Directorships, including non-executive directorships held in private companies or public limited companies (with the exception of those of dormant companies);
 - 6.2.2 Ownership or part-ownership of private companies, businesses or consultancies likely or possibly seeking to do business with the NHS;
 - 6.2.3 majority or controlling share holdings in organisations likely or possibly seeking to do business with the NHS;
 - (a) a position of trust in a charity or voluntary organisation in the field of health and social care;
 - (b) any connection with a voluntary or other organisation contracting for NHS services;

- (c) Any connection with an organisation, entity or company considering entering into or having entered into a financial arrangement with the Trust including but not limited to , lenders or banks;
- (d) interests in pooled funds that are under separate management;
- (e) research funding/grants that may be received by an individual or their department;
- (f) any other commercial interest in the decision before the meeting.

Interests can fall into the following categories:

- Financial interests;
- Non-financial professional interests;
- Non-financial personal interests; or
- Indirect interests

- 6.2.4 At the time Board Directors' interests are declared; they should be recorded in the Board minutes. Any changes in interests should be declared at the next Board meeting following the change occurring.
- 6.2.5 Board Directors' directorships of companies likely or possibly seeking to do business with the NHS should be published in the Board's Annual Report. The information should be kept up to date for inclusion in succeeding annual reports.
- 6.2.6 During the course of a Board meeting, if a conflict of interest is established, the Director concerned should withdraw from the meeting and play no part in the relevant discussion or decision.
- 6.2.7 The interest of Directors' spouses, if living together, in contracts should be declared. Therefore the interests of Board Directors' spouses and cohabiting partners should also be regarded as relevant.
- 6.2.8 If Board Directors have any doubt about the relevance of an interest, this should be discussed with the Chair. Financial Reporting Standard No 8 (issued by the Accounting Standards Board) specifies that influence rather than the immediacy of the relationship is more important in assessing the relevance of an interest. The interests of partners in professional partnerships including general practitioners should also be considered.

- 6.3 **Register of Interests** - The Chief Executive will ensure that a Register of Interests is established to record formally declarations of interests of Board Directors. In particular the Register will include details of all directorships, other relevant and material interests and the category of interest which have been declared by both Executive and Non-Executive Directors, as defined in Standing Order 6.2.
- 6.4 These details will be kept up to date by means of an annual review of the Register in which any changes to interests declared during the preceding twelve months will be incorporated.
- 6.5 The Register will be available to the public in accordance with paragraph 31 and 32 of the Constitution and the Chief Executive will take reasonable steps to bring the existence of the Register to the attention of the local population and to publicise arrangements for viewing it.
- 6.6 All senior managers and clinicians have a duty to ensure that declaration of interests are made which could materially affect the outcome of decisions made by them. Where in doubt, all senior managers and clinicians should contact their respective Directors for

clarification. The staff register of interests will be kept up to date by means of an annual review.

- 6.7 The Trust's Declaration of Interests and Standards of Business Conduct Policy outlines in more detail the procedures to be followed in this area.

