- (a) is satisfied as to the voter's identity,
- (b) has no reason to doubt that the voter did not receive the original ballot paper, and
- (c) has ensured that the declaration of identity if required has not been returned.

(3) After issuing a replacement ballot paper for a lost ballot paper, the returning officer shall enter in a list ("the list of lost ballot papers") –

- (a) the name of the voter, and
- (b) the details of the unique identifier of the replacement ballot paper.

**30. Issue of replacement ballot paper**– (1) If a person applies for a replacement ballot paper under rule 28 or 29 and a declaration of identity has already been received by the returning officer in the name of that voter, the returning officer may not issue a replacement ballot paper unless, in addition to the requirements imposed rule 28(3) or 29(2), he or she is also satisfied that that person has not already voted in the election, notwithstanding the fact that a declaration of identity if required has already been received by the returning officer in the name of that voter.

(2) After issuing a replacement ballot paper under this rule, the returning officer shall enter in a list ("the list of tendered ballot papers") –

- (a) the name of the voter, and
- (b) the details of the unique identifier of the replacement ballot paper issued under this rule.

**31. Declaration of identity for replacement ballot papers (public and patient constituencies)** –

(1) In respect of an election for a public or patient constituency a declaration of identity must be issued with each replacement ballot paper.

(2) The declaration of identity is to include a declaration –

- (a) that the voter has not voted in the election with any ballot paper other than the ballot paper being returned with the declaration, and
- (b) of the particulars of that member's qualification to vote as a member of the public or patient constituency, or class within a constituency, for which the election is being held.

(3) The declaration of identity is to include space for –

- (a) the name of the voter,
- (b) the address of the voter,
- (c) the voter's signature, and
- (d) the date that the declaration was made by the voter.

(4) The voter must be required to return the declaration of identity together with the ballot paper.

(5) The declaration of identity must caution the voter that if it is not returned with the ballot paper, or if it is returned without being correctly completed, the replacement ballot paper may be declared invalid.

*Procedure for receipt of envelopes*

**32. Receipt of voting documents** – (1) Where the returning officer receives a –

- (a) covering envelope, or
- (b) any other envelope containing a declaration of identity if required, a ballot paper envelope, or a ballot paper,

before the close of the poll, that officer is to open it as soon as is practicable; and rules 33 and 34 are to apply.

(2) The returning officer may open any ballot paper envelope for the purposes of rules 33 and 34, but must make arrangements to ensure that no person obtains or communicates information as to –

- (a) the candidate for whom a voter has voted, or
- (b) the unique identifier on a ballot paper.

(3) The returning officer must make arrangements to ensure the safety and security of the ballot papers and other documents.

**33. Validity of ballot paper** – (1) A ballot paper shall not be taken to be duly returned unless the returning officer is satisfied that it has been received by the returning officer before the close of the poll, with a declaration of identity if required that has been correctly completed, signed, and dated.

(2) Where the returning officer is satisfied that paragraph (1) has been fulfilled, he or she is to –

- (a) put the declaration of identity if required in a separate packet, and
- (b) put the ballot paper aside for counting after the close of the poll.

(3) Where the returning officer is not satisfied that paragraph (1) has been fulfilled, he or she is to –

- (a) mark the ballot paper “disqualified”,
- (b) if there is a declaration of identity accompanying the ballot paper, mark it as “disqualified” and attach it the ballot paper,
- (c) record the unique identifier on the ballot paper in a list (the “list of disqualified documents”); and
- (d) place the document or documents in a separate packet.

**34. Declaration of identity but no ballot paper (public and patient constituency)** – Where the returning officer receives a declaration of identity if required but no ballot paper, the returning officer is to –

- (a) mark the declaration of identity “disqualified”,

- (b) record the name of the voter in the list of disqualified documents, indicating that a declaration of identity was received from the voter without a ballot paper; and
- (c) place the declaration of identity in a separate packet.

