Dear ██████████

**Request under the Freedom of Information Act 2000 (the “FOI Act”)**

We refer to your email of 3 July 2018 in which you requested information under the FOI Act from NHS Improvement. Since 1 April 2016, Monitor and the NHS Trust Development Authority have been operating as an integrated organisation known as NHS Improvement. For the purposes of this decision, NHS Improvement means Monitor and the TDA.

**Your request**

You made the following request:

*“I would be most grateful if you would provide me, under the Freedom of Information Act, details in respect of the following framework agreement(s)/contract(s):*

- *Suppliers who applied for inclusion on each framework/contract below and were successful & not successful at the PQQ & ITT stages.*
- *Contract values of each framework/contract (& any sub lots), year to date*
- *Start date & duration of framework*
- *Is there an extension clause in the framework(s)/contract(s) and, if so, the duration of the extension?*
- *Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed?*

*Framework Agreement Contract*

*The Wound Drainage Post-operative and Intra-operative Autologous Blood System Products 2014...”*

**Decision**

NHS Improvement does not hold the information that you have requested.

We are not the contracting authority for this procurement. We believe this relates to a procurement by the NHS Supply Chain acting as agent for NHS Business Services Authority (BSA). Therefore you may want to send an FOI request to NHS BSA who may hold the information requested. Contact details can be found below:

### **Review rights**

If you consider that your request for information has not been properly handled or if you are otherwise dissatisfied with the outcome of your request, you can try to resolve this informally with the person who dealt with your request. If you remain dissatisfied, you may seek an internal review within NHS Improvement of the issue or the decision. A senior member of NHS Improvement's staff, who has not previously been involved with your request, will undertake that review.

If you are dissatisfied with the outcome of any internal review, you may complain to the Information Commissioner for a decision on whether your request for information has been dealt with in accordance with the FOI Act.

A request for an internal review should be submitted in writing to FOI Request Reviews, NHS Improvement, Wellington House, 133-155 Waterloo Road, London SE1 8UG or by email to [nhsi.foi@nhs.net](mailto:nhsi.foi@nhs.net).

### **Publication**

Please note that this letter will shortly be published on our website. This is because information disclosed in accordance with the FOI Act is disclosed to the public at large. We will, of course, remove your personal information (e.g. your name and contact details) from the version of the letter published on our website to protect your personal information from general disclosure.

Yours sincerely,

### **NHS Improvement**