7. DISABILITY OF CHAIR AND DIRECTORS IN PROCEEDINGS ON ACCOUNT OF PECUNIARY INTEREST

- 7.1 Subject to the following provisions of this Standing Order, if the Chair or a Director has any pecuniary interest, direct or indirect, in any contract, proposed contract or other matter and is present at a meeting of the Trust at which the contract or other matter is the subject of consideration, they shall at the meeting, and as soon as practicable after its commencement, disclose the fact and shall not take part in the consideration or discussion of the contract or other matter or vote on any question with respect to it.
- 7.2 The Board may exclude the Chair or a Director of the Board from a meeting of the Board while any contract, proposed contract or other matter in which they have a pecuniary interest, is under consideration.
- 7.3 Any remuneration, compensation or allowances payable to the Chair or a Director by virtue of the 2006 Act shall not be treated as a pecuniary interest for the purpose of this Standing Order.
- 7.4 For the purpose of this Standing Order the Chair or a Director shall be treated, subject to SO 7.5, as having an interest in a contract, proposed contract or other matter, if:
- 7.4.1 they, or a nominee of theirs, is a director of a company or other body, not being a public body, with which the contract was made or is proposed to be made or which has a direct pecuniary interest in the other matter under consideration; or
 - 7.4.2 they are a partner of, or are in the employment of a person with whom the contract was made or is proposed to be made or who has a direct pecuniary interest in the other matter under consideration;
 - 7.4.3 and in the case of married persons living together the interest of one spouse shall, if known to the other, be deemed for the purposes of this Standing Order to be also an interest of the other.
- 7.5 The Chair or a Director shall not be treated as having an interest in any contract, proposed contract or other matter by reason only:
- 7.5.1 of their membership of a company or other body, if they have no beneficial interest in any securities of that company or other body;
 - 7.5.2 of an interest in any company, body or person with which they are connected as mentioned in SO 7.4 above which is so remote or insignificant that it cannot reasonably be regarded as likely to influence a Director in the consideration or discussion of or in voting on, any question with respect to that contract or matter.
- 7.6 Where the Chair or a Director has an interest in a contract, proposed contract or other matter by reason only of a beneficial interest in securities of a company or other body, and the total nominal value of those securities does not exceed £5,000 or one-hundredth of the total nominal value of the issued share capital of the company body, whichever is the less, and if the share capital is of more than one class, the total nominal value of shares of any one class in which they have a beneficial interest does not exceed one-hundredth of the total issued share capital of that class, this Standing Order shall not prohibit them from taking part in the consideration or discussion of the contract or other matter or from voting on any question with respect to it, without prejudice however to their duty to disclose their interest.

- 7.7 The Standing Order applies to a committee or sub-committee and to a joint committee as it applies to the Trust and applies to a director of any such committee or sub-committee (whether or not they are also a Director of the Trust) as it applies to a Director of the Trust.

8. STANDARDS OF BUSINESS CONDUCT POLICY

- 8.1 Staff should have due regard to the national guidance contained in HSG 1993/5 "Standards of Business Conduct for NHS Staff" (contained in Appendix B), the Bribery Act and "Managing Conflicts of Interest in the NHS: Guidance for staff and organisations" (Gateway Ref. 06419, published February 2017). This section of Standing Orders should be read in conjunction with these documents. Additionally staff should comply with the Trust's Declaration of Interest and Standards of Business Conduct Policy.
- 8.2 **Interest of Officers in Contracts** - If it comes to the knowledge of an Officer of the Trust that a contract in which they have any interest not being a contract to which they are themselves a party, has been, or is proposed to be, entered into by the Trust they shall, at once, give notice in writing to the Chief Executive of the fact that they are interested therein. In the case of persons living together as partners, the interest of one partner shall, if known to the other, be deemed to be also the interest of that partner.
- 8.3 An Officer should also declare to the Chief Executive any other employment or business or other relationship of their, or of a cohabiting spouse, that conflicts, or might reasonably be predicted could conflict with the interests of the Trust.
- 8.4 The Trust requires interests, employment or relationships declared, to be entered in a register of interests of staff.
- 8.5 **Canvassing of, and Recommendations by, Directors in Relation to Appointments** - Canvassing of Directors of the Trust or of any Committee of the Trust directly or indirectly for any appointment under the Trust shall disqualify the candidate for such appointment. The contents of this paragraph of the Standing Order shall be included in application forms or otherwise brought to the attention of candidates.
- 8.6 A Director of the Board shall not solicit for any person any appointment under the Trust or recommend any person for such appointment: but this paragraph of this Standing Order shall not preclude a Director from giving written testimonial of a candidate's ability, experience or character for submission to the Trust.
- 8.7 Informal discussions outside appointments panels or committees, whether solicited or unsolicited, should be declared to the panel or committee.
- 8.8 **Relatives of Directors or Officers** - Candidates for any staff appointment under the Trust shall, when making application, disclose in writing to the Trust whether they are related to any Director or the holder of any office under the Trust. Failure to disclose such a relationship shall disqualify a candidate and, if appointed, render them liable to instant dismissal.
- 8.9 The Chair and every Director and Officer of the Trust shall disclose to the Chief Executive any relationship between themselves and a candidate of whose candidature that Director or Officer is aware. It shall be the duty of the Chief Executive to report to the Board any such disclosure made.
- 8.10 On appointment, Directors (and prior to acceptance of an appointment in the case of Executive Directors) should disclose to the Board whether they are related to any other Director or holder of any office in the Trust.
- 8.11 Where the relationship to a Director of the Trust is disclosed, the Standing Order headed 'Disability of Chair and Directors in proceedings on account of pecuniary interest' (SO 7) shall apply.