**35. Sealing of packets** – As soon as is possible after the close of the poll and after the completion of the procedure under rules 33 and 34, the returning officer is to seal the packets containing–

- (a) the disqualified documents, together with the list of disqualified documents inside it,
- (b) the declarations of identity if required,
- (c) the list of spoilt ballot papers,
- (d) the list of lost ballot papers,
- (e) the list of eligible voters, and
- (f) the list of tendered ballot papers.

*Part 6 - Counting the votes*

**stv36. Interpretation of Part 6** – In Part 6 of these rules –

“continuing candidate” means any candidate not deemed to be elected, and not excluded,

“count” means all the operations involved in counting of the first preferences recorded for candidates, the transfer of the surpluses of elected candidates, and the transfer of the votes of the excluded candidates,

“deemed to be elected” means deemed to be elected for the purposes of counting of votes but without prejudice to the declaration of the result of the poll,

“mark” means a figure, an identifiable written word, or a mark such as “X”,

“non-transferable vote” means a ballot paper –

- (a) on which no second or subsequent preference is recorded for a continuing candidate, or
- (b) which is excluded by the returning officer under rule stv44(4) below,

“preference” as used in the following contexts has the meaning assigned below–

- (a) “first preference” means the figure “1” or any mark or word which clearly indicates a first (or only) preference,
- (b) “next available preference” means a preference which is the second, or as the case may be, subsequent preference recorded in consecutive order for a continuing candidate (any candidate who is deemed to be elected or is excluded thereby being ignored); and
- (c) in this context, a “second preference” is shown by the figure “2” or any mark or word which clearly indicates a second preference, and a third preference by the figure “3” or any mark or word which clearly indicates a third preference, and so on,

“quota” means the number calculated in accordance with rule stv41 below,

“surplus” means the number of votes by which the total number of votes for any candidate (whether first preference or transferred votes, or a combination of both) exceeds the quota; but references in these rules to the transfer of the surplus means the transfer (at a transfer value) of all transferable papers from the candidate who has the surplus,

“stage of the count” means –

- (a) the determination of the first preference vote of each candidate,
- (b) the transfer of a surplus of a candidate deemed to be elected, or
- (c) the exclusion of one or more candidates at any given time,

“transferable paper” means a ballot paper on which, following a first preference, a second or subsequent preference is recorded in consecutive numerical order for a continuing candidate,

“transferred vote” means a vote derived from a ballot paper on which a second or subsequent preference is recorded for the candidate to whom that paper has been transferred, and

“transfer value” means the value of a transferred vote calculated in accordance with paragraph (4) or (7) of rule stv42 below.

**37. Arrangements for counting of the votes** – The returning officer is to make arrangements for counting the votes as soon as is practicable after the close of the poll.

**38. The count** – (1) The returning officer is to –

- (a) count and record the number of ballot papers that have been returned, and
- (b) count the votes according to the provisions in this Part of the rules.

(2) The returning officer, while counting and recording the number of ballot papers and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper.

(3) The returning officer is to proceed continuously with counting the votes as far as is practicable.

**Stv39. Rejected ballot papers** – (1) Any ballot paper –

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the ballot paper shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

(2) The returning officer is to endorse the word “rejected” on any ballot paper which under this rule is not to be counted.

(3) The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of paragraph (1).

**fpp39. Rejected ballot papers** – (1) Any ballot paper –

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which votes are given for more candidates than the voter is entitled to vote,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall, subject to paragraphs (2) and (3) below, be rejected and not counted.

(2) Where the voter is entitled to vote for more than one candidate, a ballot paper is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

(3) A ballot paper on which a vote is marked –

- (a) elsewhere than in the proper place,
- (b) otherwise than by means of a clear mark,
- (c) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the paper is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

(4) The returning officer is to –

- (a) endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and
- (b) in the case of a ballot paper on which any vote is counted under paragraph (2) or (3) above, endorse the words “rejected in part” on the ballot paper and indicate which vote or votes have been counted.

