Dear ██████████

Request under the Freedom of Information Act 2000 (the “FOI Act”)

We refer to your letter of **15 May 2018**, received by NHS Improvement on 21 May 2018, in which you requested information under the FOI Act. Since 1 April 2016, Monitor and the NHS Trust Development Authority “NHS TDA” are operating as an integrated organisation known as NHS Improvement. For the purposes of this decision, NHS Improvement means Monitor and the NHS TDA.

Your request

You made the following request:

“In the light of the Capsticks review and the recently published Kirkup review into Liverpool Community Trust, could you please confirm whether your organisation has worked with, currently holds or has held contracts with health@work, indicating what service was provided and the period the contract covered?”

Decision

NHS Improvement holds the information that you have requested. NHS Improvement can confirm that it does not hold, and has not held, any contracts with health@work. NHS Improvement does not work, and has not worked, with health@work.

Review rights

If you consider that your request for information has not been properly handled or if you are otherwise dissatisfied with the outcome of your request, you can try to resolve this informally with the person who dealt with your request. If you remain dissatisfied, you may seek an internal review within NHS Improvement of the issue or the decision. A senior member of NHS Improvement's staff, who has not previously been involved with your request, will undertake that review.

If you are dissatisfied with the outcome of any internal review, you may complain to the Information Commissioner for a decision on whether your request for information has been dealt with in accordance with the FOI Act.

A request for an internal review should be submitted in writing to FOI Request Reviews, NHS Improvement, Wellington House, 133-155 Waterloo Road, London SE1 8UG or by email to nhsi.foi@nhs.net.

Publication

Please note that this letter will shortly be published on our website. This is because information disclosed in accordance with the FOI Act is disclosed to the public at large. We will, of course, remove your personal information (e.g. your name and contact details) from the version of the letter published on our website to protect your personal information from general disclosure.

Yours sincerely,

NHS Improvement