9. TENDERING AND CONTRACT PROCEDURE

- 9.1 **Duty to comply with Standing Orders** - The procedure for making all contracts by or on behalf of the Trust shall comply with these Standing Orders (except where Standing Order 3.32 is applied).
- 9.2 **EU Directives Governing Public Procurement** – the Trust will comply with, and have due regard to, EU Directives (and associated Regulations) governing public procurements.
- 9.3 The Trust shall have due regard to the requirements of the Department of Health "Capital Investment Manual" and "Estatecode" and will comply with the guidance "Risk Evaluation for Investment Decisions by NHS Foundation Trusts" and such other guidance as may be issued by the Independent Regulator from time to time in respect of capital investment and estate and property transactions. In the case of management consultancy contracts the Trust shall have due regard to, as far as is practicable, with Department of Health guidance "The Procurement and Management of Consultants within the NHS".
- 9.4 **Formal Competitive Tendering** - The Trust shall ensure that competitive tenders are invited for the supply of goods, materials and manufactured articles and for the rendering of services including all forms of management consultancy services (other than specialised services sought from or provided by the DoH); for the design, construction and maintenance of building and engineering works (including construction and maintenance of grounds and gardens); and for disposals.
- 9.5 Where the Trust elects to invite tenders for the supply of healthcare these Standing Orders shall apply as far as they are applicable to the tendering procedure.
- 9.6 Formal tendering procedures may be waived by Officers to whom powers have been delegated by the Chief Executive without reference to the Chief Executive (except in 9.6.3 to 9.6.6 below) where:
- 9.6.1 The estimated expenditure or income does not, or is not reasonably expected to, exceed £30,000 (excluding VAT), (this figure to be reviewed annually); or
- 9.6.2 where the supply is proposed under special arrangements negotiated by the Crown Commercial Services (CCS) or other recognised collaborative procurement organisations (e.g. NHS Supply Chair, North of England Commercial Procurement Collaborative) such arrangements must be complied with where overall benefits to the Trust can be demonstrated;
- 9.6.3 the timescale genuinely precludes competitive tendering. Failure to plan the work properly is not a justification for single tender;
- 9.6.4 specialist expertise is required and is available from only one source;
- 9.6.5 the task is essential to complete the project, and arises as a consequence of a recently completed assignment and engaging different consultants for the new task would be inappropriate;
- 9.6.6 there is a clear benefit to be gained from maintaining continuity with an earlier project. However in such cases the benefits of such continuity must outweigh any potential financial advantage to be gained by competitive tendering.
- 9.6.7 where provided for in the Capital Investment Manual.
- 9.7 The limited application of the single tender rules should not be used to avoid competition or for administrative convenience or to award further work to a consultant originally appointed through a competitive procedure.