(5) The returning officer is to draw up a statement showing the number of rejected ballot papers under the following headings –

- (a) does not bear proper features that have been incorporated into the ballot paper,
- (b) voting for more candidates than the voter is entitled to,
- (c) writing or mark by which voter could be identified, and
- (d) unmarked or rejected because of uncertainty,

and, where applicable, each heading must record the number of ballot papers rejected in part.

**stv40. First stage** – (1) The returning officer is to sort the ballot papers into parcels according to the candidates for whom the first preference votes are given.

(2) The returning officer is to then count the number of first preference votes given on ballot papers for each candidate, and is to record those numbers.

(3) The returning officer is to also ascertain and record the number of valid ballot papers.

**stv41. The quota** – (1) The returning officer is to divide the number of valid ballot papers by a number exceeding by one the number of members to be elected.

(2) The result, increased by one, of the division under paragraph (1) above (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).

(3) At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in paragraphs (1) to (3) of rule stv44 has been complied with.

**stv42. Transfer of votes** – (1) Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot papers on which first preference votes are given for that candidate into sub-parcels so that they are grouped –

- (a) according to next available preference given on those papers for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

(2) The returning officer is to count the number of ballot papers in each parcel referred to in paragraph (1) above.

(3) The returning officer is, in accordance with this rule and rule stv43 below, to transfer each sub-parcel of ballot papers referred to in paragraph (1)(a) to the candidate for whom the next available preference is given on those papers.

(4) The vote on each ballot paper transferred under paragraph (3) above shall be at a value (“the transfer value”) which –

- (a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
- (b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot papers on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).

(5) Where at the end of any stage of the count involving the transfer of ballot papers, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot papers in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped –

- (a) according to the next available preference given on those papers for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

(6) The returning officer is, in accordance with this rule and rule stv43 below, to transfer each sub-parcel of ballot papers referred to in paragraph (5)(a) to the candidate for whom the next available preference is given on those papers.

(7) The vote on each ballot paper transferred under paragraph (6) shall be at –

- (a) a transfer value calculated as set out in paragraph (4)(b) above, or
- (b) at the value at which that vote was received by the candidate from whom it is now being transferred,

whichever is the less.

(8) Each transfer of a surplus constitutes a stage in the count.

(9) Subject to paragraph (10), the returning officer shall proceed to transfer transferable papers until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.

(10) Transferable papers shall not be liable to be transferred where any surplus

or surpluses which, at a particular stage of the count, have not already been transferred, are –

- (a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or
- (b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.

(11) This rule does not apply at an election where there is only one vacancy.

**stv43. Supplementary provisions on transfer** – (1) If, at any stage of the count, two or more candidates have surpluses, the transferable papers of the candidate with the highest surplus shall be transferred first, and if –

- (a) The surpluses determined in respect of two or more candidates are equal, the transferable papers of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and
- (b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable papers of the candidate on whom the lot falls shall be transferred first.

(2) The returning officer shall, on each transfer of transferable papers under rule stv42 above –

- (a) record the total value of the votes transferred to each candidate,
- (b) add that value to the previous total of votes recorded for each candidate and record the new total,
- (c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
- (d) compare—
  - (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with
  - (ii) the recorded total of valid first preference votes.

(3) All ballot papers transferred under rule stv42 or stv44 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that paper or, as the case may be, all the papers in that sub-parcel.

(4) Where a ballot paper is so marked that it is unclear to the returning officer at any stage of the count under rule stv42 or stv44 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot paper as a non-transferable vote; and votes on a ballot paper shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

**stv44. Exclusion of candidates** – (1) If—

- (a) all transferable papers which under the provisions of rule stv42 above (including that rule as applied by paragraph (11) below) and this rule are required to be transferred, have been transferred, and
- (b) subject to rule stv45 below, one or more vacancies remain to be filled,

the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where paragraph (12) below applies, the candidates with the then lowest votes).

