

## Expression of interest Learning disability exemplar site

Before completing this form, please read the supporting information, the system commitments information and refer to the timetable. As a guide, the combined responses below should not exceed more than three pages. This information will form the basis of the MOU we will put in place with all clinical commissioning groups (CCGs) receiving this funding.

Please direct any queries to [england.ledereoi2020@nhs.net](mailto:england.ledereoi2020@nhs.net)

Please return completed forms to [england.ledereoi2020@nhs.net](mailto:england.ledereoi2020@nhs.net) by **10am on Friday 7 August** as a signal of formal intent to join the project. Any applications received after the deadline may not be considered.

Name of STP/ICS/CCG	<i>This should state the name of the CCG to receive the funding and the name of the PCN/ICS/region in which the CCG is located.</i>
Key contact(s) including job title, organisation and contact details	<i>This should be the key contact(s) who will lead and oversee the project involvement on behalf of the STP/ICS and project lead.  Please include name, role, email and telephone details.</i>
STP/ICS/CCG clinical director endorsement	<i>Please indicate that you have STP/ICS/CCG clinical director approval via their endorsement.  This should include their name, email and contact details.</i>
STP/ICS/CCG commitment and resources	<i>Please provide a short summary of how this project will complement your existing planning activities and outline how you will oversee this work.  Please include:</i> <ul style="list-style-type: none"> <li>• <i>Where this project will sit in your workstream and governance arrangements.</i></li> <li>• <i>Identification of core project team members.</i></li> <li>• <i>A commitment to working with other STPs/ICSs/CCGs.</i></li> <li>• <i>A commitment to producing the plans with local self-advocacy groups and people with lived experience.</i></li> <li>• <i>You should identify your commitment to; health improvement, reducing health inequalities and using reasonable adjustments for people with a</i></li> </ul>

	<p><i>learning disability; improving the uptake of annual health checks to at least 75%, ensuring learning disability registers are complete, producing high quality action plans for all people with a learning disability aged 14 and over, demonstrate how you have engaged with and encouraged people from higher areas of deprivation or BAME groups to attend the annual health check, and prioritise the number of people being given a flu vaccination.</i></p> <ul style="list-style-type: none"> <li><i>• You should demonstrate how you have engaged with, and encouraged young people aged 14-17 to get an annual health check.</i></li> <li><i>• You should also indicate how you have reached out to people living independently.</i></li> <li><i>• Demonstrate action to identify people with a learning disability who are not on the register - addressing the gap between expected prevalence of people with a learning disability and register size.</i></li> <li><i>• You should highlight innovative ways of working, which may include different models of delivery, such as working with community learning disability teams (CTLD) and demonstrate real change.</i></li> </ul>
Co-production	<p><i>Your bid must demonstrate your commitment to co-production in working with people with a learning disability.</i></p>
Restoration and recovery	<p><i>As part of restoration and recovery plans, please indicate how you will achieve the LTP target of 75% uptake and high-quality health action plans.</i></p>
Other health and care partners, local councils and authorities that will have significant involvement in the project	<p><i>Please identify any key organisations who you plan to involve in your considerations that may support and drive forward planning and implementation and whose participation will be key to success for example your local CLDT. Please confirm their commitment to work with you</i></p>
Expected data outputs for evaluation	<ul style="list-style-type: none"> <li><i>• Your data should be based on outcome measures, demonstrating a quantifiable percentage improvement.</i></li> <li><i>• You should demonstrate how you intend to collect data and monitor the impact of the interventions you are proposing.</i></li> <li><i>• It should include additional demographic information and analysis of where gaps were not able to be closed and consideration of possible solutions/actions that may be required going forward.</i></li> </ul>

<p>Outputs</p> <p><i>The report submission is a requirement to provide an audit trail for how public money has been utilised within the project.</i></p>	<p><i>Please indicate that you agree to submit a template update at six months and at the end of August 2021 that will include the following information as a minimum:</i></p> <ul style="list-style-type: none"> <li>• <i>how the funding was used</i></li> <li>• <i>the activity that has taken place as a result of the funding</i></li> <li>• <i>any plans that have been developed and what was achieved</i></li> <li>• <i>We will also wish to know which partners and stakeholders you have worked with</i></li> <li>• <i>This information may be included in NHS England and NHS Improvement publications aimed at sharing good practice</i></li> </ul>
<p>Important notes for potential bidders</p>	<p><i>For your bid to be considered for exemplar status, your CCG should have a minimum learning disability register (LDR) level to be accepted; &gt;0.5% which is the national average.</i></p>
<p>Further information</p>	<p><i>This should include any further information relevant to the expression of interest that has not been covered in the above sections.</i></p>