- 9.8 Where it is decided that competitive tendering is not applicable and should be waived by virtue of 9.6.3 to 9.6.6 above the fact of the waiver and the reasons should be documented and reported by the Chief Executive to the Trust in a formal meeting. Such reports shall be received by the Audit Committee.
- 9.9 Except where Standing Order 9.6, or a requirement under Standing Order 9.2, applies, the Trust shall ensure that invitations to tender are sent to a sufficient number of firms/individuals to provide fair and adequate competition as appropriate, and in no case less than three firms/individuals, having regard to their capacity to supply the goods or materials or to undertake the services or works required.
- 9.10 Subject to EU directives governing EU procurements the Trust shall ensure that normally the firms/individuals invited to tender (and where appropriate, quote) are among those on approved lists compiled. Where in the opinion of the Director of Finance it is desirable to seek tenders from firms not on the approved lists, the reason shall be recorded in writing to the Chief Executive for approval (see Appendix A: Tendering Procedure).
- 9.11 Tendering procedures are set out in Appendix A to these Standing Orders. In addition the Board shall, when entering into contracts, comply with and / or have regard to:
- 9.11.1 The Trust Standing Orders, Scheme of Delegation, Standing Financial Instructions and Terms of Authorisation;
 - 9.11.2 EU Directives and other statutory provisions;
 - 9.11.3 Any relevant directions including the Capital Investment Manual, Estatecode and guidance on the Procurement and Management of Consultants;
 - 9.11.4 Such of the NHS Standard Contract Conditions as are applicable (as amended to take into account the Trust's Foundation Trust status);
 - 9.11.5 Contracts with Foundation Trusts must be in a form compliant with appropriate NHS guidance;
 - 9.11.6 Where appropriate contracts shall be in or embody the same terms and conditions of contract as was the basis on which tenders or quotations were invited;
 - 9.11.7 In all contracts made by the Trust, the Board shall endeavour to obtain best value for money by use of all systems in place. The Chief Executive shall nominate an officer who shall oversee and manage each contract on behalf of the Trust.
- 9.12 **Quotations** - are required where formal tendering procedures are waived under Standing Order 9.5 9.6.1 or 9.6.3 and where the intended expenditure or income exceeds, or is reasonably expected to exceed £10,000.
- 9.13 Where quotations are required under Standing Order 9.12 they should be obtained from at least three firms/individuals as per Appendix A based on specifications or terms of reference prepared by, or on behalf of, the Trust.
- 9.14 Quotations should be in writing, unless the Chief Executive or their nominated Officer determine that it is impractical to do so, in which case quotations may be obtained by telephone. Confirmation of telephone quotation should be obtained as soon as possible and the reasons why the telephone quotation was obtained should be set out in a permanent record.
- 9.15 All quotations should be treated as confidential and should be retained for inspection.