(2) The returning officer shall sort all the ballot papers on which first preference votes are given for the candidate or candidates excluded under paragraph (1) above into two sub-parcels so that they are grouped as—

- (a) ballot papers on which a next available preference is given, and
- (b) ballot papers on which no such preference is given (thereby including ballot papers on which preferences are given only for candidates who are deemed to be elected or are excluded).

(3) The returning officer shall, in accordance with this rule and rule stv43 above, transfer each sub-parcel of ballot papers referred to in paragraph (2)(a) above to the candidate for whom the next available preference is given on those papers.

(4) The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

(5) If, subject to rule stv45 below, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable papers, if any, which had been transferred to any candidate excluded under paragraph (1) above into sub-parcels according to their transfer value.

(6) The returning officer shall transfer those papers in the sub-parcel of transferable papers with the highest transfer value to the continuing candidates in

accordance with the next available preferences given on those papers (thereby passing over candidates who are deemed to be elected or are excluded).

(7) The vote on each transferable paper transferred under paragraph (6) above shall be at the value at which that vote was received by the candidate excluded under paragraph (1) above.

(8) Any papers on which no next available preferences have been expressed shall be set aside as non-transferable votes.

(9) After the returning officer has completed the transfer of the ballot papers in the sub-parcel of ballot papers with the highest transfer value he or she shall proceed to transfer in the same way the sub-parcel of ballot papers with the next highest value and so on until he has dealt with each sub-parcel of a candidate excluded under paragraph (1) above.

(10) The returning officer shall after each stage of the count completed under this rule—

- (a) record –
  - (i) the total value of votes, or
  - (ii) the total transfer value of votes transferred to each candidate,
- (b) add that total to the previous total of votes recorded for each candidate and record the new total,
- (c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and
- (d) compare—
  - (i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
  - (ii) the recorded total of valid first preference votes.

(11) If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with paragraphs (5) to (10) of rule stv42 and rule stv43.

(12) Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.

(13) If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest—

- (a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and

- (b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

**stv45. Filling of last vacancies** – (1) Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

(2) Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

(3) Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

**stv46. Order of election of candidates** – (1) The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule stv42(10) above.

(2) A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which he obtained the quota.

(3) Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.

(4) Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

**fpp46. Equality of votes** – Where, after the counting of votes is completed, an equality of votes is found to exist between any candidates and the addition of a vote would entitle any of those candidates to be declared elected, the returning officer is to decide between those candidates by a lot, and proceed as if the candidate on whom the lot falls had received an additional vote.

*Part 7 – Final proceedings in contested and uncontested elections*

**fpp47. Declaration of result for contested elections** – (1) In a contested election, when the result of the poll has been ascertained, the returning officer is to –

- (a) declare the candidate or candidates whom more votes have been given than for the other candidates, up to the number of vacancies to be filled on the board of governors from the constituency, or class within a constituency, for which the election is being held to be elected,
- (b) give notice of the name of each candidate who he or she has declared elected–
  - (i) where the election is held under a proposed constitution pursuant to powers conferred on the York Teaching Hospital NHSFT by Section 33(4) of the 2006 Act, to the chairman of the NHS Trust, or
  - (ii) in any other case, to the chairman of the corporation; and

available on request.

**stv47. Declaration of result for contested elections** – (1) In a contested election, when the result of the poll has been ascertained, the returning officer is to—

- (a) declare the candidates who are deemed to be elected under Part 6 of these rules as elected,
- (b) give notice of the name of each candidate who he or she has declared elected –
  - (i) where the election is held under a proposed constitution pursuant to powers conferred on the York Teaching Hospital NHSFT by Section 33(4) of the 2006 Act, to the chairman of the NHS Trust, or
  - (ii) in any other case, to the chairman of the corporation, and
- (c) give public notice of the name of each candidate who he or she has declared elected.

