

Paediatric Oncology Quality Dashboard 2020/21

Indicator Reference Number	Domain	Measure	Rationale	Name of Indicator/ Description	Numerator	Denominator	Period Type	Frequency	Data Source Numerator	Data Source Denominator	Data presentation	Target	Interpretation Guidance	Interpretation Guidance	Notes	Reporting Periods			
																Q1	Q2	Q3	Q4
PO05I	Domain 5: Treating and caring for people in a safe environment and protecting them from avoidable harm	Access to designated oncology ward (base ward)		Proportion of children requiring admission who cannot be accommodated in the designated oncology ward (base ward), either outliers within trust or to another site	From the denominator, the number of children who could not be accommodated within the designated oncology ward (base ward) e.g. either outliers within trust or to another site	Number of children requiring admission to the designated oncology ward (base ward) within the reporting period	Quarterly	Quarterly	Provider submitted data	Provider submitted data			Lower is better		Exclude any patients where it was appropriate to be admitted to an alternative location i.e. isolation, neurological, surgical ward or shared care unit. The numerator should not include those patients admitted to another ward by choice; e.g. for surgery	Apr 20 - Jun 20	Jul 20 - Sep 20	Oct 20 - Dec 20	Jan 21 - Mar 21
PO06	Domain 4: Ensuring that people have a positive experience of care	Occupancy rates - designated oncology ward (base ward)		Occupancy rates on designated oncology ward (base ward)	Number of bed days which were occupied within the reporting period	Number of bed days available on the designated oncology ward (base ward) within the reporting period	Quarterly	Quarterly	Provider submitted data	Provider submitted data					Base ward as defined / named at peer review (may be more than 1 ward)	Apr 20 - Jun 20	Jul 20 - Sep 20	Oct 20 - Dec 20	Jan 21 - Mar 21
PO09	Domain 5: Treating and caring for people in a safe environment and protecting them from avoidable harm	Chemotherapy incidents		Rate of chemotherapy related incidents	Number of incidents related to treatment within the reporting period	Number of chemotherapy cycles within the reporting period	Quarterly	Quarterly	Provider submitted data	Provider submitted data			Lower is better		Include all incidents reported on DATRIX or local reporting systems	Apr 20 - Jun 20	Jul 20 - Sep 20	Oct 20 - Dec 20	Jan 21 - Mar 21
PO10	Domain 4: Ensuring that people have a positive experience of care	Patient experience survey		Proportion of patient surveys returned.	Of those in the denominator, the number of surveys returned	Number of patient surveys sent out within the reporting period	Annual	Annual	Provider submitted data	Provider submitted data			Higher is better						Apr 20 - Mar 21
PO11	Domain 4: Ensuring that people have a positive experience of care	Patient experience survey		Proportion of patient surveys with positive responses.	Of those in the denominator, the number of positive responses	Number of surveys returned with the reporting period	Annual	Annual	Provider submitted data	Provider submitted data			Higher is better		Proportion who say service is 'good' or better than 'good'				Apr 20 - Mar 21
PO12	Domain 4: Ensuring that people have a positive experience of care	Clinical trials		Proportion of eligible children offered access to nationally available clinical trials	Of those in the denominator, number offered access to nationally available clinical trials	Number of eligible children within reporting period	Annual	Annual	Provider submitted data	Provider submitted data			Higher is better						Apr 20 - Mar 21
PO16	Domain 3: Helping people to recover from episodes of ill health or following injury	End of treatment summaries and follow-up care plans		Proportion of patients completing treatment, who receive an end of treatment summary and follow-up care plan within 3 months	Of those in the denominator, number who receive an end of treatment summary and follow-up care plan within 3 months	Number of patients completing treatment	Quarterly - lagged to allow data collection	Quarterly	Provider submitted data	Provider submitted data			Higher is better		Reporting period for this metric lagged 3 months, as required for data collection. The care plan can be in any format, but must include a treatment summary, and it must set out the detail of any ongoing follow up required, including late effects	Jan 20 - Mar 20	Apr 20 - Jun 20	Jul 20 - Sep 20	Oct 20 - Dec 20

Data collection has been approved by the Review of Central Returns - ROCR  
ROCR/OR/2230/001MAND