- 9.16 The Chief Executive or their nominated Officer should evaluate the quotations and select the one which gives the best value for money. If this is not the lowest then this fact and the reasons why the lowest quotation was not chosen should be in a permanent record.
- 9.17 Non-competitive quotations in writing may be obtained for the following purposes:
- 9.17.1 the supply of goods/services of a special character for which it is not, in the opinion of the Chief Executive or their nominated Officer, possible or desirable to obtain competitive quotations;
- 9.17.2 the goods/services are required urgently.
- 9.18 Authorisation of Tenders and Competitive Quotations:
- Providing all the conditions and circumstances set out in the Standing Financial Instructions have been fully complied with, formal authorisation and awarding of a contract may be decided by the staff and the contract signed, to the value of the contract in accordance with the Scheme of Delegation (see Appendix A)
- 9.19 Where tenders or quotations are not required, because expenditure is below £10,000, the Trust shall procure goods and services in accordance with procurement procedures approved by the Trust.
- 9.20 The Chief Executive shall be responsible for ensuring that best value for money can be demonstrated for all services provided under contract or in-house. The Trust may also determine from time to time that in-house services should be market tested by competitive tendering (Standing Order 11).
- 9.21 **Private Finance** – Where the Trust proposes to market test for PFI (Private Finance Initiative Funding) when considering a capital procurement the following should apply:
- 9.21.1 The Chief Executive shall demonstrate that the use of private finance represents value for money and genuinely transfers risk to the private sector. Reports will be received by the Audit Committee.
- 9.21.2 The Trust will give full Board consideration to the scheme, which must be specifically agreed by the Board.
- 9.21.3 The Board will consider the Independent Regulator's guidance on "Roles and responsibilities in the approval of NHS foundation trust PFI schemes", the Independent Regulator's Compliance Framework, and any other Department of Health and/or HM Treasury requirements.
- 9.21.4 The selection of a contractor/finance company must be on the basis of competitive tendering or quotations.
- 9.22 **Contracts with Commissioners** – The Chief Executive, as Accounting Officer is responsible for ensuring the Trust enters into suitable legally binding contracts with service commissioners for the provision of services. Contracts with commissioners are legally binding and appropriate legal advice identifying the Trust's liabilities within the terms of the contract should be considered.
- 9.23 The Board will approve standard terms and conditions for legally binding contracts on the basis of which the Trust will provide healthcare and other services.
- 9.24 Cancellation of Contracts Except where specific provision is made in model Forms of Contracts or standard Schedules of Conditions approved for use within the NHS (as amended to take into account the Trust's Foundation Trusts status) and in accordance with Standing Orders 9.2 and 9.3, there shall be inserted in every written contract a clause empowering the Trust to cancel the contract and to recover from the contractor the amount of any loss resulting from such cancellation, if the contractor shall have offered, or given or agreed to give, any person any gift or consideration of any kind as an

inducement or reward for doing or forbearing to do or for having done or forborne to do any action in relation to the obtaining or execution of the contract or any other contract with the Trust, or for showing or forbearing to show favour or disfavour to any person in relation to the contracts or any other contract with the Trust, or if the like acts shall have been done by any person employed by them or acting on their behalf (whether with or without the knowledge of the contractor), or if in relation to any contract with the Trust the contractor or any person employed by them or acting on their behalf shall have committed any offence under the Prevention of Corruption Acts 1889 and 1916 or any other appropriate legislation.

- 9.25 **Determination of Contracts for Failure to Deliver Goods or Material** – There shall be inserted in every written contract for the supply of goods or materials a clause to secure that, should the contractor fail to deliver the goods or materials or any portion thereof within the time or times specified in the contract, the Trust may without prejudice determine the contract either wholly or to the extent of such default and purchase other goods, or material of similar description to make good (a) such default, or (b) in the event of the contract being wholly determined the goods or materials remaining to be delivered. The clause shall further secure that the amount by which the cost of so purchasing other goods or materials exceeds the amount which would have been payable to the contractor in respect of the goods or materials shall be recoverable from the contractor.
- 9.26 **Contracts involving Funds Held on Trust** – shall do so individually to a specific named fund. Such contracts involving charitable funds shall comply with the requirements of the Charities Act.
- 9.27 **Personnel and Agency or Temporary Staff Contracts** – The Chief Executive shall nominate officers with delegated authority to enter into contracts for the employment of other officers, to authorise re-grading of staff and to enter into contracts for the employment of agency staff or temporary staff.

10. DISPOSALS

- 10.1 Competitive tendering or quotation procedures shall not apply to the disposal of:

- 3.3 A permanent record shall be maintained to show for each set of competitive tender invitations despatched:

 - 3.3.2 The names of and the number of firms/individuals from which tenders have been received;
 - 3.3.3 The total price(s) tendered;

- 3.6 Electronic Tenders – The Chief Executive will designate and agree a list of officers who will be able to access the electronic tenders and release them once the time and date for opening has passed.