(2) The returning officer is to make –

- (a) the number of first preference votes for each candidate whether elected or not,
- (b) any transfer of votes,
- (c) the total number of votes for each candidate at each stage of the count at which such transfer took place,
- (d) the order in which the successful candidates were elected, and
- (e) the number of rejected ballot papers under each of the headings in rule stv39(1),

available on request.

**48. Declaration of result for uncontested elections** – In an uncontested election, the returning officer is to as soon as is practicable after final day for the delivery of notices of withdrawals by candidates from the election –

- (a) declare the candidate or candidates remaining validly nominated to be elected,
- (b) give notice of the name of each candidate who he or she has declared elected to the chairman of the corporation, and

#### *Part 8 – Disposal of documents*

**49. Sealing up of documents relating to the poll** – (1) On completion of the counting at a contested election, the returning officer is to seal up the following documents in separate packets –

- (a) the counted ballot papers,
- (b) the ballot papers endorsed with “rejected in part”,
- (c) the rejected ballot papers, and

- (a) its contents,
- (b) the date of the publication of notice of the election,
- (c) the name of the corporation to which the election relates, and
- (d) the constituency, or class within a constituency, to which the election relates.

**50. Delivery of documents** – Once the documents relating to the poll have been sealed up and endorsed pursuant to rule 49, the returning officer is to forward them to the chair of the corporation.

**51. Forwarding of documents received after close of the poll** – Where –

- (a) any voting documents are received by the returning officer after the close of the poll, or
- (b) any envelopes addressed to eligible voters are returned as undelivered too late to be resent, or
- (c) any applications for replacement ballot papers are made too late to enable new ballot papers to be issued,

the returning officer is to put them in a separate packet, seal it up, and endorse and forward it to the chairman of the corporation.

**52. Retention and public inspection of documents** – (1) The corporation is to retain the documents relating to an election that are forwarded to the chair by the returning officer under these rules for one year, and then, unless otherwise directed by the regulator, cause them to be destroyed.

(2) With the exception of the documents listed in rule 53(1), the documents relating to an election that are held by the corporation shall be available for inspection by members of the public at all reasonable times.

(3) A person may request a copy or extract from the documents relating to an election that are held by the corporation, and the corporation is to provide it, and may impose a reasonable charge for doing so.

**53. Application for inspection of certain documents relating to an election** – (1) The corporation may not allow the inspection of, or the opening of any sealed packet containing –

- (b) any disqualified documents, or the list of disqualified documents,
- (c) any counted ballot papers,
- (d) any declarations of identity, or
- (e) the list of eligible voters,

by any person without the consent of the Regulator.

(2) A person may apply to the Regulator to inspect any of the documents listed in (1), and the Regulator may only consent to such inspection if it is satisfied that it is necessary for the purpose of questioning an election pursuant to Part 11.

(3) The Regulator's consent may be on any terms or conditions that it thinks necessary, including conditions as to –

- (a) persons,
- (b) time,
- (c) place and mode of inspection,
- (d) production or opening,

and the corporation must only make the documents available for inspection in accordance with those terms and conditions.

(4) On an application to inspect any of the documents listed in paragraph (1), –

- (b) and making the documents available for inspection, the corporation,

must ensure that the way in which the vote of any particular member has been given shall not be disclosed, until it has been established –

- (i) that his or her vote was given, and
- (ii) that the regulator has declared that the vote was invalid.

*Part 9 – Death of a candidate during a contested election*

**fpp54. Countermand or abandonment of poll on death of candidate** – (1) If, at a contested election, proof is given to the returning officer's satisfaction before the result of the election is declared that one of the persons named or to be named as a candidate has died, then the returning officer is to

- (a) countermand notice of the poll, or, if ballot papers have been issued, direct that the poll be abandoned within that constituency or class, and
- (b) order a new election, on a date to be appointed by him or her in consultation with the corporation, within the period of 40 days, computed in accordance with rule 3 of these rules, beginning with the day that the poll was countermanded or abandoned.