An auditable log of actions, which may not be edited, is created including, but not limited to:

- Time / date stamp of any amendments to a “publication” tender (e.g. if any buyer tender document attachments are added / amended during the process)
- Time / date stamp of any buyer messages communicated via the integrated messaging area (including the content, which suppliers received the message, when it was opened etc.). All messages are delivered in a “blind copy” format to ensure suppliers cannot view who else has received the message

4. ADMISSIBILITY AND ACCEPTANCE OF FORMAL TENDERS

- 4.1 In considering which tender to accept, if any, the designated Officers shall have regard to whether value for money will be obtained by the Trust and whether the number of tenders received provides adequate competition. In cases of doubt they shall consult the Chief Executive.
- 4.2 Tenders received after the due time and date may be considered only if the Chief Executive or nominated Officer decides that there are exceptional circumstances, e.g. where significant financial, technical or delivery advantages would accrue, and is satisfied that there is no reason to doubt the bona fides of the tenders concerned. The Chief Executive or nominated Officer shall decide whether such tenders are admissible and whether re-tendering is desirable. Re-tendering may be limited to those tenders reasonably in the field of consideration in the original competition. If the tender is accepted the late arrival of the tender should be reported to the Board at its next meeting.
- 4.3 Technically late tenders (i.e. those despatched in good time but delayed through no fault of the tenderer) may at the discretion of the Chief Executive be regarded as having arrived in due time.
- 4.4 Incomplete tenders (i.e. those from which information necessary for the adjudication of the tender is missing) and amended tenders (i.e. those amended by the tenderer upon their own initiative either orally or in writing after the due time for receipt) should be dealt with in the same way as late tenders under Section 4.2.
- 4.5 Where examination of tenders reveals errors which would affect the tender figure, the tenderer is to be given details of such errors and afforded the opportunity of confirming or withdrawing their offer.
- 4.6 Necessary discussions with a tenderer of the contents of their tender, in order to elucidate technical points etc., before the award of a contract, need not disqualify the tender.
- 4.7 While decisions as to the admissibility of late, incomplete, or amended tenders are under consideration and while re-tenders are being obtained, the tender documents shall remain strictly confidential and kept in safekeeping by an Officer designated by the Chief Executive.
- 4.8 Where only one tender/quotation is received the Chief Executive shall, as far as practicable, ensure that the price to be paid is fair and reasonable.
- 4.9 A tender other than the lowest (if payment is to be made by the Trust), or other than the highest (if payment is to be received by the Trust) shall not be accepted unless for good and sufficient reason the Board decides otherwise and record that decision in their minutes and in the record referred to in 3.3 above.
- 4.10 Where the form of contract includes a fluctuation clause all applications for price variations must be submitted in writing by the tenderer and shall be approved by the Chief Executive or nominated Officer.
- 4.11 All Tenders should be treated as confidential and should be retained for inspection.

5. LIST OF APPROVED FIRMS

- 5.1 In accordance with Standing Order 9.10 the Trust shall compile, or procure from another health body or organisation, lists of approved firms and individuals from whom tenders and quotations may be invited. The Finance Director shall keep and maintain these under review subject always to EU directives governing EU procurement. Where compiled by the Trust, the lists shall be selected from all firms who have applied for permission to tender or quote provided:
- 5.1.1 In the case of building, engineering and maintenance works, the Chief Executive is satisfied on their capacity, conditions of labour, etc., and that the Director of Finance is satisfied that their financial standing is adequate.
- 5.1.2 In the case of the supply of goods, materials and related services, and consultancy services the Chief Executive or the nominated Officer is satisfied as to their technical competence etc., and that the Director of Finance is satisfied that their financial standing is adequate.
- 5.1.3 In the case of the provision of healthcare services to the Trust by a private sector provider, the Director of Finance is satisfied as to their financial standing and the Medical Director (or nominated representative) is satisfied as to their technical/medical competence.
- 5.2 The Chief Executive shall arrange for advertisements to be issued as may be necessary, and not less frequently than every third year, in trade journals and national newspapers inviting applications from firms for inclusion in the prescribed lists.
- 5.3 If in the opinion of the Chief Executive and the Director of Finance it is impractical to use a list of approved firms/individuals (for example where specialist services or skills are required and there are insufficient suitable potential contractors on the list), the Chief Executive should ensure that appropriate checks are carried out as to the technical and financial capability of firms invited to tender or quote.

A permanent record should be made of the reasons for inviting a tender or quote other than from an approved list

6. Authorisation of Tenders and Competitive Quotations:

Providing all the conditions and circumstances set out in the Standing Financial Instructions have been fully complied with, formal authorisation and awarding of a contract may be decided by the staff and the contract signed, to the value of the contact in accordance with the Scheme of Delegation (see Appendix A)

6. GOVERNORS AND DIRECTORS: COMMUNICATION AND CONFLICT

Summary

- 6.1 This paragraph 6 describes the processes intended to ensure a successful and constructive relationship between the Council of Governors and the Board of Directors. It emphasises the importance of informal and formal communication, and confirms the formal arrangements for communication within the Trust. It suggests an approach to informal and formal communications between the Council of Governors and the Board of Directors.

Informal Communications

- 6.2 Informal and frequent communication between the Governor and the Directors is an essential feature of a positive and constructive relationship designed to benefit the Trust and the services it provides.
- 6.3 The Chair shall use their reasonable endeavours to encourage effective informal methods of communication including:
- 6.3.1 participation of the Board of Directors in the induction, orientation and training of Governors;
 - 6.3.2 development of special interest relationships between Non-Executive Directors and Governors;
 - 6.3.3 discussions between Governors and the Chair and/or the Chief Executive and/or Directors through the office of the Chief Executive or their nominated Officer;
 - 6.3.4 involvement in membership recruitment and briefings at public events organised by the Trust.
- 6.4 Some aspects of formal communication are defined by the constitutional roles and responsibilities of the Council of Governors and the Board of Directors respectively.

Formal Communication

- 6.5 Formal communications initiated by the Council of Governors and intended for the Board of Directors will be conducted as follows:
- 6.5.1 specific requests by the Council of Governors will be made through the Chair to the Board of Directors;
 - 6.5.2 any Governor has the right to raise specific issues to be put to the Board of Directors at a duly constituted meeting of the Council of Governors through the Chair but if the Chair declines to raise any such issue the said Governor may nonetheless still raise it provided two thirds of the Governors present approve their request to do so. The Chair shall then raise the matter with the Board of Directors and provide the response to the Council of Governors;
 - 6.5.3 joint meetings will take place between the Council of Governors and the Board of Directors as and when appropriate as determined by the Chair (in their capacity as the Chair of both the Board of Directors and the Council of Governors).
- 6.6 The Board of Directors may request the Chair to seek the views of the Council of Governors on such matters as the Board of Directors may from time to time determine.
- 6.7 Communications between the Council of Governors and the Board of Directors may occur with regard to, but shall not be limited to:
- 6.7.1 the Board of Directors proposals for the Strategic Direction and the Annual Business Plan;
 - 6.7.2 the Board of Directors' proposals for developments;
 - 6.7.3 Trust performance;

- 6.7.4 involvement in service reviews and evaluation relating to the Trust's services;
and
- 6.7.5 proposed changes, plans and developments for the Trust other than may be covered by paragraph 6.6 above.
- 6.8 The Board of Directors shall also present to the Council of Governors the Annual Accounts, Annual Report and Auditors Report in accordance with the terms of this Constitution and of the 2006 Act.
- 6.9 The following formal methods of communication may also be used as appropriate with the consent of both the Council of Governors and the Board of Directors:
 - 6.9.1 attendance by the Board of Directors at a meeting of the Council of Governors;
 - 6.9.2 provision of formal reports or presentations by Executive Directors to a meeting of the Council of Governors;
 - 6.9.3 inclusion of appropriate minutes for information on the agenda of a meeting of the Council of Governors;