(2) Where a new election is ordered under paragraph (1), no fresh nomination is necessary for any candidate who was validly nominated for the election where the poll was countermanded or abandoned but further candidates shall be invited for that constituency or class.

(3) Where a poll is abandoned under paragraph (1)(a), paragraphs (4) to (7) are to apply.

(4) The returning officer shall not take any step or further step to open envelopes or deal with their contents in accordance with rules 33 and 34, and is to make up separate sealed packets in accordance with rule 35.

**stv54. Countermand or abandonment of poll on death of candidate** – (1) If, at a contested election, proof is given to the returning officer's satisfaction before the result of the election is declared that one of the persons named or to be named as a candidate has died, then the returning officer is to –

- (a) publish a notice stating that the candidate has died, and
- (b) proceed with the counting of the votes as if that candidate had been excluded from the count so that –
  - (i) ballot papers which only have a first preference recorded for the candidate that has died, and no preferences for any other candidates, are not to be counted, and

#### **Appointment of the Chairman and Non-executive Directors**

The Council of Governors will appoint the Chairman and the Non-executive Directors. These appointments will be made with the support of appropriate Directors and officers of the Trust.

When the appointment is for a Non-executive Director, the Chairman will lead the process with the Governors. When the appointment is for the Chairman, the Chairman will not be involved and the process will be lead by the Lead Governor with the support of the Vice Chairman and other Directors and officers, as appropriate.

Below is a process agreed by the Council of Governors for the appointment of a Chairman and Non-executive Directors.

During this process, a regular report will be received by the Council of Governors in private on the progress of the appointment.

Once it has been established that it will be necessary to run an appointment process and the Council of Governors have been informed, a consultation meeting will be convened and attended by the Nominations/Remuneration Committee, a representative from the Trust's Recruitment Department and the Secretary. Those present at this meeting will establish the outline timeline for appointment; review and amend the pro forma documentation – (the job description; (including the required level of commitment) person specification and recruitment pack); agree the competencies to be measured at an assessment centre; and agree the appointment of an external assessor to act as an advisor to the Appointment Committee.

In the case of a Non-executive Director appointment, the Chairman will comment on the views of the existing members of the Board of Directors. This process will be lead by the Chairman as chair of the Nominations/Remuneration Committee and a report from the chairman will be presented to the next Council of Governors meeting.

In the case of a Chairman appointment, the Vice Chairman will provide the Nominations/Remuneration Committee with comments from the Board of Directors and the Lead Governor with the support of the Vice Chairman will report to the Council of Governors.

The Secretary, a representative from the Trust's Organisational Development team and the representative from the Trust's Recruitment Department will prepare a recommendation on the measurements to be used for the agreed competencies for consideration by the Nominations/Remuneration Committee. The

Nominations/Remuneration Committee will meet to discuss the recommendation and agree the measures to be used. The Nominations/Remuneration Committee will also agree the finalised recruitment timetable and the proposed advert.

Long-listing will be undertaken by the representative from the Trust's Recruitment Department and the Secretary in accordance with criteria advised by the Nominations/Remuneration Committee. The Nominations/Remuneration Committee will be provided with reasons as to why candidates have been removed at long-listing stage and will review and amend the list, as necessary. The Nominations/Remuneration Committee will undertake the short-listing exercise and be (advised by the external assessor wherever possible) The interview timetable will then be finalised.

The assessment centre work is to be undertaken in parallel with the work of the Nominations/Remuneration Committee. The results will be included in the information provided to the Appointment Committee.

The Appointment Committee maybe split into two panels, if appropriate, with agreement as to what each panel will consider.

Once the interviews are held, the two panels (if used) will re-form the Appointment Committee and consider each of the candidates. The Appointment Committee will formalise a recommendation to be considered by the Council of Governors at their next meeting in private. Once the appointment has been made by the Council of Governors, the successful candidate will be informed. Arrangements will be made by the Secretary for the new Chairman or Non-executive Director(s), as the case may be, to receive a full induction.