Other Disputes

- 6.10 Where an individual is held by the Trust to be ineligible and/or disqualified from Membership of the Trust and disputes the Trust's decision in this respect, the matter shall be referred to the Chief Executive (or such other Officer of the Trust as the Chief Executive may nominate) as soon as reasonably practicable thereafter.
- 6.11 The Chief Executive (or their nominated representative) shall:
 - 6.11.1 review the original decision having regard to any representations made by the individual concerned and such other material, if any, as the Chief Executive considers appropriate;
 - 6.11.2 then either confirm the original decision or make some other decision as appropriate based on the evidence which they have considered; and
 - 6.11.3 communicate their decision and the reasons for it in writing to the individual concerned as soon as reasonably practicable.
- 6.12 Where a Governor is declared ineligible or disqualified from office or their term of office as a Governor has been terminated (otherwise than as a consequence of their own resignation) and that person disputes the decision, they shall as reasonably practicable be entitled to attend a meeting with the Chair and Chief Executive of the Trust, who shall use their best endeavours to facilitate such a meeting, to discuss the decision with a view to resolving any dispute which may have arisen, but the Chair and Chief Executive shall not be entitled to rescind or vary the decision which has already been taken.

Resolution of Disputes between the Board and Council of Governors

- 6.13 Should a dispute between the Council of Governors and the Board of Directors arise then the disputes resolution procedure set out below recognises the different roles of the Council and the Board as described in the Constitution.
 - 6.13.1 The Chair, or Vice Chair (if the dispute involves the Chair) shall first endeavour through discussion with Governors and Directors or, to achieve the earliest possible conclusion, appropriate representatives of them, to resolve the matter to the reasonable satisfaction of both parties.

- 6.13.2 Failing resolution under 6.13.1 above then the Board or the Council, as appropriate, shall at its next formal meeting approve the precise wording of a Disputes Statement setting out clearly and concisely the issue or issues giving rise to the dispute.
 - 6.13.3 The Chair shall ensure that the Disputes Statement, without amendment or abbreviation in any way, shall be an Agenda Item and Agenda Paper at the next formal meeting of the Board or Council as appropriate. That meeting shall agree the precise wording of a Response to Disputes Statement.
 - 6.13.4 The Chair or Vice Chair (if the dispute involves the Chair) shall immediately, or as soon as is practical, communicate the outcome to the other party and deliver the written Response to Disputes Statement. If the matter remains unresolved or only partially resolved then the procedure outlined above shall be repeated.
 - 6.13.5 If, in the opinion of the Chair or Vice Chair (if the dispute involves the Chair), and following the further discussions prescribed above there is no further prospect of a full resolution or, if at any stage in the whole process, in the opinion of the Chair or Vice Chair, as the case may be, there is no prospect of a resolution (partial or otherwise) then they shall advise the Council and Board accordingly.
 - 6.13.6 On the satisfactory completion of this disputes process the Board of Directors shall implement agreed changes.
 - 6.13.7 On the unsatisfactory completion of this disputes process the view of the Board of Directors shall prevail.
- 6.14 Nothing in this procedure shall prevent the Council, if it so desires, from informing the Independent Regulator that, in the Council's opinion, the Board has not responded constructively to concerns of the Council that the Trust is not meeting its Terms of Authorisation.

7. REVIEW OF CONSTITUTION

- 7.1 The Constitution shall be reviewed on the first anniversary of the Trust's authorisation as an NHS Foundation Trust or as soon as reasonably practicable thereafter. Further review dates shall be established at that time.

8. INDEMNITY

- 8.1 Members of the Council of Governors and Board of Directors who act honestly and in good faith will not have to meet out of their personal resources any personal civil liability which is incurred in the execution or purported execution of their Council or Board functions, save where they have acted recklessly. Any costs arising in this way will be met by the Trust and the Trust shall have the power to purchase suitable insurance or make appropriate arrangements with the National Health Service Litigation Special Health Authority to cover such costs.

9. VALIDITY OF ACTIONS

- 9.1 No defect or deficiency in the appointment or composition of the Council of Governors or the Board of Directors shall affect the validity of any action taken by them.
